GENERAL NOTICES.

N. W. BADEAU'S
STRENGTHENING PLASTERS.

These Plasters are prepared for pains or weakness in the breast, back, side or limbs—Also for the gout, rheumatism, liver complaint and dyspepsia. And for coughs, colds, asthmas, difficulty of breathing, oppression of the stomach, &c., they will give almost immediate and soothing relief; and for pleasantness, safety, ease, and certainty, are decidedly superior to most other remedies. At certain seasons of the year, when coughs and colds are so prevalent, and when so many are afflicted with affections of the breast and lungs, there is nothing in the whole range of the materia medica that can be used with so much safety and certainty as BADEAU'S PLASTERS. Persons about purchasing will be particular always to ask for BADEAU'S PLASTER, then look on the back of the Plaster and see if the signature of N. W. BADEAU be on it, and if not, it cannot possibly be genuine. BARNES & PARE Agents, 15 Park Row. n5 6*119
