One day it occurred to him that it would not be a bad thing to do so, it is recorded, he said: "Jane, my woman, we've been acquainted now for six years, an'—an'—I've never got a kiss yet. D'ye think I may take one, my bonnie lass?" The reply was characteristic of the Scottish maiden. "Just as ye like, John," said she, "only be becoming and proper wi' it." "Surely, Janet," said John, "we'll ask a blessin'." The blessing was asked and the kiss exchanged. "Oh, woman!" said the enraptured but still devoted minister; "Oh, woman! but it was guide. We'll noo return thanks." And they did.

—A gentleman from the land of the olive and fig, and also of the earthquake and volcano, was in the city the other day, lodging near the rehearsal rooms of one of our brass bands. He had retired for the night, and was slumbering peacefully, when suddenly a talented artist commenced an elaborate solo on the bass drum, with a muscular accompaniment on the cymbals. Within a moment there came a volley of *carafas* and *carambos* from a window, followed immediately by a dishevelled Spaniard, dressed principally in a necktie and a window sash. He was about to take to the woods when he was persuasively collared, and informed that he was mistaken—that it was not an earthquake, and after considerable argument he was convinced and retired.

PAREPA-ROSA ENGLISH OPERA.

Mr. CARL ROSA feels honored in being able to announce that, at a large outlay, he has been enabled to effect an arrangement with the greatest of living baritones,

MR. CHARLES SANTLEY,

by means of which the public will at an early date be afforded an opportunity of listening to this great artist in some of his most important operatic impersonations. Since Mr. SANTLEY'S arrival in this country a widespread desire has been felt to hear his noble voice in opera, as well as in the concert-room, and respecting this desire, Mr. ROSA has left no effort untried to bring about the consummation of the wishes of the public, who have always treated his efforts with so much kindness, appreciation and approbation.

Mr. SANTLEY'S first operatic appearance in New York will take place in connection with the PAREPA-ROSA GRAND ENGLISH OPERA COMPANY, which will commence its season at the ACADEMY OF MUSIC, MONDAY FEB. 5.

No effort will be spared to make the event one of the greatest significance in art circles.

Mr. SANTLEY'S reputation is so well established on both sides of the Atlantic that advance praise of him were superfluous, and Mr. ROSA can but express his gratification in having the honor of introducing to American operatic audiences an artist who has won the admiration of two hemispheres.

8 PER CENT. GOLD

FIRST MORTGAGE SINKING FUND BONDS (COUPON AND REGISTERED) INTEREST PAYABLE QUARTERLY, FREE OF GOVERNMENT TAX. ISSUE LIMITED TO $16,500 PER MILE, OF THE LOGANSPORT, CRAWFORDSVILLE AND SOUTHWESTERN RAILWAY OF INDIANA. PRICE 92¼ AND ACCRUED INTEREST.

This Road, 92 miles in length, 76 of which are in actual operation, runs southwesterly from Logansport to Rockville, passing centrally through five of the wealthiest and most productive counties of Indiana, hitherto without railway facilities, and penetrating for twelve miles at its southern terminus the celebrated block coal fields of Parke county. It affords the shortest existing outlet to Chicago, Toledo, Detroit, Fort Wayne, Logansport, and all other intermediate points for the block coal (now in such large demand), lumber, cattle, grain, and other surplus products of this rich agricultural and mineral section of the State.

For the present we offer a limited number of these First Mortgage Bonds at 92¼ and accrued interest, in currency, or will exchange them for United States Bonds or other marketable securities at the rates of the day.

At the above price these Bonds yield to the investor 60 per cent. more income than the bonds of the United States, and we unhesitatingly recommend them to all classes of investors as offering the most ample security and liberal returns.

FURTHER AND FULL PARTICULARS, WITH PAMPHLETS AND MAPS, FURNISHED BY US ON APPLICATION.

JONES & SCHUYLER, 12 PINE STREET, NEW YORK, FINANCIAL AGENTS OF THE COMPANY.

MIDLAND RAILROAD

FIRST MORTGAGE 7 PER CENT. GOLD BONDS. *Limited to $20,000 per mile on finished road.*

The rapid progress towards completion of this great *Trunk Line* from New York to the West and to Canada, enables us to offer to investors at par and interest a further limited issue of these favorite securities.

Upwards of 340 miles of this road, including the New Jersey section, are already finished, equipped, and in operation; and contracts with responsible parties have been made for its entire completion by the first day of July next. When this shall have been accomplished its earnings cannot fail to be large and highly remunerative, as it has advantages at least equal to those of any of its competitors for both local and through business. It is building for cash, *of which nearly $8,000,000 have been furnished by subscription to its stock at* PAR. The work is substantial, and, including equipment, has not exceeded in cost $50,000 per mile, which is *less than one-third* of the amount at which some of the trunk lines of roads leading from New York are capitalized, and on which they are paying good dividends.

In view of these facts, the Midland First Mortgage Bonds must be regarded as a first-class security—quite as safe as Governments; and, by making the exchange at the present difference in price, *holders of Midland Bonds will receive 33 per cent. more of revenue upon the amount invested than the holders of Government Bonds.*

For sale or exchange for Governments at their market price, by
