ANOTHER CLERGYMAN'S CASE.

The Friends of the Rev. Mr. Porter Astonished—Will they Raise his Salary?

From the Boston Herald.

The church trial of the Rev. G. W. Porter by the Methodist Episcopal Church for adultery and charges made by L. D. Pember commenced Tuesday at the church in Danby Borough, Vt., before the presiding elder, the Rev. Mr. Watson of the Burlington district. The hearing was opened at 2 o'clock in the afternoon and continued through the evening and the next day. Quite a number of ministers and other gentlemen from abroad are present. The trial has been somewhat private, and only those who were invited have attended. Miss Hattie Allen, the young lady with whom Mr. Porter is charged with having the illicit intercourse, made a clean breast of the whole affair, giving dates, times and places. Letters have also been introduced as testimony against Mr. Porter, written to Miss Allen, although having no signature, but admitted by her to have come from him. Miss Allen was on the witness stand some nine hours, and it is said has not been crossed once, but told a good, straight story. The examination seemed to be thorough on the part of the church, and no effort appeared to have been made at any time to cover up or evade anything connected with the scandal. Mr. Porter's wife is present at the trial. Mr. Porter was arrested on Wednesday at 12 o'clock by Officer Howe on a warrant issued on behalf of the State. Bail was readily procured to the amount of $1,000 for his appearance at court, to be held in Danby on the 12th of August. The trial seems to cause considerable excitement, and the friends of Mr. Porter seem to be greatly surprised and disappointed at the developments.
