THE TRIBUNAL
A SUPREME COURT OF ADVERTISING

Investigated Advertisements Indorsed by The Tribune.
Fee Charged for Investigation Arranged in Advance.

Under this classification the man or woman of character and ability wanting employment; the responsible employer wanting reliable and efficient help; the man or firm desiring capital for their business, or those wishing to dispose of anything that will stand the fullest investigation, may go before the readers of The Tribune with their statements indorsed by this paper.

WE WISH we had the power to describe the friendly feeling we have toward readers who may be interested in "Tribunal" advertising—and not necessarily "Tribunal" advertising only.

We like to have any reader come here to discuss advertising problems.

"The Tribunal" is a rebuke to dishonest advertising, but it is not a reflection on honest, straightforward advertising.

The advertisers who naturally drift toward this department are the ones who have suffered from unfair and even dishonest advertising competition—the ones who know that the indorsement of The Tribune will inspire confidence by publicly confirming the integrity of an advertiser and his announcement after an unbiassed investigation.

Mutual dependence exists in human society, and many lines of influence connect an advertisement and the readers of advertisements. To endow society or advertising with potential power the foundation must be built on honesty and integrity. "The Tribunal" supplies advertising with maximum potentiality.

We like to talk to people interested in this department. We try not to embarrass them if they should decide that they cannot use "Tribunal" advertising at once.

We want you to feel that you come to a friendly place when you call and that you will leave a friendly atmosphere when you depart—whether you advertise or not.

Call at the Tribune office, Tribune Building, No. 154 Nassau street, or on request a representative will call on you.

The City will be paid for the franchise at the rate of ten dollars per annum for each and every coach or bus placed in operation over the routes above mentioned or either of them.

The number of stages or omnibuses to be operated cannot at present be stated accurately, except that as large a number will be operated as the public demand therefor will warrant.

James and John Larkin, who, with other persons, have since said date caused the undersigned to be incorporated, and are now officers and directors thereof.
