SECOND BOARD.

2000 Illinois 19

Sterling exchange is firm at 6½ a 7, but not much doing; Francs have improved slightly, selling $5 37½.

Domestic Bills are dull, but the change in rates is not material.

Another failure in the board occurred to-day. His liabilities are not supposed to be large. He was short on Mohawk.

It is stated in Wall-street that a portion of the State 7 per cent loan some $300,000 or $400,000 has been taken.

There was an increased demand for Treasury Notes to-day, and the rate improved to ½ a 1 per cent.

The Zanesville Bank has commenced that most reprehensible practice of issuing Post Notes. They have eight months to run. The Lancaster Bank will, it is supposed, in the course of next month, be able to redeem its circulation with Eastern Exchange, and the Franklin Bank of Columbus, in about four months, theirs in specie.

Boston and Worcester Railroad sold at Boston yesterday at 3¾ per cent. advance, and the Western Rail Road, at 7½ a 7¾ per cent.

The circulation of the Housatonic Railroad is stated at $60,000, for which all the property of the Company is pledged. The Company has not suspended operations, and was never more prosperous. In three months the road will be completed to West Stockbridge. So says the Bridgeport Standard.

James Canby, Esq., has resigned the Presidency of the Union Bank of Delaware, and John H. Price, Esq., elected in his place.

The Lexington, Ky., Intelligencer says that the Banks of Kentucky were willing to have resumed specie payments in full, at once; but deferred to the Indiana Banks, which desired the resumption to be on the 15th June next.

Markets.

ASHES—One or two small lots Pots sold to day at $5 87½.

FLOUR—For Genesee the market is very heavy, and sales have been made at a decline from $6 25. A sale of 400 barrels was reported at $6 12½. Indeed, at any price over $6 it is dull. Small lots Troy, afloat, at $6 18¾, and Ohio Canal, round hoop, $6. Low priced Southern is not plenty. Sales 600 barrels Richmond County at $5 81¼; Georgetown in lots at $5 37½. Sales 500 barrels Jersey Meal at about $3.

GRAIN—No Wheat in market. Corn appears more freely and is taken for the East. LIVERPOOL COTTON MARKET, April 1st—The demand for cotton continues limited, and freely supplied with the common qualities of American, which have declined ¼d per lb from last week's quotations, while the better maintain full prices. Of 1500 bags Sea Island and Stained, offered by auction, yesterday, 300 of the former and 100 Stained were sold at a decline of ¼d to 1d per lb from previous quotations. Some increase of demand and a little better feeling in the market has occurred to-day, though without the slightest improvement in price. The business amounts to 4000 bales, of which 500 bales American are for export, and the remainder to the trade.

April 4.—On Saturday the sales amounted to 4000 bales, of which exporters took 600 bales. To-day the business will amount to fully 4000 bales including 100 Pernam, and 200 American for export. CITY INTELLIGENCE.

Reported for The New-York Tribune.

TUESDAY, April 21.

CIVIL COURTS.

In the Superior Court an action was brought by Edward Dunscombe & Co. against the Agency of the Georgia Insurance Company to recover $2,500, insured in 1838 on the sch Boyer, the policy to be in force 6 months and the vessel to be employed "in the West India Trade." During the six months the vessel went from Jamaica to St. Martha a port on the Spanish Main, where she was wrecked during a gale of wind. The company refuse to pay, alleging that the Spanish Maine is not included in the "West India Trade." Several witnesses testified as to the custom of loose ness, but their evidence strongly conflicted—some averring that the "West India Trade" meant all the ports in the Caribbean sea, and others that it was confined to the Islands. The jury gave a verdict in favor of plaintiffs for $2,342 30, being principal and interest, subject to the opinion of the Court on the point of law.

U. S. MARSHAL'S OFFICE.

Captain Weare, of the ship Mary Kingsland, and his first mate, John Peterson, were arrested on the complaint of one of the seamen, cousin to the Captain, named William K. Weary, charged with assaulting him with dangerous weapons (the former a handspike and the latter a capstan bar.) The mate was engaged in a scuffle with the seaman, both of them being armed. The captain interposed, took the bar from Weare, and struck him with it, though not seriously to injure him. After an examination the complaint was dismissed.

COURT OF SESSIONS.

(Before the Recorder and Judges Lynch and Noah.)

FORFEITED RECOGNIZANCE.—Robert Suttward William E. Tietland, indicted for burglary in the 3d degree, in breaking into the Exchange Office of Samuel T. Baker, 1 Chatham square, on the night of the 29th of January, 1841, and stealing in gold, silver, and bank bills of the value of $—94—failing to appear and answer, their recognizances amounting to $1,000, were forfeited.

TRIAL FOR FORGERY.—Stephen Warner was tried for forgery in the 2d degree, in having on the 21st of February last, attempted to pass a $5 counterfeit bill of the Traders' Bank of this city, to James Armstrong, 459 and 460 Hudson, in payment for 25 cents worth of tea and cheese. He gave a wrong place of residence; the bill was detained and he arrested. He then offered to pay in change for the tea and cheese if complainant would tear up or return him the bill, which he refused. The jury were unable to agree and were discharged.

SECOND TRIAL FOR FORGERY.—Samuel Pool was tried for forgery in the 2d degree, in passing a $10 altered bill, purporting to be of the Bank of Meriden, Connecticut, to William F. Goodman, Tailor, No. 76 Nassau-street, on the night of the 10th February last in payment for a $1 pair of drawers. Prosecutor passed a similar bill to Mr. Gosling and another to Mrs. Rathbone the same night within half an hour of passing the first. The Jury found him guilty.

FORFEITURES.—Samuel Poole, Mark Pagly, Francis Hall, Henry Wilson and James Nesbit, indicted for riot and assault and battery, failed to appear and their recognizances were sued.

The jurors were discharged for the term. Adjourned.

POLICE OFFICE.

THEFT OF A COW.—A colored man, named Jacob Lewis, was arrested and taken to the Upper Police Office, charged with having stolen on the 9th of March a reddish cow worth $18, from the yard of Thomas Holmes, in 30th street, which he sold on the 28th ult. for $9 to a man names Barringer. Committed to answer.

PROPERTY FOUND CONCEALED.—Officer Stokely, in arresting a man charged with felony, found concealed in the cellar of the house of the accused, in which there was two or three feet of water, a barrel of Lagenia Copper, and two baskets containing about 100 to 150 pounds of Cavendish tobacco, which had been stolen and for which owners are wanted.

CHARGES OF RIOT.—Officers Bowyer, Stokely, Tappan and others, on Wednesday evening, arrested at the Pewter Mug public house, in Frankfort street, Michael Walsh, charged with having committed, with others, a riot on the day of the Charter Election, and also charged with an assault with intent to steal. He was ordered to enter bail in $1,000 to answer and $500 to keep the peace, both of which he gave in perfectly satisfactory security, and was discharged.

William Ford, also charged with participating in a riot on the day of the recent election, was yesterday arrested and ordered to find bail in $1,000, and furnishing good security in that amount was discharged.

SELECT CLASSICAL and Commercial Boarding Academy, for a limited number of pupils, at Shrewsbury, New-Jersey.

Rev THOMAS CLARK, on Monday, May 9th, will open a School for the instruction of youth in the usual branches of a literary and commercial education.
