ARRIVAL OF TROOPS AT VERA CRUZ.— Reports received at the Adjutant General's office last evening from the commanding officer at Vera Cruz, state the arrival there, from the 2d to the 6th of October, of fresh troops to the number of 2,000 and upward, including a portion of Brig. Gen. Cushing's brigade from the Rio Grande; beside two companies of the 11th infantry of 100 strong, which had been for some time detained by Col. Gates at Tampico. In addition to the above they say, Texan mounted volunteers, of which the strength is not known, were just arriving from the Brazos.

Since Brig. Gen. Pierce's departure with his brigade from Vera Cruz for Major Gen. Scott's headquarters, July 14, six thousand troops and upward are officially reported to have arrived at the former place inclusive of Oct. 6; since which date, other and numerous reinforcements have been rapidly concentrating there, and moving forward on the route to the City of Mexico.

DEATH OF LT. COL. SCOTT.—Among the deaths in the battle near the City of Mexico is mentioned the name of Lt. Col. Martin Scott, formerly a resident of this city, as gallant a soldier as ever drew a sword. He married in 1836, a most amiable and estimable lady of this city, a daughter of the late Gardner McCrackin, to whom his death will be an irreparable loss.

[Rochester Democrat.

☞ We understand that when Gen. Scott chooses to receive a mail, it is freighted with numbers of letters to him, private and public; but more than half the mails—both ways—are intercepted. This may account to the Government as well as his friends for not hearing from him. "Indeed," writes a friend, "the General has, for a long time, had only rare moments for private correspondence or indulgence of any sort."

[Washington Union.

☞ The *Fashion* brings advice that the beautiful hacienda of Santa Anna, near Cerro Gordo, has been burnt, by Capt. Lewis, of the Mounted Louisiana Volunteers. From all we can learn on the subject this has been an act of wanton vandalism and perpetrated in defance of a written protection to the property, given by Gen. Scott, and we are sure he will not let it pass unpuished, nor without exemplary punishment to the guilty parties, unless very satisfactory reasons can be given for the outrage. It will be ample time to wage a war of that nature, when the Commander-in-chief gives orders for the purpose, but it cannot be too severely reprehended, when a subaltern undertakes to do it, not only on his own responsibility, but also in direct violation of the pledged faith of the General-in-chief. [N. O. Com. Bul.

FATAL ACCIDENT ON THE CENTRAL RAILROAD.—We learn from our traveling correspondent, who is now in Michigan, that the train of passenger cars going west, on Thursday afternoon, 14th inst. ran off the track near miles west of Albion, on the Central Railroad, and killed the engineer, whose name was Myers. The locomotive fell down an embankment twelve feet high, and landed bottom side up with the engineer underneath, and so fastened down that immediate extrication was impossible. He was dreadfully bruised, and so scalded in some parts that the flesh came off his limbs. The accident occurred about four o'clock, and was occasioned by a wedge of wood which, it is supposed, had been put on the track designedly. The fireman was also badly, but not dangerously burnt or scalded. No injury was done to the passengers. [Buffalo Commercial.

FIRE IN HALLOWELL.—The extensive Oil cloth Factory of Messrs. Rice & Sampson of Hallowell was entirely consumed by fire on Tuesday morning last about o'clock. It was filled with carpets in the process of being manufactured, a large portion of which, together with a considerable quantity of stock and manufactured goods, and all the fixtures, stamps, &c. belonging to the factory were consumed. After the fire was discovered, by the active exertions of the proprietors, property to the amount of some $6,000 was rescued from the burning building. Loss $10,000, of which between $5,000 and $6,000 was covered by insurance.

MURDERS.—A man by the name of Barnes waylaid and murdered a Mr. West, in Point Coupee, La. on the 4th inst. Barnes is in custody.

Mr. Theron Patterson was murdered at Little Fort on the 10th inst. Murderer not arrested

SHOT BY A FRIEND IN GUNNING.—A gentleman from Bucks County, Pa. on a visit to Sussex Co. in this State was accidentally shot while on a gunning excursion with his brother-in-law, a son of Samuel Kidney, of Stillwater, on Wednesday last and died the same evening.

☞ There were 14 interments from yellow fever during the twenty hours prior to 9 o'clock A. M. on the 15th inst. at New Orleans. One was that of Benj F. Brookes, of Philadelphia.
