Law Courts.

Supreme Court—Before Chief Justice Oakley—*Hernandez* vs. *North River Bank*—Action, trial without a jury, to recover the amount of a check drawn by plaintiff, but payment refused on the ground that Hughes claimed the fund in bank deposited by Mr. Medrano, who was a Catholic Missionary to Staten Island, and collected the money to finish the building of St. Peter's Church at that place, a perpetual lease of which had been given by the Trustees to Bishop H. for a nominal rent a year; and that Mr. Medrano, after sending the bank book and other papers to Bishop H. went from Staten Island with Mr. Fernandez. The amount involved was about $5,000, and Mr. Medrano afterward sent the amount he left, but it was paid by the Bank, being secured to Bishop H. Judgment for plaintiff, for $2, being amount of check—For pltf. Mr. Evarts; for defdt. Mr. S. Raymond and Mr. White.

Chancery Court—Before Judge Morehouse—*Seth S. Lynde* vs. *Ruth Lynde*—Action for divorce.—Several witnesses were examined yesterday, explanatory of the grounds which have caused the charge, and much in favor of Mrs. L. The case will be resumed this forenoon.

Court of Common Pleas—Before Judge Ingraham. Judgment was rendered against defdt. *Elmer Thompson*—To recover damages for alleged assault and battery during a difficulty arising from the trap-door at 60 John-st. Verdict for defendant—For pltf. Mr. N. Dane Edingwood; for defdt. J. G. Ransom.

Fire—Yesterday morning, flames were seen issuing from the livery stable of Mr. Henry Duncan, 55 Sixth-st. A high north wind which was blowing enveloped the begging factory, close by, but the spirit displayed by the firemen saved it. From 11 to 14 horses, owned by strangers stopping in the adjoining hotels, perished in the flames. Mr. Duncan saved all his carriages and buggies, but lost some harness, &c.—The entire loss, we presume, cannot fall short of $5,000. [St. Louis Republican, 12th.

Steamboat Disaster.—We learn from the officers of the steamer Highlander, that the steamer Col. Lap, from Louisville for this port, was sunk to her upper deck, above Golconda, on the Ohio river. Her passengers were brought to the city by the Highlander. The loss, it is thought, would be a total loss. [N. O. Bul. 11th

"Who killed the leeches?
Young Physic, the sparrow,
With his bow and arrow:
He killed the leeches!"

"Triumphs of Young Physic, or Chrono-Thermal Facts." An exposition of a new and most successful method of treating all diseases, without bloodshed, either by leech, lancet, or cupping instrument. Price only 6¼ cents.

GRAHAM, Tribune Buildings.
