Commercial and Money Matters.

Thursday, P. M.

There was quite a large amount of business done at the Stock Board to-day, but rates were generally lower. 50 shares U. S. Bank were sold, advancing ¼ per cent; Mohawk improved ¼, Canton declined ¼, Long Island ¼, Stonington ¼, Delaware and Hudson ½, Paterson 2½. Of Harlem upwards of 2100 shares were sold, closing at 17¾, an advance of ¼ per cent. Within the last thirty days nearly 50,000 shares of Harlem stock has been sold at the Board at prices ranging from 12½ to 18¾, regular way.—Speculation appears to be almost exclusively confined to this stock.

There was a considerable amount of State Stocks sold with much change in rates.

1,000 Illinois Sixes, 1870	43½
5,000 Corporation Loan, 1870	81

In Foreign Exchanges there is very little doing. Sterling 9¾ a 10¼, France 5.20.

Domestic Exchange is without change to-day.

At the Board Mexican Dollars were offered at 2 per ct. premium, and American Halves at ½ per cent, without finding takers.

One hundred thousand dollars of State Sixes will be sold on the 4th December next, for account of the Troy and Schenectady Railroad Co.

The bills of the Bank of Western New-York will be redeemed on Monday next by the Comptroller at 75c. on the dollar.

The Teas per Huntress were offered at auction to-day, and nearly all sold. The company was large and some animation exhibited in bidding. On the Black Teas there was a slight advance obtained, but other descriptions only sustained previous sales. Canton made were stopped at 43, after supplying all bidders at that rate.

The bills of the Sacketts' Harbor Bank are redeemed at the the New-York State Bank, Albany.

Sales of Bank of the United States notes were made today at 33 per cent. discount.

The Wetumpka Argus states that the State of Alabama has lost upwards of five millions of dollars, and that the Banks, with the exception of the Huntsville branch, are in a wretched, almost insolvent condition. The Argus, which is a Loco Foco paper, says, "It becomes the people of the State, in view of this state of things, to make preparations to sustain their solemnly plighted faith. Never let it be said that Alabamians were the first to allow the name of American credit to become a byword and reproach in the mouths of the money-lenders of Europe." We recommend these sentiments to the careful consideration of Gov. McNutt, and the Anti-boaders of Mississippi and Illinois.

Large quantities of Mexican dollars are in circulation about New-Orleans containing an undue proportion of alloy. Our specie brokers should be careful of specie shipments from New-Orleans.

The Hartford and New Haven Railroad has made a dividend of $2 per share.

A meeting of the shareholders of the Bank of Kentucky was held in Philadelphia on Wednesday, of which Thos. P. Cope, Esq. was chairman. The meeting resolved that the Schuylkill Bank is legally bound to pay the Bank of Kentucky all monies accruing from the transfer of stock as agent of that Bank. That the stockholders of the Bank of Kentucky, have a just and legal claim on that Bank for stock so transferred. That a speedy settlement of this matter either by arbitration or compromise is very desirable, and that a Committee be appointed to co operate with other Committees from New-York or elsewhere, to visit Kentucky and petition the Legislature upon this subject. A contribution of 12½ cents per share was laid to pay the expenses af this Committee.

DR. McMUNN'S ELIXIR OF OPIUM. A NEW chemical preparation of Opium, embracing all the valuable medicinal properties of Opium to the exclusion of those which are deleterious and useless. The Morpiine Codein and Narcein in combination with the native Meconic Acid, are all retained in their original purity, and hence the superiority of this preparation. It is much preferable to every other form of opiate, such as Laudanum, Paregoric, Morphine, Denarcotized Laudanum, &c., &c., as has been fully proved and duly acknowledged by the most eminent surgeons, physicians and chemists. Its use is not followed by any of the disagreeable effects which invariably attend the ordinary preparations of Opium, such as constipation, headache, tremors, nausea and vomiting, but it may be taken in sufficient doses to allay all suffering, with perfect safety and entire success. For farther particulars, of its trials in hospitals, &c., see directions with the medicine.
