COMMERCIAL AND MONEY MATTERS.

(For Commercial and Money Matters, see Last Page.)

WEDNESDAY P. M.

There was a radical change in the appearance of affairs at the Stock Board to-day, and the fancies have suddenly become buoyant. Norwich and Worcester improved 1½ per cent, and other stocks from ½ to 1 per cent. About $50,000 U. S. Sixes were sold at 115.

There is but little enquiry for Exchange, and no change in rates. Sterling is nominally 9½ a 9¾; Francs 5 35. The supply of bills is moderate.

Brokers' Safety Fund Money is now quoted in Wall-st at 1¾ per cent. discount. It will be remembered that the last Legislature authorized the Comptroller to issue six per cent. stock for the money, based on the Safety Fund.

The Howard Insurance Company have declared a dividend of five per cent, payable on the 3d of June.

The Merchants' Bank a semi-annual dividend of four per cent. payable on the 2d of June.

The following is the business of the Reading Railroad for the fourth week in May for the last three years:

The Bank Commissioners of Ohio are now in session at Columbus. The number of applications for Independent Banks is seven, and of Branches of the State Bank is five. Seven Branches are necessary to an organization of the State Bank system. An application of an Independent Bank at Cincinnati has been made, to be called the City Bank of Cincinnati, with a capital of $800,000. A meeting has been called in Piqua, to take measures for the establishment of a Bank in that place.

The following official announcement has been made by the Department of State:

"Information has been officially received through our Consul at San Juan, in Porto Rico, that hereafter the export duties will be—On Sugar, 2½ reals or 31¼ cents on each box, or the weight of four quintals, if exported under a foreign flag; and one real, or 12½ cents, under the Spanish flag.

"On Coffee at the value of six dollars the quintal, three per cent. under a foreign flag, and one and a half per cent. under the Spanish. Cane Juice and Wine to be free from all export duty."

The Exports from this port for May promise to be some half million larger than the Exports of last May. A portion of the increase consists, however, of Specie:

Exports at the Port of New-York, May 1st to 24th, 1845.

In American vessels	$1,993,619 52
In Foreign vessels	349,871 96
Specie	144,570 00
Total for 24 days	$2,397,061 98

The value of the Exports for May, last year, was $2,772,017. Should there be no falling off, the Exports of the present month will reach $3,100,000.

Canal Freights are very low at Rochester, leaving scarcely any thing for the boat after the tolls are paid. In consequence, many of the boats are laid up.

The River Raisin Bank has generally been considered good, but the Marshall Statesman says that the stock is made up of the notes of hand of the stockholders, and that one of the most respectable men in the place refused to become its President, although offered $1,500 per annum. The Statesman, however, does not seem to be very positive about its story.

The Stamp Duty established in Maryland for the purpose of raising revenue to pay the interest on the State Debt, taxes all bills, drafts, &c. &c. as follows:—From $100 to $1,000, 10 cts. to 70 cts. $1,000 to $2,000 70 cts. to $1. $2,000 to $5,000, $1 to $2 50. $5,000 to $10,000, $2 50 to $5 50. Above $10,000, $6. This must be found very burdensome by the Commercial classes.

We notice in the Chicago papers a price current of the different kinds of circulating medium in that region, from which we take the following specimens:—Illinois State Bank, 40 a 45 per cent. discount; Bank of Illinois, at Shawneetown, 50 a 75; Cook County Orders, 18 a 20; Canal Indebtedness, 70 a 75; Bank of Michigan, 85; Railroad Script, 60 a 75; St. Clair Bank, probably worthless; Michigan State Script, 10 a 15; Indiana Land or Canal Script, 60 a 65.

An Agent of the Oconaigee and Flint River Railroad Company is about to leave for England, to endeavor to negotiate a loan, for the purpose of completing that road.

The following are the Tolls received at the Collector's Office in Rochester:

1845, 40 days	$36,008 11
1844, do	34,201 24
Difference in favor of '45	$2,376 87

At New-Orleans, Exchange is in good demand.—No change in rates. Sterling 8½ a 9 per cent. premium. Bills on Paris, 5.25 a 5.27½. On the North, at 60 days, ¼ a 1 per cent. discount; sight, par a ¼ prem. There is no change in Freights; they remain dull. Cotton, to Liverpool, 7-16d.; to Havre, ½c. per lb.

FLOUR AND MEAL.—There are no new features in the market to note. The inquiry is fair, quite as good as yesterday, and the supplies arriving being quite small, the market is steady at previous rates. Fresh lots are very scarce afloat. Genesee is quoted at 4 56½ a 4 62½, and Michigan and Ohio 4 50 a 4 56½, with sales 2500 to 3000 bbls. Troy is 4 56½. New Orleans is dull at 4 50 for common brands, 4 75 for fancy. The demand is light in Southern there is no change and nothing of importance doing. A sale of 200 bbls. bad Petersburg was made at 4 50. Rye Flour is not so plenty and is worth 3 12½ a 3 25 for good lots. At Cincinnati Flour was 3 62½ a 3 70. At Philadelphia Flour dull and steady at 4 43¾ for shipping brands. At Baltimore receipt price of Howard-st. 4 37½, market quiet. Sales 4000 bbls City Mills at 4 50 a 4 62½; Susquehanna Flour 4 62½. GRAIN.—A sale of 600 bushels Ohio Wheat, via New-Orleans, was made for milling in Jersey, at 105 cts. The supplies of Rye being light, the market has an upward tendency. Sales 1500 bushels at 67 cents, delivered, which is an improvement. Nothing doing in Barley. The receipts of Southern Corn are better, and the demand for the East has taken about 12,000 bushels Yellow at 44 a 45 cents, measure, and 2000 do Jersey at 46½ cts. GROCERIES—Good and prime qualities Molasses continue in fair request, but the market generally is dull. The sales include 300 hhds Mariel, Cuba, at 25 a 25½ cts; 100 Cardenas, for export, equal to 25½, 6 mos; 140 strictly prime St Croix and Nuevitas, in lots, 32; 200 common to prime Porto Rico, 26 a 30; 100 hhds and tcs and 100 bbls New Iberia, 29 a 30; and 300 bbls New Orleans, part prime, 28 a 30, 4 mos. The stock in first and speculators' hands consists of 15,000 hhds New Orleans, and of other sorts, 5000 hhds ....The Coffee market generally remains very dull; in prices, however, there is little or no variation. The sales include one parcel of 2000 bags Laguin, on private terms; 1000 do to the trade, 6 a 7½ cents; 2300 Cuba, 6 a 6½; 50 Maracaibo, 6½; 200 Laguayra, 8½; and 50 Sumatra, 6½, usual time. METALS—There have been large sales of new Sheathing Copper at 21½ cts, 6 mos. The market for Missouri Lead is steady, with sales of 50 tons for export, and 1200 pigs for home use, at 3¾ 30, cash. A sale of 500 boxes one-third X. has been made, on terms not transpired. The Mineral Point Democrat says that 43,000,000 pounds (614,286 pigs, or 21,500 tons) of Lead were shipped from Galena during the year 1844, and that Mineral Point furnished one-third of the whole. At Galena, Lead was selling at $2 80 der cwt. At Pittsburg, the market for Iron is very unsettled. Common Bar 3 a 3½c, and Juniata 3 a 3½c per lb. The following are the present rates for Nails—10d $4 per keg; 8d 4 25, 6d 4 75; 3d 6 25, and firm. A No. 2 article sells at 12½ cts per keg less. The low state of the rivers is an obstacle in the way of getting Pig Metal to market; the stocks on hand are fast going off. Sale of 23 tons, a mixed lot, of hard Allegheny at $30, 4 mos; 10 tons, same quality and price. A No. 1 article would readily bring $32 per ton.

FEATHERS—We notice sales of 3000 lb. inferior Western Live Geese, at 24 cents, cash.

FISH—Dry Cod remain dull, and quiet have been sold at $2 75, which is a reduction. Mackerel are in fair request, and for No. 2, which are scarce, prices are well supported; 300 bbls, changed hands at $11, for No. 2; $11 50 a $11 62½, for No. 1; and $5 25 a $5 50, for North No. 3, in lots. FRUIT—Sales have been made of 500 boxes Bunch Raisins, at $2 35; 500 inferior do. $2 25; 500 quarter boxes 50 cents, 4 mos.

NAVAL STORES—Buyers of Turpentine for shipment are awaiting receipts of the *new* crop, of which there has as yet been none received; the arrivals of *old*, though very small, are equal to the present demand, and the few sales made are at former prices. Rosin is moderately plenty, and very dull; we note sales of 850 bbls Southern allomt at 50 cents, cash; and 200 Wilmington on terms not transpired. Spirits Turpentine sells in small lots as wanted at 34 a 42 cents, cash and time, but this price could not be realized for entire parcels. Tar remains at $2 87½ for small, and $2 a 2½ for large barrels.

TOBACCO—Sales have been made of 50 hhds Kentucky at 3 a 3½ cents, 4 mos, and 84 bales St. Jago, to go out of the market, on terms not transpired. By auction, of Kentucky, 32 hhds, common sold at 2½ a 3½ cents, average $2 88; 10 do 2¾ a 4½ cts, average $3 25, 4 mos; and 1 do unmerchantable, 2½ a 2½ cts, cash. At Richmond, the inspections are large, but with little or no change in prices—logs $1 75 a 2 30, common leaf $2 75 a $4; middling $4 a 5; good to fine $6 a $7 75; extra manufacturing sells from $10 to $15. For good and fine qualities the demand continues quite active. At St. Louis, the market has exhibited much animation, but from the limited stock, sales have been small. No change in prices, which range as follows:—fine manufacturing 5 a 7½ cts, fair 3 a 4½ cts, fine shipping 3½ a 4 cts, fair 2½ a 3 cts, inferior 1½ a 2½ cts, common logs 1 a 1½ per lb. All descriptions are in active demand, but the better qualities are the most inquired for. At Louisville, the qualities are—firsts, $3 60 a $6. Seconds, $1 90 a $3 50. Thirds, $1 25 a 1 80. At Todd's Warehouse, the receipts for the season exhibit an increase of 968 hhds, on that of the corresponding period of last year, but in the opinion of those whose opportunities are the best for forming a correct judgment, that the entire crop of this year will not exceed that of last year. The Planters encouraged by better prices have come forward earlier. There is a good attendance of buyers.

WHISKY—The market is rather heavy, and Prison bbls would not readily bring 21½. Sales 50 bbls common at 21½ cts. Drudge is 21 cts and quiet.

PROVISIONS—Ohio Pork is very heavy, and old Prime was freely offered at 9 37½, without finding buyers. One lot was on the market we understand at 9 31½. New is entirely nominal and quotations cannot be easily given. A sale of 100 bbls old Mess was made at 12 50, and 200 do old Prime at 9 37½. There is rather more enquiry for Beef, and some considerable lots are in negotiation. We note sales 400 bbls Prime Mess for export at about 12 75 or $12, and 100 bbls Mess, City, at $13. ☞ **Dr. Benning's Patent Lace or Body Brace.** This instrument is destined to relieve dyspepsia, weakness and pain in sides, arising from a sensation in the stomach, constipation and piles, weak lungs, cough and spitting of blood, palpitation of the heart, weakness of the loins and limbs; stooping of the body, with curvature of the spine and enlargement of one shoulder, particularly in children and young ladies; also female debility and weakness of voice. Seamstresses, Clerks, Students and others who keep the bent attitude, find much immediate comfort from its use. It operates by elevating the whole pile of organs, (which have descended from muscular weakness,) and maintains them in place by its lifting flexibility. Dr. B. can be consulted at 437 Broadway, over the store of Mr. Wise's optician office, only from 9 A. M. to 12 M. and 3 to 6 P. M. for a few weeks. A female is in attendance on Ladies. City and Country Physicians and Druggists are invited to call, and may be supplied by applying at the above address. "Common Sense," on Chronic Disease, for sale.—An arrangement can be made by which any can be made. my15 6mesdis

☞ **Canal from Wolf River to Memphis.**—By order of the Board of Mayor and Aldermen of the Town of Memphis, Tennessee, I do hereby advertise for proposals to construct a Canal from Wolf River to the City of Memphis, a distance of Eleven Miles. Said Canal will be laid out in sections of one mile each, and sealed proposals for its construction will be received until the 20th day of July next; the work to be paid for in the Bonds of the Corporation, having Twenty Years to run, with interest payable semi-annually at Philadelphia.
The Corporation is out of debt and has a revenue which has increased 40 per cent. per annum for the last four years, and now amounts to about twenty-five (25,000) thousand dollars a year.
Operators wishing to contract are invited to come and examine the ground, when all the information desired will be furnished. J. J. FINLEY, Mayor of Memphis, Tenn.

☞ **Great Sale of Short-Horned Cattle.**—The subscriber will sell, by Public Auction, at his place near Albany, on Wednesday, the 25th day of June, at 10 o'clock A. M. his entire herd of pure-bred and imported SHORT-HORNED DURHAM CATTLE, consisting of about fifty animals: Bulls, Cows and Heifers. Catalogues and more full notice may be seen in the May No. of the Albany Cultivator, and New-York American Agriculturist.
The sale will be positive and without reservation, except in relation to three or four individuals, on which the subscriber will claim the privilege of bidding, openly and with others, not on account of any peculiar merit, but that he may not necessarily get out of the nucleus of a stock which, in kind, he thinks more highly of than any other, and which in quality he feels confident in saying cannot be surpassed, and that too for prices a little more than nominal, (as the case may be,) compared with the cost of these, or prospectively, with others, even if others as much to his satisfaction could be had.—Mount Hope, near Albany, May 24th, 1845.
