FIRE IN BALTIMORE.—A fire destroyed the extensive ropewalk of G. A. Van Spreckleson on Fell's Point, with three adjoining dwellings, on Friday evening last. The ropewalk was nearly half a mile long, cost $20,000, and was insured for $10,000. It was fired in several places—by an incendiary, of course.

☞ A man calling himself Andrews, on the 27th ult. presented a note for $500, signed by J. Bean, to the Bank at Belfast, Me., and received the money. It was soon found to be a forgery: Andrews, whose true name proved to be Bickford, was pursued, caught, and shut up in a room in the Hotel, to be confined till bail could be procured: but he chose to give log-bail. He got out at the window and made off.

☞ A slave belonging to the Railroad Company was killed at New Orleans on the 4th, by being cut to pieces by a large scythe fixed upon a car to keep down the grass on the margin of the road.

DEATH BY LIGHTNING.—In the south-western part of Brookfield, on the place lately owned and occupied by Dr. Usher, on the 11th inst. about 10 o'clock in the morning a man by the name of Handy was at work, with a boy about ten years old in the field, when a slight shower of rain came up, and they ran to a small hay-barn that stood in the lot, and sat down together near the door. They had not sat there long when the electric fluid dropped from the cloud over them, which was a very thin one and from which but very little rain fell, and passed down a post of the barn, riving it into shivers, and struck Mr. H. and killed him instantly. The only mark of violence about him was a slight mark upon his head, and a small hole in his hat. The boy was not hurt.

It may be of service to some one to know that many persons struck apparently dead by an electric shock have been restored by pouring cold water upon them. [Hamilton (Madison Co.) Palladium.

STAGE ACCIDENT.—On Friday, 6th inst. the Opposition Stage from Pottsville upset about two miles this side of Bear Gap. Three of the passengers were badly injured, one of whom had his collar bone broken, and was otherwise so severely hurt that he had to be taken to a neighboring house; and doubts are entertained as to his recovery. It is said the accident was caused by racing between the regular mail line and the opposition stage. It is to be regretted that through the recklessness of the drivers human life should be endangered. [Danville (Pa.) Democrat.

HORRIBLE AFFAIR.—A frightful crime was perpetrated a few days ago at Gretna, opposite Lafayette. An individual named Balthazar Arengo Y. Borbon, presented a family named Jecks with a bottle of Anisette impregnated with poison. All the family were taken sick from drinking of it, and one of them, a young lady, Miss Malvina Jecks, died after excruciating suffering. The cordial has been sent to several chemists who are now engaged in its analysis. Arengo was arrested and is now undergoing examination. [N. O. Bee.

CITY INTELLIGENCE.

SATURDAY, May 14.

POLICE OFFICE.—PICK-POCKET ARRESTED.—This morning, about 9 o'clock, as Mr. Ira C. Johnson, Postmaster of Woodstock, Ohio, was standing at the window of the Post-Office in this city, his coat pocket was adroitly picked of his pocket-book containing from $1,100 to $1,200 in Eastern bills, and from $100 to $150 in bills of Western banks, by an old State Prison convict named Isaac Bradshaw, alias Shaw. A gentleman who had seen Bradshaw before in an attempt to rob the desk of a barge on the North River, for which he was sent to the Penitentiary, recognized, watched him, and with another gentleman saw him pick Mr. Johnson's pocket. The gentlemen then said to Mr. Johnson, "your pocket has been picked," and pointing to Bradshaw seized him before he could withdraw, and told him, "Sir, you have got this gentleman's pocket book—give it to him." Bradshaw pulled the pocket book and money out from under his vest and handed it over to its owner, with its contents. He was then conducted to the Police Office, examined, committed and indicted by the Grand Jury shortly afterwards for trial.

OWNERS WANTED.—An owner is wanted by officer Stephens, 6th Ward officer, and officer Bowyer, for a brindle cow, taken from a person supposed to have stolen her. She is now in charge of officer Stephens, station house, Five Points. Also, by officer J. McMahon, 6th Ward officer, for a bolt of entry or hall oil cloth, taken from a person supposed to have stolen it.

SURGERY.—Two men named *William Walker* and *James Maxwell* were arrested about ½ past 1 o'clock this morning, by watchmen Blanwelt and Charles Taylor found in the boot and shoe store of Mr. Poindexter, No. 114 Church street, which they had by burglariously entered by forcing the front door. The store of Mr. Poindexter was entered on the 4th instant, and about $35 worth of boots and shoes stolen—both men were fully committed.

PETTY THEFTS.—*John Brady* was arrested for stealing a hand cart worth $20 from James Howell, No. 59 Vesey-st. *William Williams*, for stealing a box containing 250 cigars from the store of John Van Bergen; and *Joseph Phillips*, for being found on board the schooner President, lying at pier No. 14, E. R., quietly wending his way, sans shoes or boots, into the cabin for the purpose of pilfering. They were all fully committed.

CORONER'S OFFICE.—The body found on the North River on Friday, near Pier No. 2, mentioned in our last proved to be that of Thomas Mera, a native of Ireland, aged from 45 to 50, formerly a broker in good circumstances, latterly much reduced. Verdict, found drowned.

SATURDAY, May 14.

A rumor is current in Wall street on pretty good authority that $5,000,000 of the Federal Loan has been taken at par, on New York and Eastern account. The state 7 per cent. loan has been taken the except. not a small amount, some $50,000. This will afford much relief to contractors, and through them to all parts of the State. The City 7 per cent. loan which is closed is quoted at ¼ per cent. premium.

MILLINERY GOODS.—STEVENS & GRUMAN, 95 Bowery-street, two doors from Pearl street, New-York, would respectfully invite merchants and milliners visiting the city, to call and examine their stock of Millinery and Silk Goods. Their stock is entirely NEW, and has been selected with the utmost care. Having entered the market early, they have had the benefit of FIRST SELECTIONS from the importers and auctions, and having bought their goods for cash, they believe they can offer, not only the cheapest, but the best selected assortment of goods in their line to be found in the city. It is their intention to keep constantly on hand goods of the most fashionable kinds, and to do business on the CASH SYSTEM, believing they can make it an object to those wanting goods in their line, to patronize them instead of the credit houses. They rely entirely on the cheapness of their goods for patronage. They attend the auction sales regularly and do not let some great bargains which they will sell at a trifling advance from cost. Call and see.
