SANDS'S SARSAPARILLA.—In offering to the public a new preparation of Sarsaparilla, it is with pleasure the proprietors are able to state that, after devoting years to laborious Chemical experiments, they have succeeded in extracting the essential principles on which the active virtues of Sarsaparilla depend by the construction of an entirely new scientific and ingenious apparatus, invented expressly for this purpose, the successful operation of which in extracting the virtues of the true Sarsaparilla renders it one of the greatest discoveries of the age, and after again combining this Extract with other articles selected from the Materia Medica, it is formed into a compound that has been proved by practical experience to possess the important power of immediately arresting the progress of disease and restoring the patient to perfect health. All diseases arising from an impure state of the blood or habit of the system, such as scrofula, obstinate cutaneous eruptions, pimples, chronic, sore eyes, rheumatism, ring worm, enlargement and pain of the bones and joints, stubborn ulcers, syphilitic symptoms, and all diseases arising from an injudicious use of mercury, are speedily cured by its use. The patient therefore who uses this preparation has all combined that can be useful for the removal of his complaint. The afflicted are invited to try it at once and appreciate to themselves the benefits this invaluable medicine can alone bestow. Prepared and sold by A. B. Sands & Co. 273 Broadway, corner Chambers street (Granite Building.) Sold also by A. B. & D. Sands, 79 Fulton, corner Gold st. and by D. Sands & Co. 77 East Broadway, corner Market st. Price $1 00.

☞ The following recommendation of a popular medicine, is published for the information of those whom it may interest. NEW-YORK, July 12, 1842.

Mr. Sebring—Sir—Upon the recommendation of my physician, I commenced, about three weeks since, to take your Restorative Cordial as a remedy for Dyspepsia, with which complaint I have been for some time affected—and I think it my duty to state that I have found it extremely beneficial in my particular case. Before the use of your medicine my digestive organs were often torpid and inactive; and this state of things occasioned a frequent suspension of the action of the heart, one of the most death-like feelings with which a mortal can be visited. Your Cordial seems to have been precisely the kind of stomachic that I required: it has warmed and excited those organs, and imparted to them a proper tone and vigor of action.—Previous to its use I could not eat many things which I now take with impunity. I especially mention raspberries and currants. I have not yet taken two bottles of it.

Your ob't servt, JAS. SMITH,
Counsellor at Law, No. 4 Wall-st.

CITY INTELLIGENCE.

TUESDAY, July 19.

COURT CALENDAR FOR THURSDAY.—Circuit Court—Nos. 159, 174, 175, 177, 179, 179, 180, 181, 182, 183, 184, 185, 186, 187, 188, 189, 190, 192, 193, 195, 196, 38, 47, 198, 197. Common Pleas—Nos. 31, 44, 45, 48 to 56, 58, 60 to 71.

CIVIL COURTS.—In the Circuit Court an action of replevin was brought by Charles W. Hubbell against Joseph Bailey, (an officer) to recover property levied upon in February last at the Broadway house of Mrs. Russell, Nos. 127 and 129 Broadway. Mrs. R. had become largely indebted to her butcher, Mr. Campbell, of Washington Market. He sued on a small note he held and got out execution. Mr. Hubbell boarded with Mrs. R., and claimed to hold her furniture under a mortgage. The mortgage was dated in July, 1841, but not due till May, 42. The levy was made in February. The counsel for defendant moved a nonsuit on the ground that the mortgage not being due could not hold against the levy. Nonsuit allowed.

In the Court of Common Pleas an action was brought by Abraham Mills, (proprietor of a lumber yard in Cherry-street,) against the Transfiguration (Catholic) Church, Chamber street, to recover $200 for lumber furnished in the repairs of the Church. The Trustees contended that the contractor, Robert Moore, had no right to obtain his materials on the credit of the Church, he having been expressly forbidden to do so by Mr. Seaman, president of the board of Trustees. On these grounds the counsel for defendant moved a nonsuit. After argument it was granted.

Robert Katon and Hiram Nichols, attempt to steal from an unoccupied house in 10th street: guilty, Penitentiary 6 months each. Margaret Jones, charged with stealing a silk bonnet, worth $5 50, from William Wilson: adjudged not guilty. Thomas Toney, assault and battery on a female named Louisa ——: guilty, Penitentiary 6 months. Charles Pearce, stealing $5 in money from Messrs. Brand & Bartmann: guilty, Penitentiary 4 months. Bridget Cotter, disorderly conduct and assault and battery on her children: guilty, judgement suspended. William Stephens, alias Cason, robbery, assault and battery on Jane Thompson, colored: guilty, Penitentiary 1 month. Mary Conlin, stealing a vest and pantaloons from Samuel E. Smith: guilty. Penitentiary 1 month. Elizabeth White, violent assault and battery on John Hughes, City Watchman, biting and scratching him when he went to take her from off the side-walk, where she lay, to the watch-house: guilty, Penitentiary 6 months. Peter Murphy, assault and battery on James Evans, City Watchman: guilty, Penitentiary 1 month. A number of disorderlies were discharged and the Court adjourned to Friday next, 9 o'clock.

POLICE OFFICE.—A LOVER OF WATCHES.—George W. Knight, who a few days since was arrested for stealing a watch, and committed, was again complained of to-day for stealing, on the 1st ult., a watch with hair chain, breast-pin, and gaiter boots, worth $91, from Mr. Charles Van Horton, of 21st street. He had also in his possession a ruby set finger-ring, lettered G. M. and a black breast pin, marked G. C., for which owners are wanted. He was committed also on this charge.

BURGLARY.—The house of Mr. T. H. Jarvy, of 250 East Broadway, was burglariously entered on Saturday night by forcing the parlor window, and robbed of a coat, Book of Gems, Stephens' Central America, an agate stamp set in gold, &c. The burglar escaped.

EXAMINATION.—Mrs. Elizabeth Stratton, who was in prison for destroying her infant of three months old, was brought out and examined before the Coroner, and at the instance of her counsel, Mr. Wheeler, declined answering any questions except as to her birth-place, age, residence, &c., and was then committed in full to answer. She is a very delicate, emaciated young woman, and appeared to be unconscious of what was going forward.

CORONER'S OFFICE.—ACCIDENTAL DROWNING.—The Coroner held an inquest this morning at No. 21 Madison-street, on the body of Thomas Manzan, aged 8 years, a native of this city. The deceased on Friday afternoon last, left home at the above place and went with other boys to the Screw Dock, between Market and Pike-streets, and on attempting to jump on some logs, forming the drawbridge, his foot slipped and he fell into the water and was drowned, despite the efforts made to save him. His body was found about 10 o'clock on Monday night floating in the slip. Verdict, that he was accidentally drowned at the Screw Dock on the 15th instant.

NEW COUNTERFEITS.

Office of Thompson's Bank Note Reporter, July 19, 1842. Counterfeit 5s are in circulation on the Plymouth Bank, Mass.; letter A, of various dates. The first appearance of these bills is good, but they are easily detected by observing that the words 'Three Dollars' in fine print are very imperfect and defective.

Also 5s on the Tolland County Bank, Conn.; new plate, letter D; vignette, Cupids encircling the figure 5. Flint, Cashier; steam press, well done.

CORRECTION.—Several errors occurred in the circular of the Comptroller in regard to the redemption of Safety Fund notes, published yesterday. Toward the close, the surplus of the Fund in 1837, after taking up the circulation of the Commercial Bank of Owego, is stated at $87,000; it should have been $61,000. So the surplus in 1838, after taking up the circulation of the Watertlet Bank, is stated at $49,000, instead of $74,000, and the words "showing nothing" should be inserted before "for the ordinary circulation of that Bank, the amount of which has not been ascertained." And again, the surplus in 1840, after redeeming the notes of the Canton County Bank, should have been $41,000, instead of $409,000 [Albany Argus.

At Philadelphia, money has undergone no change in price. It can be obtained readily out of doors on first rate paper at from 9 to 12 per cent per annum, and sometimes lower; while the Banks say that they have not enough of the right kind of business notes to supply all their capital. The resumption of specie payments continues in successful progress, and the only currency which passes readily in Philadelphia consists of specie or the notes of their specie-paying Banks.

The annual report of the Bank of Charleston, S. C., has just been published, showing its condition on the 7th inst. Its net profits for the year were $229,743, being a traction over 7 per cent. Its liabilities are $717,911; Resources $1,317,332; Surplus $600,421.

At New-Orleans, the greatest confusion still exists in the currency, as the Banks refuse to receive each other's notes, either on deposit or in payment of dues, and much perplexity and loss to the business community are the consequences. The specie standard is still maintained.

At St. Louis on the 8th inst., the Perpetual Insurance Company suspended cash payments, and gave certificates of deposites payable at thirty, sixty, and ninety days, to those who would not take Tennessee paper. The house of L. A. Benoist & Co. declined paying on checks any other than Miners' Bank, and this money has not yet the confidence of the public sufficiently to be received as specie funds. The St. Louis Reporter of the 9th expresses entire confidence that the house of Benoist & Co. will, in a very short time, be able to meet all its liabilities, and that the Perpetual will be able to pay its depositors, if a few months' time be allowed.

The St. Louis Republican states that the Bank of Missouri has taken out an attachment against the Bank of Illinois at Shawneetown.

The St. Louis Bulletin of the 9th says—"The Miners' Bank of Dubuque resumed specie payments on the 1st inst., according to promise, and has continued to pay specie since for all her liabilities."
