MONDAY, MARCH 15, 1869, AT 12 O'CLOCK
at Exchange Salesroom, 111 Broadway,
48 PARCELS OF LAND,
CONTAINING ABOUT 181 LOTS,
Estate of LEWIS G. MORRIS.
This is the only property on the line of Central avenue having direct communication with the railroads; fine streets leading to the
HORSE AND STEAM CARS
are already opened. It is the only property in this vicinity that will not require
GRADING OR CLEARING AWAY FOR BUILDING PURPOSES,
and is entirely free from Trees, Rocks, Shrubbery, and other nuisances, which in some localities cost so much to remove.
Persons desirous of visiting the property can take the
HORSE OR STEAM CARS
(which run at all hours) to Tremont, thence to Central avenue, about five minutes' walk from the cars, on a well regulated road; or it may be reached by carriage through the Central Park and Central Avenue Boulevard, the most complete and magnificent carriage and equestrian drives in the world.
A man will be found at Heincel's Hotel to give such information as may be desired in regard to the property.
The great feature of Westchester county at present in this connection, viewed from a city standpoint, is the
CENTRAL AVENUE,
which is one of the broadest and finest avenues in the world for the general characteristics of dimensions, locality, and the beauty of surrounding and adjoining scenery.
It is to have an addition of a 14-foot walk on each side, divided from the carriage and bridle drive by rows of trees. The contract for grading the sidewalks is now being carried out
