FRESHET AT THE SOUTH.—We learn that there was a tremendous freshet in the river, between Wilmington, N. C., and Norfolk on Tuesday last. Several bridges on the Portsmouth and Roanoke railroad, and several on the Raleigh and Gaston railroad were carried away. This was the cause of the failure of the Southern mail for the last two or three days.

THE BANKRUPT LAW.—It is stated in the Baltimore American, that Chief Justice Taney and Judge Heath concur in the opinion lately given by Judge Story, of Massachusetts, "that as soon as the Bankrupt Act went into operation, it did, *ipso facto*, suspend all action upon future cases arising under the State insolvent laws."

☞ The Boston Transcript says that a letter has been received in that city from the Hon. Waddy Thompson, dated Mexico, June 6, in which Mr. Thompson writes that he has received assurances of the intention of the Mexican Government soon to release all the Texian prisoners.

☞ Life is but a slight blessing, if it is to be made miserable by the thousand diseases which continually beset it. If headaches, fevers, lumbago, nausea, and the thousand other ills which are deemed inevitable, are to embitter its blessings, it can scarcely be deemed a gift worth keeping. But happily, this need not be the case; the Cough, Worm, Cordial, and other Lozenges of Dr. Peters are adapted expressly to remedy these complaints, and, taken in connexion with his other medicines, are expressly fitted to make life what it was intended to be—a blessing and not a curse. Emm is effectually banished by his Cordial Lozenges. His Pills and Plasters, for diseases of the stomach and rheumatism respectively, are unrivalled for efficacy. Office, 459 Broadway, and 125 Fulton street.

SANDS'S SARSAPARILLA.—In offering to the public a new preparation of Sarsaparilla, it is with pleasure the proprietors are able to state that after devoting years to laborious Chemical experiments, they have succeeded in extracting the essential principles on which the active virtues of Sarsaparilla depend, by the construction of an entirely new scientific and ingenious apparatus, invented expressly for this purpose, the successful operation of which in extracting the virtues of the true Sarsaparilla renders it one of the greatest discoveries of the age, and after again combining this Extract with other articles selected from the Materia Medica, it is formed into a compound that has been proved by practical experience to possess the important power of immediately arresting the progress of disease and restoring the patient to perfect health. All diseases arising from an impure state of the blood or habit of the system, such as scrofula, obstinate cutaneous eruptions, pimples, chronic sore eyes, rheumatism, ring worm, enlargement and pain of the bones and joints, stubborn ulcers, syphilitic symptoms, and all diseases arising from an injudicious use of mercury, are speedily cured by its use. The patient therefore who uses this preparation has all combined that can be useful for the removal of his complaint. The afflicted are invited to try it at once and appropriate to themselves the benefits this invaluable medicine can alone bestow. Prepared and sold by A. B. Sands & Co. 273 Broadway, corner Chambers street (Granite Building.) Sold also by A. B. & D. Sands, 79 Fulton, corner Gold st. and by D. Sands & Co. 77 East Broadway, corner Market st. Price $1 00.

☞ A young man in Nassau-street has been cured of pimples and freckles that covered his face like small pox, by using one cake of the Italian Chemical Soap. We have seen several others where it changed dark yellow and sunburnt skin to fine healthy clear ness. It is sold by Mr. T. Jones, 82 Chatham-street. We advise our readers to try this.

REMARKABLE FACTS.—Fever and Ague cured by Sherman's Lozenges, even where all other means had failed for several months. The disease is not liable to return when broken by them.

Sensitiveness, Nervous or Sick Headache, Palpitation of the Heart, Lowness of Spirits, Despondency, and all Nervousness cured in a very few minutes by Sherman's Camphor Lozenges.

Worms, in either children or adults, infallibly destroyed by Sherman's Worm Lozenges—the only safe and certain worm medicine known.

Diarrhœa, Summer Complaint, Dysentery or Looseness in the Bowels, cured by Sherman's Restorative Lozenges—they operate like a charm, and cure in a few hours, and often in a few minutes, cases of long standing.

Coughs, Colds, Consumption, Whooping Coughs, and Asthma immediately relieved and speedily cured by Sherman's Cough Lozenges.

Dyspepsia cannot be sooner or easier cured than by Sherman's Dinner Lozenges. Who will suffer from indigestion when a pleasant remedy is at hand?

Beautiful Teeth and sweet breath can be possessed by all who will use Sherman's Orris Tooth Paste—the very best dentifrice in the world.

Always be sure to get Sherman's articles as they are no new things, but have stood the test of experience for the last four years.

☞ In consequence of the great demand for F. Brown's Sarsaparilla and Tomato Bitters, the proprietor has been to a great expense in importing a large supply of the real Spanish Sarsaparilla expressly for the purpose of manufacturing them, so as to have them made of the best materials. The great demand for Brown's Bitters is a sure guarantee of their good effects. For sale wholesale and retail by F. Brown, the proprietor, 68 Washington-street, Boston. Sold by the Agents, A. B. & D. ☞ The following recommendation of a popular medicine, is published for the information of those whom it may interest.

NEW-YORK, July 12, 1842.

Mr. Sebring—Sir—Upon the recommendation of my physician, I commenced, about three weeks since, to take your Restorative Cordial as a remedy for Dyspepsia, with which complaint I have been for some time affected—and I think it my duty to state that I have found it extremely beneficial in my particular case. Before the use of your medicine my digestive organs were eaten torpid and inactive; and the state of things occasioned a frequent suspension of the action of the heart, one of the most death-like feelings with which a mortal can be visited. Your Cordial seems to have been precisely the kind of stomachic that I required; it has warmed and excited those organs, and imparted to them a proper tone and vigor of action—and imparted to them a proper tone and vigor of action—Previous to its use I could not eat many things which I now take with impunity. I especially mention raspberries and currants. I have not yet taken two bottles of it.

Your ob't serv't, JAS. SMITH,
Counsellor at Law, No. 1 Wall st.

THE STAGE ACCIDENT.—The case of Peck and wife vs. Neal, for an injury sustained by overturning the defendant's stage coach, while racing into Marietta last summer, was brought to a close yesterday. The case was ably argued by Messrs. Vinton and Goddard for the plaintiff, and by Messrs. Ewing and Swan for the defence. The case was comitted to the Jury by Judge McLean, at about 3 o'clock, and the Jury in about half an hour returned a verdict for $5,000 damages.

There is another case by a son of the plaintiff against the same defendant, for a severe injury resulting from the same upset. [Cin. Gaz.

AN INDEPENDENT VOTER.—A man went up to the polls on Monday to vote: he first took up a democratic ticket, and casting his eyes over the names of the candidates, he muttered, Peire—Barton—Stone—and threw down the ticket, exclaiming, "O, dang it! I'll vote for none of them."

A Whig ticket, headed, *For the Encouragement of Home Industry*, was then thrust into his hand by a Clayman. He ran over the names as he did those of the Democrats, but not one of them, he said, pleased him. As he was in favor of encouraging home industry, however, he said he would vote for that: so tearing off all the names, he deposited the mere heading of the ticket in the ballot-box. [Picayune.

SATURDAY, July 16.

COURT OF COMMON PLEAS.—Before a full Bench.

DECISIONS—David Randell vs Philip Stickney, Jr.—The defendant erected a building in the Fourth Ward, the gable end of which was near the line of plaintiff's premises. The latter caused a high fence to be put up, which obscured defendant's windows. The fence was bored through by a number of augur holes, and finally knocked down altogether. It was rebuilt, reaching even to the 3d and 4th stories as at first, but the second fence met with a similar fate as the first, and an action of trespass was brought for damages—After argument, a nonsuit was allowed, with leave, &c. and a motion is now made to set the nonsuit aside. The court held that the defendant would have been liable in an action on the case, but not for trespass, as the offence might have been committed by one of his servants when he was not on the premises. Motion denied, with c. sts.

William Applegate vs. Adeline Miller.—The defendant was connected with a low, or 'flash' publication. Plaintiff is a printer. He held a note against Mrs. Miller for $750, which was sued, and, on inquest, judgement obtained by default. The present is a motion to set the inquest aside, it being contended that a negociation was pending at the time, by which it was supposed the plaintiff would take $50 a week. His counsel was to give notice of refusal, but instead of that he went on and got judgement, taking defendant by surprise. This is denied by plaintiff, who makes application that judgement may be entered up, as the defendant has threatened to assign her property to get rid of the debt. She wished plaintiff to take a printing press belonging to her in pay, but he refused. Motion to set aside inquest granted, but judgement to stand as security, the costs of motion to abide the event.

Benj. Hutchingson vs. John Degroot, and others.—The defendant was maker of a note for $173. It was nominally discounted by Thomas Dusenberry, a compersonita, but in fact by Abraham Mitchell, and given to plaintiff, who is a carman. The note was originally discounted at 2 per cent a month, but twice renewed, for one of which renewals he paid $18 extra. The plea of usury was set up on the trial and the court charged that it was well founded, that 2 per cent a month on the first note having tainted the renewals. Still the jury found a verdict in favor of plaintiff for the amount. Motion was then made to set the verdict aside.—New trial granted on payment of costs.

Josiah B. Andrews vs. Simon P. Hall.—This was an action of replevin, in which judgement was given for plaintiff in 6 cents damages and 6 cents costs, and valuing the goods taken at $900. The costs were taxed at $24, and motion was made as to error alleged. The court held that the defendant is entitled to double costs if he recovers, but the plaintiff recovers costs only equal to the damages if they do not exceed $50. The plaintiffs goods were valued at $100, and he consequently recovered only Common Pleas costs—He recovers full Supreme Court costs only in case the value is over $250. Application sustained, without costs.

Thomas Collier vs. Monmouth B. Hart.—Relative to property belonging to John H. Collier, which had been levied upon by the Sheriff. New trial granted on payment of costs of former trial and subsequent proceedings.

David Sisson vs. Richard Cornell and others.—This was an action entered for assault and battery. Complaint was made by defendant that it was not noticed for trial, and asking judgment for defendant as in the case of a nonsuit.—Motion granted, with liberty to plaintiff to stipulate, on payment of costs of motion.

COURT OF SESSIONS.—Before the Recorder, Judges Lynch and Noah.

GRAND JURY.—The Grand Jury came into court with a number of bills of indictments, and were discharged with the thanks of the court. They found 63 bills during the term.

The Jury having been discharged on Friday evening the Court adjourned the day for the term, having, with a promptitude unsurpassed, disposed of all the cases ready for trial in the short period of nine days. The next term will commence on the 1st August prxtimo.

Y., when in his berth on board the steamboat North America, on Friday night, on the passage from Albany hither. Mr. Talcott, of the firm of Goodrich & Co., merchant of Owego, gave the letter containing the money to Mr. Hyde, to hand to a merchant in this city, and when he retired on Friday night, pinned the top of his coat pocket where the letter was, and placed it under his pillow. In the morning the pocket was still pinned, but the money and letter were gone, and he mentioned his loss to Allen, who slept in the berth underhim, who replied that several robberies of the kind had been committed and that the thief was no doubt far enough off. On arriving here, Hyde and Allen went to the Tremont House, and the former soon after to Brooklyn, where his friends advised him to go to the Police. He did so, and the officers above named arrested Allen at the Tremont House, and found the $100 in his pocket wallet. He at first denied the theft, and the money was his own, but ultimately confessed that he had taken the letter and money intending to return it, and was committed to answer.

ROBBING A WIDOW LADY.—A young woman, named Charlotte Dykes, was arrested on Saturday by officers Josephs and A. M. C. Smith, charged with stealing on the 13th instant, $150 in bank bills and specie from the shop of Mrs. Messerole, widow, No. 11 Broadway. When arrested a promissory note for $104 was found upon her, which she had received for a portion of the stolen money she had loaned. She was committed to answer.

He was fully committed by Justice Palmer to the Upper Police.

PASSING COUNTERFEIT MONEY.—Josiah Merritt, a practitioner at law, was yesterday arrested charged with uttering counterfeit $5 bills on the Greenwich Bank of this city. He passed one to Henry Hoffman, living in the 8th avenue, in payment for grog, and several others to different persons living in 37th street, where he resides. Merritt stated he obtained them from one Trafton, who owed him the money for counsel fees, through the agency of a person named Brundage. He was held to bail to answer.

CORONER'S OFFICE.—The Coroner, this morning, held inquests at the corner of Corliers and Water-sts., on the bodies of Priscilla Williams and Eliza Martin, the two females that were drowned on Tuesday evening last, at the same time that Sarah Ann Smith met with a similar death, by the upsetting of a row boat which was run foul of by the Williamsburg ferry boat "Newtown," and sunk.—The bodies were recovered this morning. Commercial and Money Matters.

SATURDAY P. M.

There was a fair business all round transacted at the board this morning. The sales of Harlem, as usual, were large, and at a still further decline in the prices, closing this morning at 18½, a fall of 1½ per cent upon the final quotation of yesterday.

The stock market has been generally dull and depressed. The unfavorable state of affairs at Washington has caused a very considerable decline in the sound stocks. In the fancies a very small business has been done, with the exception of Harlem, in which the sales have been large and the fluctuations violent. The operations in this stock have been productive of much excitement in the street, and have attracted general attention.

The transactions in State Stocks were as follows:

THE ADOPTED SON.

A LEGEND OF THE REBELLION OF JACK CADE.

JACK CADE'S MONUMENT AT HEATHFIELD, SUSSEX.

The HANGING OF TWO THIEVES upon the signpost of the White Hart Tavern—Cade's Head Quarters.

Also, other engravings of equal interest, illustrative of the work.

Price of the work 12½ cents—or 10 copies for $1. The usual discount to Agents and Newsmen.

The country edition of this Novel is by a decision of the Postmaster General, subject to newspaper postage only. The city edition will be neatly bound in a yellow cover.—Letters should always be post paid, or franked by a postmaster according to law.

☞ **The favorite and most decidedly** agreeable Excursion in the summer season is to Hoboken. No other place of resort in the vicinity of the city can be visited with such facility or offers so many inducements with less expense. A visit to the extensive and diversified grounds of this most lovely of terrestrial spots, of which its beautiful scenery and its many fine views, are too well known to require description, cannot fail to give great pleasure to those in the city who like occasionally to breathe fresh air and vary the monotonous and confined view of brick and mortar.

The Barclay, Canal and Christopher streets Ferry Boats are in excellent order for public accommodation. je24 1m*

☞ **Highly Important Discussion.**—MORMONISM alias MAHOMEDANISM.—ELDER ADAMS, the Great Apostle and Champion of Mormonism, or the 'Latter-Day Saints,' (so called) undertakes publicly to prove that the strange system which he advocates is the only true Church in existence, while Dr. WEST, the uncompromising opponent of Infidelity, Mormonism, and *other false theories*, undertakes to prove and demonstrate, not only the very reverse, but also that 'Mormonism,' notwithstanding its boasted 200,000 converts, military cohorts, golden bible, angelic ministry, political intrigues and miracle-working pretensions, is in point of fact a second edition of Mahomedanism, implying and authorizing blasphemy, deception, lying, fraud, theft, treason, assassination, murder, madness and infidelity, and therefore ought not to be tolerated or patronised by any Christian Government or community.

The discussion will commence This Evening, July 16th, 1842, at 8 o'clock, in the New Hall, Grand-street, one door east of the Broadway House.

Tickets of admission at the door, 12½ cents each. jy15 2tF&M*

☞ **As Many of my Friends and Patrons** are under the impression that I have removed, I would correct the mistake by informing them that I am still at 69 Chambers street, and that neither Mr. Gunning (who is associated with me in the business) or myself have any intention of removing at present. JOHN BURDELL,
jl 1m Dentist, 69 Chambers-st.
