Markets....*Carefully Reported for The Tribune.*

THURSDAY, Dec. 26.

ASHES.—The price for Pots has settled at $3 75, at which about 150 bbls. have been taken for shipment. This must be a losing price for the maker. Of Pearls about 50 bbls. have been taken at $4 a $4 06¼, which is also a decline.

COTTON.—There is rather more inquiry to day in this staple, but we cannot hear that any thing of importance has been place for Liverpool. The sales as far as reported reach 1,200 to 1,200 bales for Continental markets and spinning. The rates show a decline of ⅛ a ¼c. per lb. on prices which were current before the arrival of the Acadia. The arrivals of Cotton are large to-day, and as sales from the wharf are preferred, the market may decline a trifle more with the Cotton in landing. We quote fair Upland 5¾ a 5¾. Fair New Orleans are very scarce, and are held high.

FLOUR AND MEAL.—We have no change to notice in Flour. Holders are generally steady at $4 62½ a $4 75, including all Western, and supply the small demand from the trade at these rates. Scratched Western is $4 43¾, and scarce. In Southern we only hear of 100 bbls. Richmond Country, fine and superfine, at $4 25 and $4 12½. Richmond City is $5 50. There is a regular, steady demand for Georgetown at $4 62½. The quotations for Alexandria, Richmond, Baltimore, &c., are $4 50 a $4 62½. Brandywine is nominally as wanted at $3 37½ out of store. Jersey Meal $2 56 a $2 62½. Sales Rhe to 200 bbls. Rye Meal $8 a $10; Brandywine $3 69. Buckwheat is plenty and dull at $2 50 a $4 50, according to quality.

GRAIN—There are considerable supplies of Corn in market to-day, but factors ask prices above the views of buyers. There is not much demand excepting from distillers. A sale of 1000 bushels Southern in the city was made at 49, measure; 600 do white Long Island for shipment at 51½, weight, delivered, out of store, and 1300 do Jersey at 49, measure. Rye is nominally 70, delivered, with none ahead. Oats are dull at 32 a 34, for Northern. Sales 3000 bushels Virginia at 27, which is a decline. Barley is unsaleable but held firmly.

WHISKY—There are but few bbls. here. The only sale we heard of was 45 bbls. not Prison, at 24½ cents. Drudge is selling freely at 24, and in bbls at 26.

HAY—There is not much inquiry. Out of store lots are being taken for the City trade and for the East at 50 a 55 cents.

BEESWAX—We notice sales 8000 to 10,000 lbs good Yellow at 29c. cash, for export.

NAVAL STORES.—The stock of Turpentine is not very large, and the market is firm. The sales are 2 87½ for New-York, and 2 75 for Washington. Spirits are in fair demand at 34 a 35, cash and time.

RICE.—There is little or no demand for shipment, and the stock is fair. The market ranges from 3 00 to 3 25, with small sales.

COPPER.—We notice a sale of 3000 lbs. Old at 17 cents, cash.

SEEDS.—Flax is as before, with good demand. Rough 11 00, Clean 11 00, nominal. A sale of twenty tierces Clover was made at 7¼ cents for shipment.

LEMONS.—A sale of 500 boxes Malaga has been made at $1 37½, cash.

OIL.—A parcel of 300 barrels South Sea Whale changed hands at 32 cents, cash, for export, which shows a decline.

SUGAR—At auction to-day the following sales N Orleans were made: At 20 West street—21 hhds at 4 12½; 65 do at 4 10 a 4 81, and 74 do at 4 87½ a 5 00—60 days and 4 mos. At Pier No. 5—42 hhds at 4 75 a 4 87½; and 68 do at 5 00 a 5 37½—1 mo.

PROVISIONS—There is no activity in Pork, and prices are without change. About 300 bbls Prime sold in lots at 7 25, and a little More at 9 50. For a lot of Prime 7 18¾ was offered and refused. Beef is very quiet, but holders are steady. A sale of 100 tierces Lard was made at 8¼ cents, market tare, which is a further improvement. Kegs are generally held at 6½ a 6¾. Sales 150 kegs new lard at 6¾. In Cheese there is a fair shipping demand at 5¼ a 6 cents, the latter for prime. Holders of Butter are rather firmer.
