THE NEW LONG ISLAND IMPROVEMENT AND EMIGRATION SCHEME.
LONG ISLAND RAILROAD COMPANY.
THOS. R. SHARP, Receiver.
REVISED NOTICE TO NEW SETTLERS.
The Receiver of the Long Island Railroad Company desires to call the attention of all in search of homes to the inducements offered to new settlers on Long Island who will purchase and cultivate farming and gardening land, make improvements thereon, or purchase lots and build dwellings, or purchase new dwellings which are to be occupied by themselves.
Long Island has many delightful villages and suburban towns and thousands of acres of excellent uninproved land. These lands are the very best for market gardening or small farming, and can be purchased at extremely low rates.
The following inducements are offered to those purchasing farms:
Free transportation for their families, domestics and laborers when moving.
A reduction of one-half from tariff rates on their household effects, from Brooklyn or Long Island City, when moving to their homes on the line of the Long Island Railroad.
Produce raised on their farms and shipped by them to New York, Brooklyn or Long Island City will be transported at a reduction of one-half from tariff rates, and the head of the family will be transported free for one year from the date of acceptance of their application.
To those purchasing town lots and building houses thereon, to be occupied by themselves, a free ticket for one year, for their families, and a reduction of one-half from tariff rates for their household effects, and free transportation for their mechanics and servants from Brooklyn or Long Island City when moving.
All building materials, strictly for their own use in improving the property purchased by them will be transported to new settlers from Brooklyn or Long Island City at half tariff rates for one year.
THE CONDITIONS UNDER WHICH THESE PRIVILEGES WILL BE GRANTED ARE AS FOLLOWS.
1.—Application must be made on the printed forms supplied by the company, which must be obtained at all stations or by an authorized agent of the company.
2.—The applicant must be a married man or a single and not a previous resident of that portion of Long Island tributary to the Long Island Railroad, and must occupy and improve the property purchased.
3.—The property must have been purchased within three months previous to the date of application, and at date of purchase unimproved, or not occupied during previous twelve months
