INSPECTORS OF ELECTION.—Notice is hereby given that the Mayor has filed with me a Settlement of the Canvass of the Inspectors of Election in each Election District of the city, in compliance with section 5, chapter 116, Laws of 1871. (See following.) And that he has also filed the oath of office the certificates required to be issued by him to such Inspectors by said section, as follows: "The said Mayor shall duly sign, after the oath of office, appointed to each person so appointed by him as such Inspector of Election, within ten days after such appointment." And such appointees are hereby notified that they can obtain such certificates on application at this office.

The aforesaid Inspectors of Election, declared to have been elected by the Board of County Canvassers, and of whom appointed by the Mayor, as per his certificate following, is called to the following extract from section 5, chapter 116, Laws of 1871:

"All Inspectors of Election, whether elected or appointed, except such as may be appointed to fill vacancies on the day of election, shall appear before the Chief of the Bureau of Elections within twenty days after they shall be declared elected or shall be duly appointed, as her therefore provided, and shall take and subscribe the oath of office as prescribed by the constitution. Any Inspector of Election who fails to appear and take and subscribe to such oath, within the time designated, shall be considered thereby to have declined the office, and his place shall be filled as a vacancy."

The time within which the elected Inspectors may take the oath of office will expire on the 10 day of December; those of those appointed will expire December 19.

CORNELIUS CORSON,
Chief of the Bureau of Elections.

CITY OF NEW YORK, MAYOR'S OFFICE, CITY HALL, Nov. 29, 1871.

I, A. Oakey Hall, Mayor of the city of New York, in pursuance of the requirements of section 5 of the act entitled "An act in relation to elections in the city and county of New York," passed April 5, 1870, have appointed as "an Inspector of Election in each election district" of said city the following persons, they appearing by the statement of the Board of County Canvassers to be the persons "who received the highest number of votes for Inspector of Election for his district next to the votes received by the two Inspectors of Election declared by the Board of County Canvassers to have been elected" the persons thus appointed being, so far as it has been possible for me to ascertain from the mixed political aspects of the canvass, "from the party in general political opposition on State issues to the party electing the two successful candidates for Inspectors of Election," I believing them to be equally determining.

A. OAKEY HALL,
Mayor of the city of New York.
