To order by mail see opposite side. To order by 'phone call Fitz Roy 6100.

Sale of Drugs and Toilet Articles

A four-day event

Tuesday, Wednesday, Thursday, Friday
From October 19th to October 22nd, inclusive

Thoroughly dependable toilet articles, drugs and sundries at prices conspicuously low.

This event occurs three times a year for the purpose of introducing the drugs and toilet preparations made in our own laboratories (as is the case with most of the articles listed here). Each sale sees the number of users of our products multiplied. That is because our patrons recognize and learn to depend upon our preparations. Compounded only from the purest drugs and chemicals by competent and experienced chemists.

Every price represents a saving. There is no limit to the quantities one may purchase.

The Internal Revenue Tax is included in the price on all items that require it.

The reason why proprietary and patent medicines and toilet articles and perfumes are not listed here.

Our prices on patent medicines and toilet articles are ALWAYS less than elsewhere. If, by any chance, during advertised sales in other stores, a price is quoted less than our own, our price is immediately lowered to maintain our less-than-elsewhere policy. It is obvious that really a SALE OF PROPRIETARY AND PATENT MEDICINES AND TOILET ARTICLES TAKES PLACE EVERY DAY IN THE YEAR IN THIS STORE.

Many of our medicinal preparations have been tested by the State Board of Pharmacy. We at all times invite the inspection of the Board.

Medicinal preparations
