ATLANTIC CABLE.

REDUCTION IN ATLANTIC CABLE TOLLS.

To take effect on and after Dec. 1st, 1867.

1. Between New York City and any point in Great Britain or Ireland:

For a message of 10 words, not exceeding 10 letters, or an average of 5 letters per word ..... $25 00 gold.
Each additional word ..... 2 50 "

Five words, not exceeding the average just given, will be allowed for address, date and signature without charge.

NOTE.—Facilities will be afforded for the registration of approved bona fide names and addresses, the privilege subject to withdrawal if abused.

2. All extra charge for code messages is abolished, but the company will not undertake to accept every form of code that may be presented, except at special rates.

3. Messages in cypher will be charged:

For the first ten cyphers ..... $25 00 gold.
Each additional cypher ..... 2 50 "

NOTE.—By cypher is meant the use of numerals or letters of the alphabet not forming any known or dictionary words, nor names of places, ships, persons, etc. When cypher is intermixed with plain words, the plain portion will be charged ordinary rates, and the remainder as cypher.

4. Properly accredited agents of any newspaper or newspaper association will be allowed to transmit at half price political and general news and in plain language only. No abatement will be made to newspapers on commercial or code messages.

Contracts may be entered into by which the Company will agree to adhere to the half rate for one year to such newspapers as will pay to the Company at least $3,750 per month for political and general news. Newspaper agents must register a special address which is not to be altered without the consent of the Company.

5. Three times the ordinary rate will be charged for "packed" messages.

6. Any Government using a Code shall pay for the number of words contained in the dispatch before its translation into Code, provided that the Code averages not more than four letters or four numerals to the word.

7. Messages may be repeated back from their point of destination to the point of origination by the payment of double rates.

8. Messages for points beyond Great Britain will be charged the local rates from London additional. Messages originating at other points than New York city, will require additional local rates, regulated greatly by the relative position of the Station.

9. The above arrangement is made provisional and may be changed in any of its clauses whenever the company deem it advisable or necessary. 836
