Your Income Tax Statement

requires that you keep a very careful record of all income received, taxes paid, etc. Such a record can be kept in a most convenient way by the use of our specially prepared loose leaf folder which contains detachable sheets so marked and spaced that it is easy to keep up-to-date information about all income producing property, when purchased, price paid and when sold or otherwise disposed of.

The preparation of your 1921 tax statement emphasizes the importance of such a record for 1922.

Complimentary folder will be sent to any investor on request.

Day's Dealings in Bonds

The Market

The mid-week holiday acted as a deterrent upon announcement of new bond offerings yesterday. A number of foreign loans and public utility issues, the latter aggregating more than $50,000,000, are rapidly nearing a condition where their public distribution will be attempted, however. Foreign government bonds featured yesterday's trading, British, French, Belgian and Mexican issues being particularly strong. Speculative rail bonds and transit company securities also advanced. Liberty bonds were firm.
