THE TRADE IN CHICAGO.

Chicago, Sept. 13 (Special).—The accident in wheat to-day was a sudden advance in the September, moving it up 1½c and putting it at a premium over December of 1c in comparison with a discount of 3½c a few weeks ago. The September strength affected the whole market, finally bulling the December and May, although both those futures opened ¼c under the day previous. September closed 1c over Tuesday, December and May, ¼c over. September opened at 70½c, sold between 70½c and 72¼@72⅝c, and closed at 71⅞c. December sold at 70½c and at 71⅛c, and closed at 71⅛c. May closed at 71¼c. The September situation is pretty well understood. Primarily it is a contest between the elevator interests for cash wheat. The Weares bought the September when it was about 2½c under December and sold the latter. Armour waited for a wider spread and missed it altogether. Weare is expected to get the Armour wheat for his own houses. There are other shorts in the market, spreaders, hedgers, exporters and others, who have been short on September. These have been alarmed over the contest between the big elevator interests and have scrambled to get out. There have been some private settlements. No one expects a September corner. The result will be that considerable wheat will be brought here from the Northwest by Armour and others, and ultimately there will be abnormal stocks. Peavey is supposed to be in the spread with Weare. It has been a profitable one so far, but it is not impossible that it will ultimately lead to a grain elevator war. All the ordinary news today was bearish. Liverpool was 5d to ⅝d lower. The Northwest had 917 cars, against 218 cars a year ago. Primary receipts were 1,212,000 bushels, compared with 1,192,000 bushels. Clearances were 400,000 bushels. The seaboard reported 26 loads for export. It was an excitable market, without being a broad one.

Corn was firm, influenced most by the wheat strength. It closed ¼ to ⅜c over Tuesday. September sold at 36⅝c and at 37⅛c, and closed at 37⅛c. December closed at 28⅝c. May 29½@29⅝c. Patten, who has been short corn and long oats, was unstraddling, selling out his oats and buying in his corn. That helped the market, but sympathy with wheat was the factor. Receipts were 598 cars, with 80 estimated for to-morrow. Liverpool was ¼@½d lower. Charters were made for 400,000 bushels at 1½@3¼c to Buffalo.

The Patten-Hartlett-Frazier interest sold out about 2,000,000 bushels long oats. Prices early were up in sympathy with wheat. This liquidation of long oats merely lost the market its early advance. Last prices were about the same as Tuesday—September, 21¼; December, 20⅞; May, 22⅜. Cars are scarce, the lake rate very high. Receipts were 250 cars, with 225 for to-morrow.

Flaxseed was stronger, up 1@2c; September, $1.06; October, $1.04½; December, $1.05. Receipts were large—32 cars at Minneapolis, 29 at Duluth, 98 at Chicago.

Provisions were firmed up by a large export business in lard, 10,000 tierces being sold to the Continent. Pork closed 5@7½c over Tuesday; lard, 7½@10c over; ribs, 2½@5c over.

On the curb puts on December wheat closed at 71@71⅛c; calls, 71⅞@72⅛c. Puts on December corn, 28⅝@28⅞; calls, 29⅛c. Puts on May corn, 29⅝@29¾; calls, 30½@30⅝.

REORGANIZATION OF

Kansas City, Pittsburg & Gulf Railroad Company

AND ITS TERMINAL COMPANIES.

To the Holders of the Bonds and Stocks of the Kansas City, Pittsburg & Gulf Railroad Company,

AND

To the Holders of the Stock of the Kansas City Suburban Belt Railroad Company and Port Arthur Channel & Dock Company.

Notice is hereby given that the undersigned have prepared a plan of reorganization of the Kansas City, Pittsburg & Gulf Railroad Company, and for the acquisition by said reorganized company of the stocks of the Terminal Companies, copies of which can be obtained at the office of the Provident Life and Trust Company, Philadelphia; Seaboard National Bank, of New York, and the Guardian Trust Company, of Chicago, depositaries of the committee, from which full particulars and details can be obtained.

Briefly stated, the plan provides for the formation of a new company which will acquire all the property of the existing Kansas City, Pittsburg & Gulf Railroad Company, and the whole (or at least a majority of the stocks of the Kansas City Suburban Belt Railroad Company and the Port Arthur Channel & Dock Company, thus bringing the whole system under one ownership and management.

The new Company will issue the following securities:—

First Mortgage fifty-year four per cent. Gold Bonds $20,000,000
To be secured upon all the property now of the Kansas City, Pittsburg & Gulf Railroad Company and the stocks of the Kansas City Suburban Belt Railroad Company and the Port Arthur Channel & Dock Company.

Preferred Stock, four per cent. non-cumulative $20,000,000
Common Stock $30,000,000

These securities will be appropriated approximately as follows:

Besides payment in cash of coupon due April 1st, 1899:

BONDS:

For the conversion of the existing First Mortgage Bonds of the Kansas City, Pittsburg & Gulf Railroad Company, at the rate of $750 in new bonds for $1,000 of present bonds	$18,000,000
To be sold for cash requirements of new Company. These bonds have been underwritten at 85 per cent	5,000,000
To be reserved for future requirements of new Company	9,000,000
Total	$30,000,000

PREFERRED STOCK:

To holders of present mortgage bonds, at rate of $400 for each $1,000 of said bonds	$8,600,000
For acquisition of the capital Stock of the Kansas City Suburban Belt Company, at 75 per cent of new stock for each share of existing stock	3,562,500
To participating stockholders, or the Syndicate, who may pay $10 with or upon each share of the present Kansas City, Pittsburg & Gulf Railroad Company stock	2,400,000
Reserved for future requirements	4,437,500
Total issue	$20,000,000

COMMON STOCK:

To participating shareholders, or those who may pay $10 per share as above	$24,000,000
For acquisition of the Capital Stock of the Kansas City Suburban Belt Railroad Company at 25 per cent	1,187,500
Reserved for future requirements	4,812,500
Total issue	$30,000,000

A Voting Trust, to continue five years, to better secure an independent administration of the property, has been provided for, and Stock Trust Certificates will be issued for Preferred and Common Stock, as above mentioned.

The Reorganization Committee has arranged for the control of a majority of the capital stock of the Port Arthur Channel & Dock Company, and it is intended to retire the bonds secured upon the Terminal properties by the issue of a three and a half per cent. Terminal Bond, secured upon said Terminals, and guaranteed, if found desirable, by the new Company. Such new bonds will be based upon and restricted to the earnings of said Terminal properties as they may be ascertained upon future operation.

The bonds to be sold and payments for new stock which shall not be made by participating stockholders have been underwritten, and the sum of $4,950,000 will thus be provided for the cash requirements as specified in said plan and which is believed to be amply sufficient therefor.

The holders of the various securities above-named may become parties to the Reorganization Agreement by depositing their securities in either of the following depositories:—**Provident Life & Trust Co., Philadelphia; Seaboard National Bank, New York; Guardian Trust Company, Chicago,** ON OR BEFORE THE TWENTIETH DAY OF SEPTEMBER, 1899, for which negotiable certificates of deposit in usual form will be issued.

NO DEPOSIT OF SECURITIES WILL BE RECEIVED AFTER THAT DATE, EXCEPT UPON SUCH TERMS AS THE UNDERSIGNED MAY IMPOSE.

The proposed plan has been prepared by the Committee with the approval and co-operation of the holders of large amounts of the securities affected thereby whose recommendation to their fellow security holders to promptly accept said plan will be found attached to the printed plan and agreement, which can be obtained from either of the depositories or from the undersigned.
