FRIDAY, P. M.

There was a fair amount of business at the Board to-day, and a better feeling prevailed. Delaware & Hudson sold as high as 91½, but closed at 90¾, an improvement of ¾ per cent. Long Island was firm; Harlem closed at 8; Mohawk improved 1½.

State Stocks were better and Ohio Sixes improved 6 per cent. A sale at the Second Board was made at 60, s 3 days, which is a shade better than 60, cash. Indiana Fives improved ½ per cent.

The Banks, we understand, have discounted rather more liberally to-day than for some time past, but still throw out a large portion of the offerings. The street rate is 12 per cent. for the best paper.

Letters from Boston state that Messrs. Jas. Read & Co., a very heavy dry goods importing house, have failed. Their liabilities are $700,000. S. S. Lewis, Agent of the Cunard Line, has also failed. We have also accounts of the failure of a heavy Exchange House in Baltimore.

Some rumors affecting the standing of the Clinton County Bank have prevailed within a few days. They probably originated in the circumstance that during a part of a day the agency at Albany ran dry. The Bank is much contracted and may yet push through.

In consequence of the great doubt resting on the Philadelphia Banks, most of our brokers refused to buy to-day, except those of the strongest Institutions.

The Rochester Post says that the Farmers' and Mechanics' Bank has resumed the payment of its liabilities in specie.

At the meeting of the Philadelphia Banks last night, it was resolved to resume specie payments this morning. The following Banks assented: *Philadelphia Commercial, North America, Farmers' and Mechanics', Southwark, Northern Liberties, Western, Kensington, and Germantown.* The other Banks present having accepted the Relief Law, declined voting, but stated they had made preparations for immediate resumption. The Philadelphia and Farmers' & Mechanics' are paying out their own notes to some extent. The Moyamensing and Manufacturers would also probably resume to-day. The Manufacturers' and Mechanics', and Moyamensing kept open after Bank hours yesterday paying out funds.

MEMORANDA.

The U. S. steam frigate Missouri went on trial of speed yesterday from the City around the Beacon Light, 15 miles outside Sandy Hook, and was gone 7 hours. The whole distance is 62 miles.

MARRIED:

On Thursday, March 17, by the Rev. Dr. De Witt, Henry Mairet, Esq. of Bellville, N. J., to Miss Thompson, of this city.

At Brooklyn on the 17th inst. by the Rev. Wm. H. Lewis, Chas. H. Baxter, to Henrietta, youngest daughter of Nathaniel W. Smith, Esq., all of that city.

At Brooklyn, 17th inst., by the Rev. Dr. Milnor, David L. Savre, to Blanche E., youngest daughter of J. F. Dominick, all of this city.

DIED:

On Friday, 18th inst., after a short but severe illness, Mrs. Frances D. Sheffield, wife of Chas. W. Sheffield, in the 38th year of her age.

The friends and acquaintances of the family, and those of her brother, John Vertue, are respectfully invited to attend the funeral on Sunday, 20th inst., at half past 4 o'clock, P. M. from her late residence No. 61 Avenue D.

On Friday evening, 18th instant, at the residence of his brother, 57 Third Avenue, Pierre D. Van Rensselaer, eldest son of J. Hutsen Van Rensselaer, late of the city of New-York, deceased.

In Princeton, N. J, on Tuesday morning, the 15th inst., Mrs. Annis Thompson, wife of John R. Thomson, daughter of the late Hon. Richard Stocton.

At Poughkeepsie, on the 6th inst. of inflammation of the lungs, Mrs. Rebecca Lewis, aged 66 years, widow of the late Philo Lewis, of Paterson, N. J.

Peekskill, Carmel and Danbury newspapers are requested to insert the above.

At his residence in this county, on the 4th inst., Dr. Thomas Prince Hinton, aged 30 years. In the death of Dr. Hinton, his family, friends and the neighborhood have experienced a severe affliction and loss: to the first he was an affectionate husband and father, and kind master—with his friends he was sincere and generous, and in this and the adjoining county he was useful, enterprising, and in his dealings strictly just and liberal.

How soon is hope cut off!—'tis like a dream,
Or like a pleasant summer evening gone;
The sight was fair, and charming was the scene,
But dark'ning shades brought on a solemn gloom!
Around his tomb we'll tread with cautious step,
And weep when we reflect how short his time:
Still cherish in our hearts the joyful hope,
That he in Heaven a brilliant star doth shine!

IMPORTANT!!—By the use of Gridley's Salt Rheum Ointment, I have been perfectly cured of one of the most obstinate cases of Salt Rheum I have ever known, of ten years' standing upon both of my hands; the pain and irritation have been so severe at several times as to confine me to my room for weeks, and to impair my health very materially. I have visited mineral springs, celebrated for the cure of cutaneous diseases, have followed the prescriptions of several Physicians, and have used all the remedies I could procure during the last 10 years without benefit; indeed I had despaired of being cured. My hands were very bad when I commenced using Gridley's Ointment, and continued to grow worse during the first ten days, as the Ointment increased the pain very considerably; after the remedy had overcome the disease, the Ointment had a soothing and pleasant effect, and a perfect cure was effected by the use of five bottles, which is about two years since, and there has not been as yet the slightest indication of a return of the disease. I feel confident that it is a final cure, and would advise persons afflicted with this distressing and lasting disease, to make trial of this invaluable Ointment, fully believing that the most obstinate and long-standing cases will yield to it, by a faithful and persevering use, agreeably to directions. MARY PATTY.
