COMMERCIAL AND MONEY MATTERS.

For Sales of Stocks, &c. see Fourth Page.

SATURDAY, April 1—P. M.

The Stock market was very buoyant to-day, especially Harlem, which went to 52½. Treasury Notes and Government stocks were in demand, and the former sold at 1½ premium. The ease in the money market had a very favorable influence upon stocks. Harlem was the favorite fancy. The Company is now considered to be lifted out of its difficulties, and in a better condition than ever before since its existence. No doubt is felt that the money needed to finish the extension and pay off the pressing debt, will be raised on the new stock granted by the Legislature. The road will be then 82 miles long. A new organization is prepared for next year of strong men, and we have heard Mr. Geo. L. Schuyler mentioned as the next President. The following was the business of last month:

Receipts for March, 1847	$14,910 50
Receipts for March, 1848	20,173 26
Increase for the month	$5,262 76

The freight for last month amounts to about $4,000, and this for the dullest business month of the whole year—The freighting business on this road is constantly increasing, and the extension is rapidly completing.

In Bills there is a fair business and the quotations are firm. Leading bills, Sterling, sell at 9½@9¾, but fair names can be had at 9½@9. The supply is fair.—Francs are 5.30, with but few names salable.

There is a continued activity in Freights, and the tendency of rates is upward. Large engagements of Cotton were made at 5-16d, including an entire cargo for the Oneida, Havre packet, withdrawn from that line—There were also engagements of 40,000 bushels Corn for Liverpool at 4d, in sacks, and 5d in bulk, 2,000 bbls Naval Stores at about 15d, Provisions, in considerable parcels, at 19s. to London at 30s. and 1,000 bbls Naval Stores at 5s.—Vessels to sail soon are nearly all full.

Three of the leading French houses have retired all their paper maturing in April. This has had a very favorable influence upon French credit in the street. They have also made arrangements in London to relieve any embarrassment which their Paris houses may be subjected to by the turn affairs may take in that city.

Official notice has been given that the Welland Canal will be open to the trade on the 10th of April.

The propeller Syracuse is advertised to leave Oswego for Chicago on the 5th of April, and the propeller Ontario on the 13th.

An extra dividend of $51,000 has been declared by the Savings Bank of Baltimore, for the last three years, which will be divided among the depositors, who have been such for one year or more. The *Portland Advertiser* states the following semi-annual bank dividends, payable on Monday next, have been declared: Merchants' and Manufacturers' and Traders', 4 per cent: Casco and Cumberland, 3½: Canal, 3—in all amounting to $35,000.... The North River Insurance Company have declared a dividend of four, and an extra dividend of six per cent, payable on the 10th inst. The Randolph (Mass.) Bank pays a semi-annual dividend of four per cent.

The amount of Coal transported over the Reading Railroad last week 24,615 tons, and the total for the season 193,993 tons.

The business on the Schuylkill Navigation Company's works opened with spirit, and the amount of Coal brought down, for the week ending on Thursday last, was.....5,003 tons
Brought down to April 10, last year.....3,613 "
Excess in 1848.....1,389 "

At Baltimore the demand for money is unabated, and the supply still being greatly inadequate to the demand, the rates on the street have not been reduced. They are 1½@2 per cent for undoubted paper. The quarter's interest on city loans and on all the quarterly State loans is paid.

At Boston in the dividend Railroad stocks there is less animation, with a decline in Worcester to 16½, and Western Scrip to par. Legislative action has affected both, and rumors of a considerable amount in scrip yet to come upon the market, not taken by old shareholders, has depressed the latter. City Sixes have risen to ¼ per cent premium.

☞ **The New-York Mill Boys.**—At a large and enthusiastic meeting of the Mill Boys' Association of the City of New-York, held at Niblo's Saloon, on Saturday evening last, the object of the meeting been stated by the Chairman, it was

Resolved, That a Committee of three be appointed by the chair to draft resolutions expressive of the sense of the meeting.

Richard D. McClelland, Andrew D. Veech and John Lockwood, were appointed to said Committee; after a brief absence they reported the following preamble and resolutions:

Whereas, The manifest importance of the coming Charter Election claims the earnest support of every true-hearted Whig, and calls upon every lover of his country and its institutions to turn out and report for duty; therefore,

Resolved, That we will support the regular nominations of the Whig party in the Eighth Ward, ever bearing in mind that our watchword should be 'principles not men.'

Resolved, That we hail with heartfelt pride the bloodless triumph of Liberty and Freedom by the *patriot sons of France*, and that we view it as a bright example of the progressive intelligence of the age.

Resolved, That to Mr. A. G. Hazard, and Aem R. Law-rence, in the name of our fellow citizens, we tender our cordial thanks for their prompt support of the *Infant Republic*, and their past adherence to the unchanging principles of Republican Liberty.

Resolved, That in Henry Clay we recognize our old and well-tried leader, the champion of South American Liberty and of Universal Freedom, the advocate and firm friend of the Laboring Man, and the enthusiastic supporter of oppressed and bleeding Ireland—the man upon whom is eternally blazoned the Heaven born sentiment "Peace on earth and good will toward man." That, come weal or come woe, to him we pledge our grateful affections and devoted support, and bespeak for the *Patriot Statesman of the West*, the undying gratitude and love of an admiring and grateful country.

Mr. McClelland and others addressed the meeting, after which the preamble and resolutions were adopted by acclamation. Three cheers were given for the French Republic and Henry Clay.

The meeting then adjourned to meet the Whigs of the Eighth Ward in mass at the foot of Spring-st. on Tuesday evening, April 4. JOHN LOWE, Chairman.

EDWARD CANEY, Secretary. a3 1t

☞ **Sixteenth Ward.**—LARGE AND ENTHUSIASTIC MEETING at the Chelsea Hall, Friday evening, 31st ultimo.—Pursuant to a call of the Whig Nominating Committee of the Sixteenth Ward, for the purpose of ratifying the nomination, the meeting having been called to order, on motion of Edward E. Dean, GEO. B. GILBERT, Esq. was called to the Chair, and on motion of Mr. Jno. Barclay, the following gentlemen were appointed Vice-Presidents: CHARLES J. DAY, JOSEPH MERRILL, JAMES T. COWENHOVEN, D. A. CUSHMAN, JACOB SMITH, JOHN HINTON, C. C. ELLIS, HARRISON BELL, ISAAC S. BRUEN, ROBERT SMITH. Secretaries, OSCAR TAYLOR, JOHN B. HALSTEAD, JOHN BARCLAY, W. M. SILVA, JOHN GRAY.

The meeting having been duly organized and the call read and accepted, a letter was read from Joseph Tucker, declining being a candidate for Alderman in consequence of ill health, and accepted. Mr. Barclay, in behalf of the Nominating Committee, then came forward and reported the following ticket complete, which was unanimously adopted to be presented to the largest meetings ever held in the Ward. *For Alderman*—

For Assistant Alderman—BENJAMIN S. WHITNEY.

For Assessors:
HENRY T. JOLLIE, JAMES NICOLL.

For Constables:
CORNS. W. CHICHESTER, WM. B. CLARK.

School Commissioner—ANSON WILLIS.
Inspector—ISAAC BRUEN.
Trustee—PERRIN BURDICK.

For Inspectors of Election:
1...CHAS. PETERS, LEWIS LEAVENS,
CHAS. J. DAY, 4...JOHN HINTON,
2...ALEX. SMITH, HARRISON BELL,
JOHN H. BARCLAY, 5...CALEB EVELAND,
3...E. H. WARNER, PETER LANERE.

The following resolutions were offered by Mr. Barclay and unanimously adopted:

Resolved, That in HENRY CLAY we recognize all the lofty traits of genius, talent and statesmanship combined, and around him we will cluster and bear the Whig standard onward, until victory shall perch on our banners.

Resolved, That in order to accomplish the glorious result of Whig principles, we must be firm, decided, and united in our course of action, never swerving to the right or left.

Resolved, That we recognize in our candidate for Alderman, a well-known citizen; a gentleman; a sound Whig, and a true friend to HENRY CLAY.

Resolved, That in B. S. WHITNEY, our candidate for Assistant Alderman, we find one who has ever been faithful to his post, doing duty for HENRY CLAY. A zealous, active, and working Whig, and one in whom we can place the utmost reliance.

Resolved, That in H. T. JOLLIE and JAS. NICOL, Esqrs. we find two tried and trustworthy citizens, and friends of the Whig cause, and will use all honorable exertions to elect them.

Resolved, That we will not, and are not prepared to sacrifice our candidate for Assistant Alderman, until sundown on the day of Election, and will give him a vigorous and united support.

Resolved, That we, the Whig Electors of the Sixteenth Ward here assembled, do solemnly agree to stand up the nominations made to-night at the polls on the 24 Tuesday in April, unless justice is done us by those who have sought, by stratagem, fraud and foul play, to destroy us.

Resolved, That we, knowing our rights, dare maintain them, conscious that we are supported in our course by a large majority of the Whig voters of this Ward, and have only been cheated and grossly outwitted by designing men, and had justice been done us during the past years in our primary organizations, we would have by a large vote been in the majority.

Resolved, That the Hunker section of our party in this Ward, if they have a desire to elect the Whig ticket, will not dare, in the teeth of public opinion, to thrust upon us men who are obnoxious and cannot be elected.

On motion of Mr. Dean, the meeting took a recess in order to wait the arrival of the speakers, and proceeded to the residence of B. S. Whitney, Esq. the candidate for Assistant Alderman, headed by Lothian's N. Y. Brass Band, when Mr. Whitney came forward and addressed the assembled multitude, and was frequently interrupted by the outbreaking applause of the populace. After giving nine hearty cheers the line of march was again taken up for the Hall.

On arriving at the Hall an expression of the meeting was asked in respect to Mr. Wm Turner as a candidate for Assistant Alderman, which resulted in one spontaneous and unanimous "No!" not a single soul endorsing him.

Mr. Bulkley was then called upon for a song, and sang several pieces of music by the Hall, Mr. John Mason came forward and was introduced amid deafening cheers. He proposed the following resolution, which was unanimously adopted:

Resolved, That a Committee of three be appointed to wait upon the Committee from the "ultra side," whom he had just left, who had agreed to appoint a Committee of three to meet that appointed by this meeting, with a view to effect a compromise.

Mr. John Barkley, C. H. Bulkley, and W. A. Vreder were then appointed; which resulted in no good to effect a compromise, but rather widened the breach.

The meeting then adjourned, to hold a public meeting on Wednesday evening at the Chelsea Manor, corner of Twenty-fifth-st. and Ninth-avenue, and with a full determination to run a separate ticket at the Polls. a3 1t*

☞ **To the Sixteenth Ward Whig Electors!**—We, the Whig Executive Committee feel it incumbent upon us (in order that we may not be looked upon as disorganizers in the Whig ranks,) to make this statement relative to the difficulties in our Ward, (independent of the local grievances which have existed since the rejection of our Ward Committee and delegates to the General Committee elected last Fall,) that prior to our last primary election of charter officers, a union or compromise ticket was framed between the two sections, of twelve each, and jointly selected as honorable, fair, and like honest Whigs, to be printed and distributed the Saturday prior to the election to both sides, and the ticket run in good faith. Finding that a different ticket was in the field on Sunday, the only alternative we had was to prepare a separate ticket, and was then only beat by a few votes. We therefore feel it due to ourselves to vindicate our course. That we have acted honorable, fair, and like honest Whigs, we leave the public to judge; and however much we regret we are fearful the Ward will be lost in consequence. All of which is respectfully submitted.

Resolved, That we sincerely condole with the parents and relatives of the deceased on this melancholy occasion, conscious how bitter must be loss of a son so remarkably distinguished for affection and filial regard.

Resolved, That this Company attend on Tuesday, the 4th of April, the funeral of Henry Fargis and George Kerr, who have thus nobly fallen in the discharge of their duty.

POST OFFICE, NEW YORK, April 1, 1848.

☞ **The Steamer Caledonia** will leave Boston on Wednesday, the 5th April. Her mails will close at the Office on Tuesday, the 4th, at 4½ P. M. Postage on letters must be prepaid to Boston. Letters of half an ounce or under, 5 cents, and each additional half ounce 5 cents. [a3 3t] ROBERT H. MORRIS, P. M.

☞ **What are Puddings and Pies** without an agreeable flavor? To use the language of the Pasha in Marryat's story, they are "bosh—nothing." If you want to tickle the palate with something really delicious, JOHNSON'S Extracts for flavoring puddings, pies, cream, jellies, and all the knicknacks that come under the head of dessert are indispensable. A picinus himself, the greatest cook and epicure of ancient Rome, would have acknowledged all his epicurean inventions eclipsed by these delicious preparations. The fresh flavor of the lemon, of the ripe and luscious peach, of the rose, the citron, the almond, the orange will be found in a pure and highly concentrated form in these various extracts. To ladies who look after their own desserts, to confectioners, and to hotel keepers we especially recommend them. They are cheaper than the fruit itself, for a teaspoonful will flavor a quart, and they are sold at 25 cents a bottle. Prepared and sold by HENRY JOHNSON, Chemist, 273 Broadway, cor. Chambers-st. in the Granite Building. Sold also at 100 Fulton-st. 77 East Broadway, and 303 Hudson-st. Sold in Brooklyn by Mrs Hays, 139 Fulton-st.

☞ **Church of the Puritans.**—The unsold Pews in this Church, situated on the corner of Union-square and Fifteenth-st will be sold at auction to the highest bidder, without reserve, in the Church on Monday evening, the 17th of April, at 8 o'clock. The Church is free of all incumbrance—and by a resolution of the Society, the ground rent of the Pews is fixed at 10 per cent upon their original valuation. By order of the Trustees. m18 SMATht A17t*
