**Nottingham Renamed Regent; Is Opposed by Socialists.**

ALBANY, Feb. 6.—William Nottingham, Republican, of Syracuse was renominated a member of the State Board of Regents for a term of twelve years by the Legislature to-day. He will be elected at a joint session of Senate and Assembly to-morrow. The nomination was unanimous in the Senate, but in the Assembly the ten Socialist members voted for their party candidate, Henry Wadsworth Longfellow Dana, formerly a member of the teaching staff of Columbia University.

## Drive the Liquor Habit From Your Home

### Can Be Done Secretly.

Physicians and druggists unhesitatingly recommend Tescum powders for the liquor habit in any form. They quickly destroy the craving and make whiskey and other alcoholic beverages repugnant. Druggists will tell you Tescum is selling better than any other remedy for the liquor habit. There is a reason for this. It is because it gives better satisfaction. One physician says: "I can stand in the door of my home and throw a stone into neighbor's yard to whom I gave Tescum powders for drunkenness and he was completely cured. Have also cured a large number of other patients." A druggist reports "Tescum is having an enormous sale. It gives excellent satisfaction." A lady recently wrote: "I have used Tescum on my husband secretly and he has not taken a drink in three months." Another lady says: "I only wish I had known of Tescum before." Here is another who tried it: "After taking two boxes of Tescum I did not crave liquor." Another writes: "I don't think it's expensive at all. Just think of the thousands of dollars he has spent for whiskey. The few dollars I spent for Tescum has been worth thousands." Here is an extract from another letter: "I sent a box of Tescum to my friend Mrs. C. M. for her to try on her husband. None she will be as successful as I have been, as it is wonderful. I will never tell my husband what cured him." And so on it goes, one enthusiastic report after another. If you have a relative or a friend who drinks, just try it for a few weeks and note the marvellous change. They will soon complain that drink does not taste the same and in a short time they will stop altogether and never know the reason why.

NOTE: A leading druggist when shown the above article said: "Yes, Tescum is a very reliable remedy for the drink habit. It is tasteless, wonderfully effective and is having an enormous sale. I advise every one who wishes to conquer the liquor habit to give it a trial. You can go right with Tescum, as it is sold in this city under a steel-bound money refund guarantee by all druggists, including Kalish's Pharmacy, New York, and S. Albert Osborne, Brooklyn.—Adv.

## BRIBERY CHARGE DISMISSED.

**Policeman Thorpe Acquitted in Bronx County Court.**

John J. Thorpe of No. 372 East 167th Street, a motorcycle policeman of Wakefield Station, the Bronx, was acquitted of a bribery charge by the County Court yesterday.

Abraham Platsky of Bridgeport, Conn., the complainant, said that on Oct. 12 last the defendant accepted a $10 bribe and failed to arrest him after halting his car on the Boston Post Road at Eastchester Road, the Bronx, for failure to carry a license number. Sergt. Charles Rassky was indicted concomitantly with Thorpe. He is under $15,000 bail.

## BERMAN TELLS POLICE OF HIS AID TO MRS BERG

### Realty Man Says the Kidnapper, a Total Stranger, Told Him the Child Was Hers.

Louis Berman, fifty-five years, a real estate operator living at No. 186 New Lots Road, East New York, went to Police Headquarters last night with Detective Sergts. Reynolds and L'Heureux and explained the part he had played in the disappearance of Lillian Rosner on Jan. 28.

After the child was discovered Sunday at No. 101 Bergen Street, Brooklyn, in the keeping of Mrs. Sophie Berg, the police searched for Berman, as the woman said that he, after a short talk at the South Ferry subway station, had guided her to the Brooklyn address. She said he introduced her to Mrs. Delia Gilbert, the landlady, as his niece and the mother of the little girl.

Berman told the police he was surprised to read of the arrest of Mrs. Berg and decided to inform the authorities that he was the man she approached. He said she was a stranger to him. She told him she had just arrived from California, where her husband had been killed. She said that Lillian had been born there.

Berman said the woman seemed bewildered, and said in Hebrew, "I am glad to meet some one who can speak Jewish." He took her and the girl to Mrs. Gilbert's home, he said, because he knew she had a room to let. Berman was not held by the police.

FACTS TO BEAR IN MIND—Silk mills are working on half time—some not at all. Dyers' prices have gone up 25 per cent. Conditions generally favor higher prices. We are only able to offer these good, dependable, year-in, year-out silks at these prices because some of the largest mills agreed with us that now—when women are preparing for the Spring dressmaking—a little chance to economize would be appreciated.
