The Danger of Imitations.

AN OHIO druggist writes to "The Practical Druggist," a prominent New York Drug Journal, as follows: "Please furnish formula for Castoria. All the formulas I have worked with are either ineffective or disagreeable to administer."

To this "The Practical Druggist" replies: "We do not supply formulas for proprietary articles. We couldn't if we wanted to. Your experience with imitative formulas is not surprising, but just what is to be expected. When Castoria is wanted, why not supply the genuine. If you make a substitute, it is not fair or right to label it Castoria. We can give you all sorts of laxative preparations for children, but not Castoria, and we think a mother who asks for Castoria would not feel kindly toward you if you gave her your own product under such a name."

No mother with a spark of affection for her child will overlook the signature of Chas. H. Fletcher when buying Castoria.

Children Cry For Fletcher's CASTORIA

Extracts from Letters by Grateful Parents to Chas. H. Fletcher.

Mrs. Wm. Palmer, Sterling, Ill., says: "Your Castoria has been my friend for twenty years. I could not keep my children well without it. I cannot speak too highly of your wonderful remedy."

Mrs. Frank H. Cafferty, of Providence, R. I., says: "If all young mothers would use Castoria it will bring up their child. My nurse and doctor can also tell what your Castoria can do."

Howard A. Banks, of Hickory, N. C., says: "Your Castoria is the only physic we ever give our three babies. The fact that we use it promptly is probably the reason we never have to use any other."

Mrs. A. J. Nelson, of Waco, Texas, says: "Enclosed you will find a picture of 'Our little Castoria boy.' When a week old I ordered your Castoria for him, and I have never been up a night with him since."

Mrs. Eva Ott Melin, of Jersey City, N. J., says: "I attribute the present excellent condition of my baby to your Castoria which he has been using since he was three weeks old. I have not lost a night's sleep in seven months."

GENUINE CASTORIA ALWAYS BEARS the Signature of Chas. H. Fletcher.

JANE SUCKLEY WARD TO WED HOWARD DAY IN NEW YORK CEREMONY

JANE SUCKLEY WARD
Photo by Alice Boegehold

Another Newport wedding of interest to society will be that, this week, but on a day not yet made public, of Miss Jane Suckley Ward, daughter of Mrs. Beverly Ward of No. 51 East Fifty-eighth Street, and Howard Day.

Miss Ward is a niece of Mrs. Luther Kountze, Mrs. H. Ward Ford and Mrs. Robert H. McCurdy, and is related to the Barclay family.

Mr. Day is a son of Belden Seymour Day of No. 10 Perry Street, Morristown, and was a student at Princeton when he entered the Naval Reserve. He is stationed at Newport.

Notes in Society

Mr. and Mrs. Louis Evan Shipman announce the engagement of their daughter, Miss Ellen Biddle Shipman, and Capt. Montgomery Boynton Angell, O. R. C., of Rochester.

The wedding of Miss Ursula Knauth, daughter of Mrs. Antonio Knauth of No. 321 West Ninety-first Street, and Lieut. Louis Huthsteiner, O. R. C., will take place this afternoon at Bolton Landing, Lake George.

Announcement has been made of the marriage on Saturday of Capt. Maxwell Stevenson to Mrs. William Harding Jackson, daughter-in-law of Gen. Jackson of Belle Meade, Tenn.

Capt. Stevenson, until recently a member of the Officers' Training Corps at Plattsburg, is the brother of Mrs. A. Butler Duncan of New York. The wedding took place at Mrs. Duncan's country home at Hempstead. The Rev. Walter W. Wynans of the Hempstead Methodist Church officiated.

Capt. Stevenson is a member of the Meadow Brook Hunt, the Knickerbocker and the New York Athletic Clubs. After a ten days' honeymoon he will report for duty at Camp Upton, Yaphank, L. I.

DOCTOR AND 8 "PATIENTS" ARE TAKEN TO BELLEVUE

Physician, Arrested in Drug Raid, Accompanies Alleged Slacker Addicts to Hospital.

Dr. Howard James, who was arrested Saturday night on the charge of violating the Federal Drug Law, and eight of his "patients," arrested at the physician's office, No. 110 West Fortieth Street, when they were unable to show their registration cards, were taken from the West Thirtieth Street Station yesterday to Bellevue Hospital for treatment. Dr. James at first refused to go, but later consented.

George F. Phillips, druggist, of No. 839 Eighth Avenue, also arrested in the raid Saturday night, was released from the West Forty-seventh Street Station yesterday when State Senator George Walsh furnished $5,000 bail. Mr. Walsh was accompanied to the station by United States Commissioner Hitchcock and Assistant United States Attorney Stanton.

BOY FLEES FROM SCHOOL.

Life There Too Tame, He Goes With Chum to Seek Adventure.

When Charles Goldwater, an accountant living at No. 135 Hamilton Place, went to the De Witt Clinton Boarding School at Mount Vernon Saturday to visit Ira, his thirteen-year-old son, he was told the boy had run away Thursday with a lad named Raymond Cooper. They told companions they were going to seek adventure at Hudson, N. Y.

Yesterday Mr. Goldwater asked the police to find his son and a general alarm was sent out. Ira is five feet three inches tall, weighs 105 pounds and has red hair. He wore a blue and white shirtwaist and blue knickerbockers. On one finger was a ring with the initials "P. S."

Concert for Drafted Men.

The New York Community Chorus, under Harry Barnhart, gave a concert in honor of the drafted men last night in the stadium of the College of the City of New York. More than 2,000 drafted men were among the 25,000 persons who attended. The Hebrew Orphan Asylum band assisted the Community Chorus orchestra. The concert was closed with negro folk songs and the new "Plattsburg Chorus."

C. Calusd Shows an Inspirational Marine Painting

By W. G. Bowdoin.

[illegible] Fifth Avenue, a new and highly inspirational painting entitled "The Ruler of the Sea."

The extended canvas expresses the military preparedness as it relates to the navy.

Out of the distance at the left of the large painting the battleships of America are registered as sleeping under full steam. The beginning smoke is skillfully converted into a haze that envelopes the modern ships of the line.

In the foreground the billowy sea approaches pulsation in the hand treatment, and belches. The foam crested waves are very delightfully handled.

At the right centre, in subdued chrome, is pictured the faintly outlined figure of the Christ in his attitude of beneficence.

The kindly face dominates the sea and bespeaks its freedom. The pictorial symbolism of the painting is powerfully but unobtrusively expressed.

The picture was recently seen and highly indorsed by Rear Admiral Charles Dwight Sigsbee, retired, of the U. S. N.

The introduction of the Christ figure into a marine possesses the charm of novelty.

Mrs. Sanger Again Appeals.

Notice of an appeal in the case of Mrs. Margaret Sanger, sentenced to thirty days on Blackwell's Island for distributing birth control literature, has been filed in the County Clerk's Office in Brooklyn. Mrs. Sanger was convicted in the Court of Special Sessions. The case was then taken to the Appellate Division, which confirmed the conviction. Mrs. Sanger and her counsel now want the Court of Appeals to pass upon it. She has already served her full sentence.

ONLY THREE BABIES DIE OF DIET KITCHEN'S 3,428

[illegible] Young Men's Women's Committees.

[illegible] Babies examine the babies and advise the mothers how to feed, clothe and bathe their infants. During June and July nurses employed by the association paid 1,847 house visits to make sure that mothers were obeying the doctor's orders.

The association appeals for money to do its work until the end of September. September is always a trying month for babies because the hot weather has lessened their vitality. Mrs. Joseph M. Tilton is treasurer of the association.

GET NEW KIDNEYS!

The kidneys are the most overworked organs of the human body, and when they fail to their work of filtering out and throwing off the poisons developed in the system things begin to happen.

One of the first warnings is pain or stiffness in the lower part of the back; highly colored urine; loss of appetite; indigestion; irritation, or even stone in the bladder. These symptoms indicate a condition that may lead to that dreaded and fatal malady, Bright's disease, for which there is said to be no cure.

You can almost certainly find immediate relief in GOLD MEDAL Haarlem Oil Capsules. For more than 200 years this famous preparation has been an unfailing remedy for all kidney, bladder and urinary troubles. Get it at any drug store, and if it does not give you almost immediate relief your money will be refunded. Be sure you get the GOLD MEDAL brand. None other genuine. In boxes, three sizes.—Advt.
