CITY INTELLIGENCE.

THURSDAY, July 14.

COURT CALENDAR FOR FRIDAY.—Circuit Court—Nos. 1, 4, 5, 7, 25, 29, 36, 74, 105, 124, 125, 126, 128 to 135, 136 to 141.

BOARD OF SUPERVISORS.—Alderman Ballis in the Chair, all the members being present.

The minutes of the last meeting were read and approved.

The Chairman announced the following standing Committees:

On Annual Taxes—Messrs. Underwood, Jones and Leonard.

On Civil Courts—Crolius, Purdy and Woodhull.

On County Officers—West, Godney and Lee.

On Criminal Courts and Police—Woodhull, Stuart and Bonnell.

A bill of J. S. Edsall, Park Row, for lodgings to the jury and attendant officers at the trial of Col. Edwards, amounting to $38; and also one from Thomas Jeffrey, for his salary as day officer of the Third Ward, were presented by the Chairman, and referred.

SALARIES OF JUDGES LYNCH AND NOAH.—The Recorder offered the following resolution

Resolved, That the Comptroller be directed to pay the Judges, James Lynch and M. M. Noah, the amount of salaries due to them respectively, with the interest that has accrued thereon, and that in future he pay those salaries quarterly, as they shall respectively become due.

The Recorder remarked that he presented the resolution as detached from the costs which have accrued, as they being a subject for future and distant action.

Some objection was offered by Alderman Purdy. The Recorder replied that Judge Lynch had been kept out of his salary for over two years, and it was time he should be paid.

The Resolution was adopted, 11 to 7.

Two bills, amounting to $150, for ammunition furnished to the military on the 4th July, were presented by Alderman Leonard, but withdrawn, as they belong to the Common Council.

The Supervisors presented their lists of Grand Jurors, which were confirmed.

The Board then adjourned.

CIVIL COURTS.—In the Circuit Court an action, in which Joseph Gosling was plaintiff in error and Charles Seymour and Charles F. Seymour, defendants in error, sent from the Supreme Court to test the facts in the case, was brought up. It was to test the question whether Mr. Gosling was an *infant*, (or not 21 years of age,) on the 8th August, 1839. Mr. G., (who is a carpenter,) contracted with Mr. Robt. L. Patterson to put up a block of buildings for him in Tenth-street. Mr. P. failed, and several notes he had given to Mr. Gosling, and which the latter had endorsed and passed away, were protested. Among them one for $400, given to Messrs. Seymour, which they sued for and recovered judgement in the Common Pleas. It was contended that the endorsement was not valid, Mr. G. being a minor at the time, and would not be 21 till the succeeding fall, and the case was carried up on a writ of error. The testimony was contradictory. The plaintiffs father, however, testified that he was born in Philadelphia in October, 1818, he endorsed the note in August, 1839, so that he was not quite of age at the time. The jury found for plaintiff, thus declaring the endorsement to be invalid.

In the Circuit Court an action was brought by Frederick Tracy, and others, against Mrs. Clarissa Howard, joint assignee (w. H. Phillips, late dry goods dealer, of Chatham-street, to recover the amount of a note for $412, on which she was an endorser. Mrs. H. declared the endorsement to be a forgery, but the note was mentioned in the assignment, and she became a party by accepting the schedule. The question then was, had she been notified in season. The protest was on the 15th October—should have been mailed on the 16th, but great doubt existed as to whether it had been till the 17th, which latter the Court declared would be too late. A verdict will be rendered to-morrow morning.

COURT OF SESSIONS.—Before the Recorder, Judges Lynch and Noah, and Alderman Leonard.

PLEA OF GUILTY.—Elizabeth Comstock, alias Finch, indicted for grand larceny in stealing silver-ware, worth $145, and a diamond ring worth $400—the whole $545, from Ald. Richard F. Carman, of Fort Washington Point, in the 12th Ward, on the 28th June last, withdrew her plea of not guilty and pleaded guilty to the indictment. Plea received and recorded, and the Court sentenced her to the State Prison for 2 years.

CASE OF CHARLES F. MITCHELL.—W. Shaler, Esq., acting District Attorney in the absence of Mr. Whiting, at Utica—moved the Court to proceed to pass sentence on the Ex-Honorable Charles F. Mitchell, convicted of forgery, who was brought on here on Wednesday evening from Philadelphia, and surrendered by his bail. The Court stated that they would pronounce the sentence of the Court on Mitchell on Friday, the 15th inst.

TRIAL FOR GRAND LARCENY.—Francis Collins was put upon his trial for grand larceny, in stealing a finished and two unfinished watches, worth $35, from Henry Pitkin, of No. 55 Nassau-street, on the 30th June last. He attempted to sell one of the unfinished watches at the store of Jared L. Moore, in Chatham-street, where it was detained and the prisoner, who left, traced out and arrested. It was proved for defence that a stranger brought the unfinished watch into a porter house corner of Centre and Anthony streets, where prisoner was and wished him to sell it for him and to give him all except three shillings that he got for it. He took the unfinished watch and the man went away. The jury found the prisoner not guilty.

TRIAL FOR BURGLARY.—Thomas Wray, alias Fitzgerald, impleaded with two others, was tried for burglary in the 3d degree, in breaking into the harness-makers shop of Thomas O. Buckmaster, 247 Houston-street, on the night of the 4th June last, and stealing harness and sadlery of the value of upwards of $200. The property, or most of it, was found in a shop that one of the accused had opened for their sale. Prisoner was not found there, but three boots were found in the house where a woman lived, who said she was prisoner's wife, and who visited and embraced him in prison. These boots were claimed by Mr. Buckmaster as his property. The jury found the prisoner not guilty. He was then remanded to be tried on four other indictments.

Adjourned to 11 o'clock on Friday.

CORONER'S OFFICE.—The Coroner held an inquest at No. 255 South-street, on the body of an unknown infant, found floating in the dock at the foot of Rutgers-st. Verdict—still born.

☞ There needs no argument beyond a simple, fair, candid trial, to prove to a demonstration that Peters' Lozenges are among the very best medicated preparations ever made. ☞ The following recommendation of a popular medicine, is published for the information of those whom it may interest. NEW-YORK, July 12, 1842.

Mr. Sebring—Sir—Upon the recommendation of my physician, I commenced, about three weeks since, to take your Restorative Cordial as a remedy for Dyspepsia, with which complaint I have been for some time affected—and I think it my duty to state that I have found it extremely beneficial in my particular case. Before the use of your medicine my digestive organs were often torpid and inactive; and this state of things occasioned a frequent suspension of the action of the heart, one of the most death-like feelings with which a mortal can be visited. Your Cordial seems to have been precisely the kind of stomachic that I required: it has warmed and excited those organs, and imparted to them a proper tone and vigor of action.—Previous to its use I could not eat many things which I now take with impunity. I especially mention raspberries and currants. I have not yet taken two bottles of it.

Your ob't serv't, JAS. SMITH,
Counsellor at Law, No. 4 Wall-st.

WONDERS ON WONDERS.—Mr. Johnson's experiments in Animal Magnetism on a gentleman and lady at the New-York Museum, are the most wonderful ever performed. I would advise all those who have any doubts, to witness these experiments, performed by Mr. Johnson every day at 11 A. M and in the evening at half past eight. Many of the greatest unbelievers have witnessed them in the course of the week and have been convinced. Beside these there is the great musical wonder, the Orchestrion, which remains here but a few days longer.

TO OUR SUBSCRIBERS.—We strongly recommend the Italian Chemical Soap to all who would have a clear complexion. We have seen it used. It really does cure all eruptions and disfigurements of the skin, and changes dark, yellow or sunburnt skin to a healthy clearness. It is sold by Mr. T. Jones, 82 Chatham-street.

Commercial and Money Matters.

THURSDAY P. M.

There was a fair amount of business at the Board to-day, but the transactions in Harlem were not so heavy as they were yesterday. In that description an advance of 2½ per cent was realized on the final quotations of yesterday. Kentucky Sixes declined 2; Farmers' Loan ¼; Long Island Railroad ½ per cent.

The transactions in State Stocks were as follows:

$4,152 N. Y. 5s, 1858	92		$2,000 Ky. bonds, 6s		72
2,000 Ohio 6s, 1856	73		2,000 do		71½

The Chambers-street Bank for Savings have declared the usual dividend at the rate of five per cent per annum on all sums of $500 and under, and four per cent on larger sums, payable on the 18th inst.

The Bowery Savings Bank have also declared a like dividend, payable on the 18th inst.

The Washington Marine Insurance Company have ceased to take any new risks.

A new counterfeit on the Fulton Bank in this city is in circulation. It is a five, letter B, payable to Joseph Fonike—D. Thompson, Cashier—and dated August 1st, 1831. It is very well executed, excepting the head on the right. This bill is not mentioned in Thompson's Detector, in which are described three fives on the same Bank.

Counterfeit threes and fives, purporting to be on the Bank of Concord, Mass., are in circulation in Buffalo; and counterfeits on the Bank of Lancaster, N. H., are in circulation at Rochester.

We learn from the Richmond papers of Wednesday that the Virginia Banks have agreed to resume specie payments on the 15th September next—sixty days hence.

At Baltimore, the receipts and stocks of the Howard-street Flour continued to be light; very few sales are making. Small sales were made on the 13th at $6. Small sales of City Mills Flour at $6. No new Wheat arriving. A sale of old Pennsylvania white, not very prime, was made at $1 50, and a lot of old Pennsylvania red at $1 37. Corn is dull, sales of Maryland at 54 a 55 cts. for white, and 58 a 60 cents for yellow. Pennsylvania yellow 58 a 60 cents. No Maryland Rye at market. A parcel of Pennsylvania sold at 66 a 68 cents, and of Pennsylvania at 35 cents.

The Indianapolis State Sentinel of the 6th says that the Evansville and Bedford Branches of the State Bank have only partially resumed.

The debt of Kentucky for Internal Improvements, at the end of the last fiscal year, was $9,401,700. The resources of the State to meet the interest will probably yield, during the present year, $227,026 33. The sum actually required is $214,340, leaving a surplus of $14,686 33 for the sinking fund.

The following is the result of the action of the Committee appointed at St. Louis to consult with the Banks in relation to establishing a specie basis. Specie is hereafter to be made the basis of all business, and the notes of non-specie paying Banks are repudiated. This movement was followed by a notice at the Perpetual office, that the business of that institution was to be confined thenceforth to the notes of specie-paying Banks. The reception of Shawneetown Bank paper, in payment of discounted notes, of course ceased with the adoption of this resolution. Messrs L. A. Benoist & Co. adopted the same resolution; and it may be said that the business of the city is now founded on a permanent, substantial basis.

The Bank of Missouri is selling Exchange at 2 per cent premium for specie. Messrs Benoist & Co are drawing on the East at 4 per cent premium, receiving in payment checks upon themselves for deposites prior to the 15th, Missouri Branch notes, Miners' Bank of Dubuque, and Kentucky and Indiana paper.

There is but one opinion as to the Shawneetown paper, and that is, that the Bank will not resume—for some time at least.

The following official report of the condition of the Gas Bank of New-Orleans was made under date of the 4th inst.:

Circulation, $4,640; Deposites, $7,970 32. Specie, $11,844 41 local Bank Notes, $2,140.

☞ **"The Union."**—I propose publishing a new Evening Paper to be called "THE UNION," as soon as the necessary arrangements can be made. THE UNION will be beautifully printed on fine paper, and the several departments, Political, Commercial, Financial, Literary and Miscellaneous, will each be assigned to gentlemen of ability and experience, and in its Domestic and Foreign intelligence THE UNION will not be surpassed by any paper of its class. Its politics will be of the old Republican school, and it will support the measures of the General Administration, and address itself to the moderate and patriotic men of all parties—striving by every constitutional means, and at an alarming crisis of public affairs, to urge the adoption of salutary laws and promote the prosperity and tranquillity of the country. A more detailed view of the whole plan and principles of the paper will appear in the first number.

THE UNION will be published exclusively on the cash system, and delivered to subscribers and others at the low price of two cents a number, or a shilling weekly. A large paper will be printed weekly at two dollars per annum, always in advance. As a very large edition of the first number will be issued, advertisers will please apply in time for insertion, and those who for many years have sent their annual and other advertisements to my paper, are invited to renew their favors in the new journal.

Editors formerly exchanging will please transmit their papers forthwith. Apply at the office, No. 142 Fulton-st., next to the Sun office. M. M. NOAH.

☞ **Highly Important Discussion.**—MORMONISM alias MAHOMEDANISM.—ELDER ADAMS, the Great Apostle and Champion of Mormonism, or the "Latter-Day Saints," (so called) undertakes publicly to prove that the strange system which he advocates is the only true Church in existence, while Dr. WEST, the uncompromising opponent of Infidelity and Mormonism, undertakes to prove and demonstrate, not only the very reverse, but also that "Mormonism," notwithstanding its boasted 200,000 converts, military colleges, golden bible, angelic ministry, political intrigues and miracle-working pretensions, is in point of fact a second edition of Mahometanism, employing and authorizing blasphemy, deception, lying, fraud, theft, treason, assassination, murder, madness and infidelity, and therefore cannot not to be tolerated or patronized by any Christian Government or community.

The discussion will commence on Monday Evening, July 17, 1842, at 8 P. M., in the New Hall, Grand-street, one door east of the Broadway House.

☞ **The favorite and most decidedly** agreeable Excursion in the summer season, is to Hoboken. ☞ **Proposals for Publishing the LIFE and SPEECHES of HENRY CLAY.**

"STAR OF THE WEST: A million eyes
Are turning gladly unto him;
The shrine of old idolatries
Before his kindling light grows dim;
And men awake as from a dream,
Or meteors dazzling to betray;
And bow before the purer beam,
The earnest of a better day."

The subscriber will commence, on or about the first of August next, the publication of the Speeches of Hon. Henry Clay, from his earliest entrance into public life down to his late masterly efforts in the Senate and at Lexington, with an Appendix containing the Proceedings of the Convention lately held in North Carolina, and of the meeting held in this city on Wednesday evening, June 22, 1842, for the purpose of nominating him as a candidate for president, in 1844. The work will also contain a Life of Henry Clay, by one of his most distinguished friends in Congress.
