FLORIDA

THE LAND OF ORANGES, SUNSHINE, TROPICAL SCENERY AND HEALTH.

LAND IS THE BASIS OF WEALTH.

LOOK A LOT 40 x 100 FEET IN SILVER SPRINGS PARK ONLY $5.00

THE ABOVE SHOWS OUR LAND OFFICE AT SILVER SPRINGS PARK, FLORIDA.

A safe and valuable investment. The small sum of $5.00 buys one of the best lots, 40 x 100 feet. *A bona-fide* sale and Warranty Deed given. Every man, woman and child should own a lot. A syndicate of New York capitalists are building an enormous Hotel at Silver Springs costing, with the land, $250,000, which will accommodate 500 guests. Other wealthy New Yorkers have invested heavily with us, many of whom propose building handsome cottages this fall and winter. Buy a lot for yourself, wife and children. It will be a grand investment for them. Health, climate and soil unsurpassed.

Silver Springs Park is situated in Marion Co., 100 miles south of Jacksonville, and in the immediate vicinity of Silver Springs Lake, one of the most beautiful and noted wonders of Florida. Thousands of tourists visit Silver Springs every year. High, rolling, first-class lands. No swamps, mosquitoes or malaria. No more beautiful situation can be found in Florida. Several trains daily stop at our commodious Depot right in the heart of the town. A saw-mill in the town supplies lumber at reasonable cost to builders. Houses, Stores, and one Hotel, etc., already built. Several miles of streets already cleared.

Invalids! Should buy a lot in sunny Florida, and gain their health. Thousands of cases where lives have been saved by living there.

Silver Springs Park is two miles from Silver Springs, and four miles from Ocala.

Roses bloom the year round in Silver Springs Park. Think of it, people of the frigid North!

No improvements required on lots until the owner wishes, nor are you obliged to reside there to hold a perfect title. Every lot has shade trees—magnolia, maple, oak or pine. Lots in Ocala, only four miles from us, sell for $300 to $700 each. Lots in Silver Springs Park at $5.00 each are so cheap, that every one can afford to own one or more. Form clubs among your relatives and friends and secure lots near each other. Clerks, merchants, ministers and mechanics should buy a lot and some day build a modest cottage. WE WILL BUILD COTTAGES from $150 up to $350 on installment plan. On and after November 1st, prices will be doubled, so great is the rush for lots.
