SONNET.

Thou lookest on me out of pensiveness;
Full well I know there's pity in thy heart,—
Such pity as from Love doth ever start,
When she puts on her robes of soberness,
And comes and sits beside our loneliness,
And of each sorrow asks to bear a part.
Of Sympathy the patient, blessed child,
Alike the dear child of Humility,
Oh! many a weary one hast thou beguiled
With their rapt tones of spiritual harmony;
And thus thy heart now singeth unto me.
Sending into my own the holy strain
That awes with sweetness each dull sound of pain,
Then melts into a song of Hope and Good to be.

Correspondence of Livingston & Wells.

BUFFALO, July 26, 1845—41 o'clock P. M.

Flour is completely neglected. Black Rock is freely offered at $3 65, and good straight Western brands at $3 75; but there appear to be no buyers in market. Some eight thousand bushels of Wheat have been received to-day, and a small amount of Flour, say 250 bbls; but Wool, Seeds, Lard, Fish and Cheese arrive pretty freely. The highest price offered for best samples of old Wheat to day is 70 cents, and a sale of 900 bushels Chicago has just been made at 62½. There is no new Wheat on the market; but advices have been received of shipments which will probably arrive by the middle or latter part of next week; 2500 bushels Oats afloat sold at 32 cents.

Mess and Prime Pork are in moderate demand at $12 50 for the former and $8 50@$9 for the latter. Smoked Hams sell freely at 7 cents. Shoulders at 5. A sale of 95 bbls. High Wines was made at 18½ cents, and the stock on hand is rapidly decreasing.

Seeds continue in fair demand. A prime lot of Clover (490 bushels) sold at $3 44; Timothy is taken at $1.

The demand for Wool does not keep pace for the supply, and much of it is consequently shipped through to an Eastern market. Prices continue to range at 18@28 for clean washed fleece.

DISASTERS, &c.

The new schr Henry R Barnes, which was run into by the steamer Narragansett, in Long Island Sound, has been towed up, and run aground near Lloyd's Harbor.

An agent of the underwriters on ship Centurion, (ashore on Nantucket Shoal) who left her on Wednesday, at 7½ P. M. states that the ship is full of water, and undoubtedly bilged, and that it would be nearly impossible to get the cargo and ballast from the hold, free from water and get her off. Her fore and mainmasts are gone, rigging stripped from the masts, and the ship badly hogging in her starboard side. All the cotton, a portion of the hemp and a few staves had been saved, and boats were alongside saving what they could.
