CITY INTELLIGENCE.

MONDAY, May 30.

LAWYER'S DIARY FOR TUESDAY, MAY 31.—COMMON PLEAS—Part 1. 19, 27—Part 2, in the Superior Court use at 10 o'clock. 14, 15, 30, 46.—CIRCUIT COURT—100, 108, 116, 122, 123, 129, 130, 131, 132, 133, 135, 136, 137 142, 143, 30, 141, 142, 143, 144.

BOARD OF ALDERMEN.—The Board met at 5 o'clock, the nine Whig members only attending.

The minutes of the last meeting were read and approved.

Ald. Davis presented a resolution that the rules of the last Board be adopted; carried.

On motion of Ald. Carman, a Committee consisting of Ald. Carman and Jones was appointed to inform the Board of Assistants that this Board was organized and ready to proceed to business.

Ald. Davis, from the Committee appointed at the last meeting to wait upon the Mayor and inform him of the organization of the Board, reported that they had performed that duty and were discharged.

On motion of Ald. Davis, the Joint Rules of the last Board were adopted for the ensuing year.

PETITIONS—Of George L. Havenmeyer and others to have sidewalks in 13th street, between the 8th and 9th Avenues flagged. Of 200 weavers of the 16th Ward for employment. Bill of Wm. J. Roome for amount of damages sustained by him in consequence of a fire on the 1st of May. All laid on the table.

The President appointed the following as Standing Committees of the Board; standing that the remaining committees would be appointed at the next meeting, viz: on Finance, Ald. Underwood, Jones and Leonard; on Lamps and Gas, Ald. Balls, Bonnell and West; on the Croton Aqueduct, Ald. Davies, West and Smith.

RESOLUTIONS ADOPTED.—By Ald. West, that if the Board of Assistants concur, the two Boards will meet in Joint Ballot on Tuesday, the 31st inst. at 4 o'clock. By Ald. Underwood, that Charles King be appointed Printer to the Board of Aldermen in the place of Bryant & Boggs.

By Ald. Jones—Whereas, the Legislature of the State did, at its last session, pass a law imposing a tax of one mill on the dollar, which said tax for the city will amount to $250,000 to be wrung from the tax-payers of this city. *Therefore Resolved*, That if the Board of Assistant Aldermen concur, it be referred to a joint committee of three from each Board to take into consideration the necessity of reducing salaries and retrenching all unnecessary expenses incident thereto; adopted, and Ald. Jones, Underwood and Hatfield appointed the committee.

By Alderman Balls, That the Alderman and Assistant of the 1st Ward be and are hereby authorized to appoint a suitable person as assistant-keeper of the Battery from the 1st day of June to the 1st November, at a salary of $1 50 per day. Adopted.

On motion of Ald. Davies, the papers presented to the Board on the day of organization relative to the election of the Aldermen of the 8th Ward be referred to Special Committee, consisting of Aldermen Davies, West and Leonard.

The Board then adjourned to Tuesday afternoon at 4 o'clock.

CIVIL COURTS.—In the Circuit Court an action of Trover was brought by John V. Greenfield against P. & M. Doran, to recover possession of the celebrated establishment at New Brighton, known as the Pavilion Baths, which had been erected by Mifford, at a great expense, in 1836.—The plaintiff is assignee to Mr. Van Pelt, to whom Mifford had previously assigned. The defendant's claim to hold the Baths under an arrangement with Mr. M. who owed one of them a large sum for borrowed money. Verdict for plaintiff in nominal damages of 6 cent.

In the same Court James B. Beers brought an action against William Jones, to recover the amount of a note for $60, which had been endorsed to him by Henry Woolley, on which defendant refuses to pay on the ground of its being a gambling debt. It appeared in evidence that Woolley and Jones had played cards all night in a public house at Long Island, during which time Jones lost $300, and gave the note in question. Verdict for defendant.

In the Circuit, also, Gideon Stevens and others brought an action against James Thompson, to compel him to pay a large sum of money due by the late firm of Thompson & Kelly, (the senior partner brother to defendant,) on the ground of his recommending them as being good and indeed plaintiffs to part with their property, by knowing the firm to be insolvent at the time, and being a preferred creditor on their failure. A motion for non-suit was made by Mr. Gerard, and finally granted.

POLICE OFFICE.—STEALING A COAT.—A man named Dennis Carn was arrested on Sunday night in the act of stealing an over-coat, worth $20, from Emery T. Prase, No. 51 Green-street, for which he was fully committed.

STEALING A STOVE.—John Mahony was arrested on Sunday night, and committed to-day on a charge of stealing a stove, which was found in his possession in Mulberry-street.

JUVENILE THIEVES.—On Sunday night John Keef and another boy slipt into a porter house in New-street while the owner was dozing, and robbed the money drawer, which they placed on a board. They were interrupted, however, in their operations, when the other boy fled and escaped. Keef, however, was captured with 150 pennies on his person, and was committed to prison.

A Slave Rescued—Assault and Riot.—Mrs. Terenia Burke of New-Orleans and her brother, Mr. Mathew Morgan, having recently arrived hither with a female slave named Julia Green, and taken up their residence at No. 712 Broadway, some of the friends of abolition on Saturday used out a writ of habeas corpus before Judge Oakley of the Superior Court, citing Mrs. Burke to produce said slave before him at Chambers on Monday. She was brought there accordingly. After a partial hearing, the case was adjourned over to Tuesday, when as Mr. Morgan was taking the slave to her mistress, they were surrounded near the City Hall by a large mob of white and colored men, who rescued, contrary to her avowed wishes and carried her to a house in Church street, between Anthony and Leonard. Officers were sent with Mr. Morgan from the Police to recover the slave, who, as did much resistance and violence, searched the house, but could not find the slave, who had been spirited away. Mr. Morgan was assaulted and the officers rather roughly handled—but they succeeded in arresting a colored man named James Hudson, who was identified by Mr. Morgan as one of the ringleaders in the rescue, as one also who had assaulted him, and he was committed. It is said the crowd of white and colored persons who assembled and co-operated in Church street numbered 1000.

A FURTIVE FEMALE.—A female named *Mary Farrell* alias *Riley*, was arrested to day by officers Colvin and Relyea, charged with having, on the 26th April, stolen silver table and tea spoons, knives and forks, tea bottles, table cloths, and men's and boy's clothing, India rubber overcoat, &c. worth $45 50, from the house of John R. Townsend, Washington place corner of Mercer-street. Part of the property was found in her possession and pawn tickets for the residue, and she was committed to answer.

CORONER'S OFFICE.—SUICIDE.—The Coroner held an inquest at 112 Laurens street, in the rear, on the body of Homer C. Burke, a native of Connecticut, aged 35 or 37 years. The deceased was a manufacturer of military equipments, and his business becoming unprosperous, he became desponding in mind and intemperate in habit. On Sunday, at 2 o'clock, he was discovered lying on the bed, apparently very ill, with a laudanum bottle empty near him. A physician was sent for, to whom he confessed he had taken a large quantity of laudanum, and remedies were administered for his recovery, but without effect, as he died at 6½ o'clock the same evening. Verdict—Committed suicide by taking a quantity of laudanum.

The Coroner also held an inquest at the corner of First Avenue and 11th street, on the bodies of two female infants, apparently twins, who were found in a pine coffin lying on the surface of the ground of the Catholic Cemetary at the above place. Verdict, found dead.

☞ **Lost Child.**—In September last, a little boy aged four years, was taken from his father, who, in consequence of his intemperate habits, was considered unfit for the charge of him. That father is now a reformed man, and his heart yearns after his only son. If any one can give information concerning such a child, they will relieve the agony of a father's heart. He is now in a state of the most painful suspense, not knowing whether his child is dead or alive. The name of the child was John Patrick Cannon.—All enquiries concerning him have heretofore proved unavailing, but perhaps this notice may reach the eye of some one who can give information concerning him. In Foreign Exchange the business is very light. Sterling 8 a 8½; France, 5 55

The demand for Domestic Bills has not been large to-day. Mobile is very heavy almost nominal at 30 discount; New Orleans in demand at 2½ a 3. We quote—

Boston	par a ¼	Mobile	— a 30
Philadelphia	par a ¼	New-Orleans	2½ 3
Baltimore	par —	Nashville	18 a —
Virginia	3½ a 4	Louisville	3½ 3½

We understand that the Comptroller has made proposals to our banks, which have made temporary loans to the State, to give in payment Seven Per Cent Bonds of the State payable in seven or nine years. Most of the banks, it is understood, have accepted the proposals.

At Philadelphia there has been rather more animation in the stock market. A slight rise has also been experienced in the list generally. The improvement has been most marked in the State Loan. Large amounts of U. S. Bank stock also changed hands at improved rates. Domestic Exchanges have generally improved, except Mobile.

The Pittsburg American says doubts are again raised as to the credit of the Merchants & Mechanics' Bank of Wheeling. Some of the brokers are buying it at 20 per cent discount. In addition to this, we saw a protest of one of their drafts to a merchant of this city on New York, for non payment. And yet we are told, that the Cashier of this bank has gone on to Richmond to make arrangements with the Eastern Virginia Bank for an early resumption of specie payments!

Another account says the notes of the Merchants' & Mechanics' Bank of Wheeling are considered good by some of our most intelligent merchants, but as that bank is not just now able to furnish Eastern funs as fast as required, its paper is at a discount in this city of 14 per cent. Erie Scrip is looking up and is bought at 15 discount.

We see it stated that the stockholders of the Belmont Bank of St. Clairsville, are taking measures to close up the affairs of the bank immediately. They divide the discounted paper amongst the stockholders, and sell the banking house. Their circulation is about $2000.

The Sangamo Journal, (Springfield, Ill.) of the 14th, says that the branches of the State Bank at Chicago and Jacksonville have been discontinued; their specie is deposited with the mother bank.

The Nashville Whig of the 19th, says the Union Bank commenced drawing on the East yesterday at 15 per cent prem. to what extent the bank will be able to supply the demand, we are not apprised.

At Cincinnati in trade there appears to be generally a better spirit, and capitalists are beginning to make investments, with a hope of reasonable gain by so doing. Most of the operations in Produce are confined to Flour, Whisky, Lard and Bacon. The currency of the State may now be said to be fairly based upon specie, and confidence between man and man is being restored. Most operations, however, are as yet with cash, and Exchange upon the East still lower than at the date of our last report.

The Louisville Journal of the 23d, says we have no alteration to note in the money market, except as the New Orleans banks.

One of the banks of this city commenced paying specie to-day in full, and the others, though they do not announce it, are, we believe, paying all demands actually made upon them.

At St. Louis Exchange ¾ prem. for specie. The market is getting to be better supplied.

All descriptions of business have been in a languid state during the week. The amount of money in the city is absolutely insufficient to meet the notes which are daily maturing. After resumption a gradual improvement in the state of affairs will, in all probability, take place—for the the Bank of Missouri ought to be in a condition to afford some relief.

City and country money forms the principal part of our out-door circulation. Minors' Bank money is in bad odor, although the managers promise to resume with the Illinois and other banks. State Bank paper is growing worse.
