Commercial and Money Matters.

THURSDAY, P. M.

The operations at the Stock Board to-day were to a limited extent, and without material change in rates. Delaware & Hudson declined ¼; Bank United States sold at 3½.

State Stocks were generally firm, but the transactions were not large. New-York Stock were slightly better: Ohio Sixes declined ½; Alabama Fives sold at 50. The western fancies were firm.

In Exchanges there is not much doing. Sterling is 7 a 9½; the latter for prime bills. Francs 5.37½. Southern Sterling is very heavy.

About $50,000 in specie was received yesterday from Vera Cruz.

New York has contributed between $900,000 and $1,000,000 in specie to sustain resumption in Philadelphia.

The Clinton County Bank Notes are selling at from 35 to 50 per cent. The Chautauque Bank, and Bank of Lyons, are looked upon to-day with considerable distrust. A large portion of the currency is made up of the three above named Banks, and being somewhat extended, the brokers are afraid of an explosion.

The circulation of the orders of the Ohio Railroad Co. at Cleveland, which broke a short time since, is $10,000. The Treasurer states that he fully believes the means of the Company fully adequate to the discharge of all its liabilities. Doubtful.

The Philadelphia Inquirer says—"Our Banks continue to pay specie, and the demand has nearly subsided. Our Money Market is still very tight, 2 and 2½ per cent. a month for fair paper out of doors."

The New Orleans Advertiser of the 13th inst. says—"We have now to record the fact of the disappearance of Edmark Yorke, President of the Exchange Bank, and Richard Brennan, Cashier of do. The name of the Teller of the Atchafalaya Bank, who has also disappeared is Simon O'Callaghan. Why these persons have left the city, it is not fully known. Of Mr. O'Callaghan, they assert that he is a defaulter, though nothing is known positively. His bonds have run out, and never been renewed. In regard to Mr. Yorke and Mr. Brennan, the causes of their disappearance, at this juncture, are not known. Various rumors are afloat reflecting them. We understand that Messrs. Yorke and Minturn were securities on the bonds of the Canal Bank for the imprisonment of Condy."

New-York Markets.

ASHES—There have been sales of 100 bbls Pearls for export at $5 50, and 15 bbls Pots at $6 25—a decline.

COTTON—The sales yesterday reached about 1000 bales; to-day the market has been rather quiet.

FLOUR—There is no important change in the market.—There is no Genesee to be had at less than $6 50, at which some 1,500 bbls have been sold; in small lots $6 62½ has been obtained. No Troy afloat, and the principal part in store is withdrawn from market. Sales about 1000 bbls Germantown and Baltimore City, at $5 62½ for shipment; but Germantown is now held at $6 00. Brandywine is held still at $5 87½ Baltimore City $6 00.

GRAIN—Sales 1200 bushels White Southern Corn at 54 cts, delivered for distilling. No sales Rye for the East—60 cts is paid. Oats are dull; sales 1000 bushels Southern at 42 cts; Northern we quote at 50 cts.

Trade of the City.

The weather during the past week has not been very favorable to out-door business, and upon the whole it may be said that for the season of the year business of all kinds was excessively dull. The Spring Sale of Books to the trade, commonly called the Trade Sale, commenced in this city on Monday morning and continues throughout the week.—The sale is well attended by booksellers from all parts of the Union, but except for the very choicest stock, the sales have been at extremely low prices. Money is not exactly scarce, but a want of confidence seems to render it difficult to keep it in the channels of trade. Our Merchants and our Banks have considerable country paper returned to them under protest, but it is thought that on the opening of the canal, country merchants will be able to push their produce through to market, and that they will then very generally be able to pay up.

Review of the Market.

Prepared for the N. Y. Tribune mainly from the Shipping and Commercial List.

DRUGS AND DYES—9 casks German Regulus Antimony, 15 cents; a small lot extra dry Verdigris, 33; 5090 lbs. Tonqua Beans, 18, all 6 mos.; and 10 bbls. good Western Castor Oil, 77 cents, cash.

FISH—There have been sales of 1,100 quintals fine large Dry Cod at $2 18¾; 600 do common $2 a $2 06¼, and some 2d quality as low as $1 87½, all cash; 3000 quintals still remain unsold. Mackerel continue very dull, and sales could not be effected at previous rates. A few bbls. rather poor quality new Shad have arrived from North Carolina, and sold at about $9 per bbl.

FRUIT.—Sales have been made of 2500 boxes Palermo Oranges at $2 12½; 900 boxes Lemons, $1 62½; 200 drums Turkey Figs, 4 cents; 150,000 Havana Oranges, in lots from the vessel, $15 a 17 50; 400 qr boxes Bunch Raisins, 300 cents, all cash; and 500 half boxes do, 55 cents, 4 mos. By auction, 3 0 bags African Pea Nuts, sold at 47½ a 50 cents per bushel of 32 lbs; and 66 cases Bordeaux Prunes, in small boxes, 54 a 64 cents, cash.

FURS AND SKINS—A sale of 8500 Cape de Verd Goat Skins has been made on terms not transpired.

HIDES.—The sales since our last have been 1800 Santa Martha at 10½c; 783 San Juan (18 lbs.) 13c, both 6 mos; 170 St. Domingo 10c; and 174 dry salted Cape de Verd 8c, both cash.

HORNS.—A sale has been made here of a parcel of 5,000 Rio Grande Ox, at the Eastward, deliverable there, at $8 per hundred, short time.

MOLASSES.—The market continues very dull, the trade generally being well supplied. We have only to notice sales of 192 hhds. Trinidad, Cuba, at 14c; 100 bbls. New-Orleans, 20¼, 4 mos; and 455 do, on terms we did not learn. Prime Porto Rico is scarce, and in some request.

NAVAL STORES.—The stock of North Country Turpentine suitable for shipping is small, though there is at present, no demand for that purpose, and our quotation may be considered rather nominal. Spirits Turpentine may be quoted 30 a 31c.

OILS.—The cargo of Whale recently received here, and some to arrive from the Eastward, in all 3,500 bbls, have been taken for export, at 35½c cash; 300 bbls sold for home use, at 37 cash. The sale of Crude Sperm mentioned in our last was at 77c 6 mos. Linseed is dull, and prices are a trifle lower: 2,000 gallons English sold from the wharf at 86c, 6 mos; and 1,500 do. best American in lots at 90 a 91c cash closing at the former rate. The stock of cask Olive continues to increase, with a very moderate demand. 11 qr. casks sold since our last at 95c, 6 mos.

PROVISIONS.—Beef and Pork have been in fair request for a few days past, without particular change in prices. The sales of Lard are at 5¾ and 5¾c for new Western, and 6¼ for City rendered. Pickled Hams command 4 a 5c; Pickled Shoulders 2 a 2½; Smoked Hams 6½ a 7½; and smoked Beef 6c. Prime Butter is scarce and wanted at 13 a 20c. For Cheese the demand is moderate at our quotations.

Export from 1st to 16th March.

Beef	1,677 bbls.
Pork	4,968 "
Lard	1,509 kegs.

SALT—We notice sales of 3,000 bushels Turks Island, on terms not made public; and 1,491 bbls St. Kitts, at 22 cents, 4 mos.

SEEDS—Clover is very dull; some small lots sold for export and home use at 8 a 8½ cents—the last sale of interior new was at 7½; old, we understand, can now be purchased at 7½ cents. The stock of Flax does not exceed 600 tcs. 150 of which are Clean; there is nothing doing except in Rough, which is taken in small parcels for crushing.

☞ The shipments of Flax Seed from this port being now closed, we annex the following statement, by which it will be seen that the exports the present season fell very materially below those of any previous one since 1822.

Cleared for Liverpool	2,114 tcs.

SPIRITS—Foreign continue dull, and the few sales of Brandy, &c., effected from day to day, do not merit special notice. Domestic Whiskey finds buyers at very low prices; 490 good Western bbls, sold in lots at 17 cents; and a small parcel at 16, cash or equal to cash.

SUGARS—The transactions of Saturday and Monday, (there being nothing done yesterday, owing to the inclemency of the weather,) embrace 650 hhds. Porto Rico at 3¼ a 5¾, with a few very prime at 6 cents; 200 New-Orleans, 4¼ a 5¾; 60 old and new crop St. Croix, 6½ a 8¼; 250 boxes brown Havana, 4½ a 5¾; and 60 white do. 6¾, all 4 mos. In relation to Muscovadoes, it must be remarked that notwithstanding the extremely low rates at which they are now selling, holders continue to exhibit a disposition to sell from the wharf; the trade, however, purchase sparingly, and the sales as noticed above, though large, have been mostly in small lots to supply immediate wants. By auction, 32 hhds. Porto Rico sold at 4½ a 4¾ cents; 40 boxes brown Havana, 4½ a 4¾; 20 bbls. clarified, 2½ a 3¼, all 90 days; and 10 hhds. New-Orleans, 2½ a 3½ cents, cash.

SUMAC—Is city is plenty and dull, and prices have a downward tendency—150 bags best Palermo, landing, brought $50; and from second hands, 100 bags, not fresh, sold at $40; and 100 do. fresh, at $46, all 6 mos.

TOBACCO—The market generally continues dull, and we know of no private sales worth reporting. The stock of Manufactured is said to exceed 48,000 packages. By auction, 154 boxes and half boxes Manufactured, sold at 8½ a 15¾ cts., cash.

WHALEBONE—An invoice of 19,000 lbs., very long and superior, received direct, has been taken for export at 28 cents, cash.

MILLINERY GOODS.—STEVENS & GRUMAN, 96 Beaver street, two doors from Pearl street, New-York, would respectfully invite merchants and milliners visiting the city, to call and examine their stock of Millinery and Silk Goods. It is their intention to keep constantly on hand goods of the most fashionable kinds, and to do business on the CASH SYSTEM, believing they can make it an object to those wanting goods in their line, to patronize them instead of the credit houses. They rely entirely on the cheapness of their goods for patronage. They attend the auction sales regularly and do get some great bargains which they will sell at a trifling advance from cost. LECTURES to Ladies on Anatomy and Physiology.—This is the title of a work, just issued by Mary S. Gove. Every female in the land ought to possess and read this book. The object of this work is not to show you when ailing what drug you must take, but to inform you correctly how to avoid the sickness and pain, and of course all drugging. It is an invaluable work for mothers, showing them the true cause of much of the pain and suffering they endure as mothers, and the true way of avoiding that pain and suffering. Numerous evils in the present habits and fashions of females are shown, and the evil of tight lacing is particularly dwelt upon and illustrated by cuts. The subject of diet and general regimen occupies a due proportion of the work, and, taken all in all, it is well adapted to the accomplishment of the good intended by the writer, and will not fail to aid much in the work of redeeming woman from her suffering and degraded condition.—Price $1.
