helps the circumstances of the poor. It is a singular fact, and one which is demonstrative in the highest degree of the resources of the city, that the deposits in the banks are larger now than previous to the great fire. In the Bank of Pittsburg there were before that catastrophe, rising $300,000, and now there are rising $700,000 on deposite.

No change in Nicaragua or Red Woods. The only sale we have noticed was of about 70 tons Jamaica Logwood, from the wharf, at $16, cash.

FLOUR AND MEAL.—The weather was unfavorable to day for moving Flour and there has been but little done. The receipts continue to be very light. Prices remain unchanged but the market must be quoted heavy. Only Genesee made of pure Genesee Wheat will bring 4 75; otherdescriptions 4 69; Michigan and Ohio 4 50@4 62½. In Southern we hear of nothing doing.

GRAIN.—Nothing doing in Wheat. Rye is without supply and nominal at 66@67c. Northern Oats 36@37c and steady. In Corn we notice sales 5000 bush. GROCERIES—*For Tire Days*—There is no change in the Coffee market, which, however remains very dull. The sales include 1000 bags Brazil at 6¾@7¼ cents; 500 Laguayra, 7@7¼; and 150 Java, &c. 4 mos. By auction, 284 bags damaged Brazil sold at 4@6 cents, cash. Molasses continues depressed, except prime qualities which are in fair request. HEMP.—We notice sales of 350 bales dew-rotted American, mostly at $90@$95; and 200 do Manilla, $142 50, 6 mos.

LEATHER.—The auction on Thursday was well attended by buyers, who took 2027 sides Sole, at prices which show a slight advance on those obtained at the last public sale, notwithstanding the credit then given was 6 mos. and at the latter only 4 mos.

METALS.—The stock of new Sheathing Copper is very light, and with a good demand, 21½ cents, cash, and 22 6 mos. are now readily obtained for parcels as wanted for immediate use; 3750 ℔ Old brought 17½, cash. We have heard of no transactions in Iron in this market since the Caledonia's advices were received, except 100 tons Gartsherrie Pig, on private terms; 160 tons English Scrap sold previously, but the price is not made public. A cargo of 350 tons Swedes has just arrived. The market for Missouri Lead is steady without further sales. We notice a sale of 25 tons Spelter Plates, on terms not made public.

OILS.—Before the arrival of the Caledonia's advices, Crude Whale sold at 33½ cents—since then 12,700 bbls sold, part at 35, cash, and part on terms not made public. Linseed is without improvement; American can be had, in bbls at 67 cents; 5000 gallons English sold from the wharf, at 70 cents, cash; 100 bskts Marseilles Olive, $2 87½, cash, and $3, discount off. By auction, 200 bskts Nice Olive sold at $3 12½, 4 mos.

PROVISIONS.—The market is perhaps a trifle duller for new Pork, but old seems to hold its own. There is not much doing to-day excepting in the regular trade. A sale of 500 bbls old Prime was made at 9 69 and 100 bbls new Mess was reported at $13. Beef is steady with sales 250 bbls Country Mess at $9 00. In other provisions we hear of no transactions excepting 300 kegs Lard at 8 cts, cash.

SALT.—The arrivals are not large, and there is but little doing—an invoice of Liverpool sack just received, was sold previously. By auction, 1665 sacks stained Liverpool Fine sold at $1 12½@1 24, cash.

SKINS.—We have only to notice a sale of 3000 Mexican Goat, at 65 cents, 6 mos.

☞ **In To-Day's Paper** we call the attention of the public to the additional evidence of Rev. James M. Challiss, in favor of Schenck's Pulmonic Syrup.
MARLTON, New-Jersey, May 8th, 1845.
Mr. J. H. SCHENCK—Sir, I am Pastor of the Baptist Church at Marlton, New-Jersey. Some three or four months since, I was taken by one of the deacons to see one of his respected neighbors, Mr. Richard L. Cox, then lying, to all human appearance, at Death's door by Consumption. My distinct impression was, that the gentleman would not live one week. To my surprise, I saw him in my congregation last Sabbath, a healthy looking man. To-day I have been at his house, and received from him the assurance, that your SYRUP was the means of saving his life.
I am, respectfully, yours, JAMES M. CHALLISS.
The certificate and deposition of Mr. Cox, may be seen in another part of this paper.
Please notice that P. S. Beekman, of 491 Courtland st, is no longer an agent for the sale of the Genuine Schenck's Pulmonic Syrup.
The Genuine Schenck's Pulmonic Syrup can be had at the Proprietor's office, No. 4 Courtland-st a few doors below Broadway. [my26 1moeds*] J. H. SCHENCK.

☞ **To the Public.**—At the late Fair of the American Institute, the subscriber received a silver medal for a specimen of his TIN PLATED LEAD PIPE, which he offers to the public at the same price at which the common Lead Pipe is sold. Scientific men have universally agreed that Lead Pipes, used for domestic purposes, are not only prejudicial, but highly dangerous; plating with Tin renders them safe, sweet, and free from all objections. Aside from the plating, the undersigned warrants his Pipes equal to any manufactured in the world. A discerning public will not fail to discriminate between Pipes manufactured by me, and other manufacturers of common Lead Pipe.
