MEDICINES.

WHAT THE CLERGY THINK OF MRS. WINSLOW'S SOOTHING SYRUP for children teething:

We will touch our Sway to say a blessing on Mrs Winslow's for helping her to survive and escape the griping colicking and teething siege. We confirm every word set forth in the prospectus. It performs precisely what it professes to perform, every part of it, nothing less. REV. C. Z. WISER, Selins Grove, Penn.

We have tried it, and know it to be all it claims. REV. J. S. HOLMES, Brooklyn, N. Y.

One of the most useful medicines of its kind ever presented to the public. REV. DR. SHAILER, Portland, Me.

In our own family it has proved a blessing indeed. REV. SYLVANUS COBB, Boston, Mass.

We have tried it and know whereof we affirm. By its use our infant has been brought through the critical period of teething with scarcely a fever. REV. A. JONES, Jackson, Miss.

TIMELY WARNING—EVERY MOTHER should be prepared to act in the capacity of both nurse and physician to her children; she can if she will, discharge these duties much better than any one she can employ. If she does not, she ought to know that here is a medicine prepared by an old nurse and female physician which has stood the test of many, many years, and is the most perfect thing on earth for children teething. It also cures Wind Colic, Dysentery, Diarrhœa, and is sure to regulate the bowels. We say to every mother, do not let your own prejudices, or the prejudices of others, stand in the way of the relief that will be sure—yes, absolutely sure—to follow the use of Mrs. WINSLOW'S SOOTHING SYRUP. It is sold everywhere, at 25 cents a bottle. Office No. 13 Cedar st, New York.

A PERFECT CHARM. MRS. WINSLOW'S SOOTHING SYRUP certainly does, as the name implies, "soothe" the little sufferer into a quiet, natural sleep, from which it awakes invigorated and refreshed. And for the cure of diseases incident to the period of teething, such as Dysentery, Diarrhœa, Wind Colic, &c, we have never seen its equal.

We have always been, and still are, opposed to the practice of drugging infants. This article has no deleterious effects whatever, and from our own experience (we speak advisedly) we have every confidence in it, and can heartily recommend it to all mothers. Take our advice—use it—and you will as strongly recommend it to others as we have to you.

WHEN WE SAY that MRS. WINSLOW'S SOOTHING SYRUP acts like a charm, we do but reiterate the language of every person who ever used it for their children, for all diseases incident to the period of teething, such as Dysentery and Diarrhœa, Wind Colic and Cholera Infantum. It will produce quietude and rest, relieve all suffering, and the infant will awake invigorated and refreshed, and not with the dull and stupefying effects of preparations of opium. Sold everywhere, 25 cents per bottle. Office, No. 13 Cedar street, New York.

MRS. WINSLOW AGAIN. Mrs. WINSLOW an old and experienced nurse has devoted herself for more than thirty years exclusively to the care of children. She has a SOOTHING SYRUP for children teething, which we believe a most invaluable preparation, not only for children teething, but in all cases of Dysentery or Diarrhœa. We speak of what we know, when we say the SOOTHING SYRUP acts like a perfect charm in the above cases. We have witnessed the most satisfactory and pleasing results from the use of it, upon suffering infants and children in a great variety of cases. It gives universal satisfaction, is perfectly safe for the feeblest infant, and pleasant to the taste. We sincerely believe the mother who has a child suffering from any of above complaints, and neglects to provide this medicine for its relief and cure, is depriving the little sufferer of the remedy of all the world best calculated to give it rest, and restore it to health.

MRS. WINSLOW VS. CRYING CHILDREN. Are you disturbed at night and broken of your rest by a sick child suffering and crying with the excruciating pain of cutting teeth? If so, go at once and get a bottle of MRS. WINSLOW'S SOOTHING SYRUP. It will relieve the poor little sufferer immediately—depend upon it; there is no mistake about it. There is not a mother on earth who has ever used it who will not tell you at once that it will regulate the bowels and give rest to the mother and relief and health to the child, operating like magic. It is perfectly safe to use in all cases, and pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States. Price 25 cents. Office No. 13 Cedar-st., New York. Sold everywhere.

During the thirty years of unprecedented and increasing popularity of MRS. WINSLOW'S SOOTHING SYRUP, innumerable "CORDIALS" and other nostrums, prepared by pretended M. D.'s, have sprung up and lived but a mushroom existence, while the SOOTHING SYRUP has been constantly increasing in popularity, and become a household word, and THOUSANDS OF MOTHERS THANK MRS. WINSLOW for the health of their children by the use of her in valuable article.

When the present race of "Cordials" have followed in the footsteps of their "illustrious predecessors," Mrs. WINSLOW'S SOOTHING SYRUP will continue to be a popular favorite and a blessing to every mother.

Beware of Counterfeits. None genuine unless the fac-simile of CURTIS & PERKINS, New York, is on the outside wrapper. Sold by Druggists throughout the world. Principal office, No. 13 Cedar st, New York. Price only 25 cents per bottle. feb27*19
