SULLIVAN BREAKS LOOSE AGAIN.

He Falls Out of a Hotel Window and Disables Harrison by Kicking Him in the Back.

TAUNTON, Mass., Nov. 22.—John L. Sullivan and Duncan R. Harrison, with other members of their company, struck the city yesterday. Sullivan celebrated in his usual manner after having been treated like a nabob by sports of the city, and nearly broke his neck by falling through a window at the City Hotel. In the afternoon he varied the monotony by kicking Harrison in the back, injuring him so that he could not appear at the evening performance. Harrison was attended by three doctors. He went to Boston to-day, and it is feared that his spine is injured.

The Canada's Stormy Passage.

HALIFAX, N. S., Nov. 22.—The National Line steamer Canada, from London for New York twenty-one days out, put in here this morning for coal. Her coal supply gave out several days ago, and the cattle pens were burned and spare timbers cut away to keep the fires going until she could reach port. The vessel encountered a succession of terrific gales all the way across, but sustained no serious damage, although it was one of the worst passages in the history of Atlantic navigation.

Wanted—Females.
