## Money

MADE BY INVESTMENT, NOT SPECULATION, IS WHAT SHREWD BUSINESS PEOPLE ARE MOST INTERESTED IN. WASHINGTON MATCH CO., INC., HAVE "A MATCHLESS PROPOSITION" FOR INVESTMENT—NO SPECULATIVE FEATURES WHATEVER—ON THE MARKET TODAY.

Organized under the laws of the State of Washington, with a capital stock of \$1,200,000, divided into 240,000 shares of a par value of \$5.00 each, fully paid and non-assessable; absolute owner of the latest and best up-to-date match-making machine in the world, officered and managed by well-known practical match manufacturers, WASHINGTON MATCH CO., INC., offer a ground-floor proposition—TO INVESTORS—of one dollar (\$1.00) per share for stock; money secured thereby to be used in building a factory—200x200 feet and four stories—fully equipped with Hole's match machine and all other necessary machinery incidental to the business.

## Two-Thirds

OF THE MATCHES USED IN AMERICA ARE IMPORTED FROM EUROPE, THUS AN IMMENSE

HOME MARKET IS ASSURED US, TOGETHER WITH GOOD PRICE AND PROFIT.

We are not making a new article, but an old staple product in a marvelously rapid manner and economical cost; producing the "finished product" at one-fifth the cost for labor, and a saving of 50 per cent in material. Ratio of comparison with the "best other machine in the world" is as 960 to 50. Our machine will practically revolutionize the business.

## Profit

IN THE MATCH BUSINESS IS SO LARGE THAT MANUFACTURERS OF MATCHES BY THE OLD HAND PROCESS

CAN COMPETE SUCCESSFULLY WITH THE MODERN FACTORY WELL EQUIPPED WITH MACHINERY.

This cannot be said—in truth—of any other manufactured product in the world today, and you may learn many other interesting facts about investment in a matchless MATCH PROPOSITION by calling on or writing to
