JONES'S ORIGINAL POEMS...No. 1.

I am grateful for the morning wind that fans my fever'd brow—
I am grateful for the morning sun that shines so glorious now;
I am grateful for my life, my health, my name, my form, my grace;
But grateful I am not for all these pimples on my face.

I am grateful to the inventor of the famous Jones's Soap,
That clear'd my skin of tan and blotch, and filled my eye with hope!
That cleared my neck of freckles, made my hands and arms like snow;
And also for his hair-unguent, that forced my hair to grow.

I am grateful—yes, indeed, I am—for, by using these two things,
My skin is white, my hair is made as black as raven's wings;
And I will still be grateful, yes, as long as I do live,
To Jones's Italian Chemical Soap, and Hair Restorative.

☞ Reader! honestly and sincerely, though we thus puff and poetise JONES'S CHEMICAL SOAP, and JONES'S HAIR RESTORATIVE, we can conscientiously assure you, as can hundreds who have used them, that, for the purposes required, they are the most excellent, useful and beautiful things ever made. The Soap (mind, ask for Jones's Soap,) will cure pimples, freckles, salt rheum, scurvy, or any eruptions or disfigurement; it will make dark, sunburnt skin in a short time clear, white, fair, beautiful, and free from spot or blemish.

The Jones's Hair Restorative is well known to be the best thing ever made, for though it makes hair, however dry or harsh it may be, clean, soft and silky, it forces hair to grow, stops it falling off, cures the scurf or dandruff, and keeps it in order thrice as long as any other article. Both are sold only at the sign of the American Eagle, 82 Chatham-street and 225 Broadway, New-York; 139 Fulton-street, Brooklyn; 8 State-street, Boston; 5 Ledger Buildings, Philadelphia; and 57 State-street, Albany. jy18 2tcod

The following circular has been issued by Mr. Walker, Secretary of the Treasury:

TREASURY DEPARTMENT, July 18, 1845.

Sir: In consequence of embarrassments attending the transfer of Stock certificates, and coupon certificates changed into transferable stock, I deem it necessary to make the following regulation:

The attestation of witnesses to endorsements or assignments will be dispensed with in all cases of stock or coupon certificates, transmitted heretofore or hereafter to this Department, as security for the public depositors; and also in cases where the signature of the several assignors or endorsers is known in your office, or in this Department, to be genuine.

An assignment or an endorsement by a Bank or other corporation, if subscribed by the President and Cashier, or other proper officers in their official capacity, and attested by the seal of the corporation, will be deemed sufficient to transfer its interest.

An affidavit of ownership will be required in all cases where the attestation of witnesses of the assignment or endorsement is not made.

A statement from Harrisburg gives the amount in the Pennsylvania State Treasury at about $450,000, and it will be increased by the 1st of August, without the County of Philadelphia's quota to nearly, if not quite, $600,000, which added to the sum of $275,000 to be furnished by Philadelphia County, will exceed the sum necessary to pay the interest in full, the interest to be paid being less than $850,000, and not $950,000, as erroneously said. The following is a comparison of the receipts and expenditures for the month of June of this year, with those of the same month last year:

Amt. exp. less this year than last	$123,630 28
Making a total gain for the month of	$171,722 80
The amount received from the public stocks for June, 1845, was	$146,741 06
The receipts from the same source for June, 1844, were	97,673 26
Increase for June	$49,037 80

The County of Montgomery paid in full the sum of $37,000. The counties of Greene, Erie, Westmoreland and Carbon have also paid in full; and the Counties of Mifflin, Juniata, Cumberland and Lafayette have paid a part. The County of Delaware will pay in full this week.

The Directors of the Bank of Kinderhook have declared a dividend of 4 per cent payable on the 1st of August.

The State of Louisiana has completed the arrangement with the Bank of Louisiana authorized by the law of the last session of the Legislature. The measure enables the State at once to wipe off a large mass of the principal of its debt, and the interest due on the whole of it, beside ensuring its ability to meet with punctuality all that can accrue hereafter.

The following Companies have declared dividends for the past six months, viz:—Methuen Manufacturing Co., Methuen, 10 per cent; Dedham Manufacturing Co., Dedham, 10 per cent; Norfolk Manufacturing Co., Dedham, 12 per cent; York Manufacturing Co., Saco, 10 per cent.
