JAS. G. batterson, President. ROONEY DENNIS, Secretary.

OLDEST ACCIDENT INSURANCE COMPANY. NEW YORK OFFICE, 168 FULTON ST., Opposite St. Paul's Church.

JOHNSON & FISHER, General Agents.

ACCIDENT INSURANCE. ITS IMPORTANCE.

Every man is liable to accident, no matter what his occupation or pursuits. "Good luck" cannot always be depended upon. The questions to be settled are precisely the same as in fire insurance. Is it not cheaper to let a responsible Company take the risk than it is to take it yourself? Is not your body worth more than your dwelling house? Is not the protection offered worth more than it costs?

GENERAL ACCIDENT POLICIES.

A General Accident Policy insures against accidents of all kinds, and at all times and places. This is a kind of policy we recommend to all our patrons. They are issued for any period from one month to five years.

These policies furnish a complete protective insurance, anywhere and at all times.

WEEKLY COMPENSATION.

An important consideration, which commends Accident Insurance to public favor, is its system of weekly compensation. Under an ordinary life policy, the person whose life is insured, can never reap any personal benefit from the sum assured; it goes to his family or heirs after his death. But any person insured in the TRAVELERS, who is injured by any accident whatever, so severely as to temporarily disable him from attending to his usual business, can receive the benefits of insurance at once, and have the consolation of drawing his fifteen or twenty-five dollars per week, toward paying doctors' bills and family expenses.

OVER NINE HUNDRED COMPENSATION LOSSES PAID.

On the books of the Company are recorded over nine hundred cases of weekly compensation losses, paid within the past eighteen months for non fatal injuries.

These losses have, without a single exception, been paid promptly without contesting one.

TOTAL LOSSES PAID.

In twenty-five cases, the large sum of $92,500 was realized by the families of the policy-holders, for less than $395 received in premiums.

THE CHEAPEST EFFECTIVE INSURANCE.
