NEW-YORK TRIBUNE.

Political and Personal Movements, &c.

James Lyons, Esq. Chairman of the Whig Central Committee of Virginia in a political discussion at Richmond, last Saturday, with Mr. Caskie, a Hunker, says he intends to question Mr. Fillmore as far as he is able, on the sentiments affirmed in his letter to the Chairman of the "Anti-Slavery Society of the County of Erie," dated Buffalo, Oct. 17, 1848, wherein Mr. F. declares himself in favor of the right of petition, opposed to the Annexation of Texas so long as Slaves are held there, in favor of the Constitutional power to abolish the internal Slave Trade between the States, and also in favor of immediate legislation for the Abolition of Slavery in the District. These are measures which the Whigs of the North have always advocated. Mr. Lyons further said that if Caskie would agree to strike off Cass from the Hunker ticket—he would cheerfully agree to strike off Mr. Fillmore from the Whig ticket. Mr. L. ridiculed all platforms and said they were only fit for Tom Thumb to strut off upon, and that Gen. Taylor needed none.

Joshua A. Spencer made a speech at Norwich, Chenango County, on the 5th inst. Benjamin F. Butler addressed a Barnburner meeting on the 6th at the same place. A correspondent of the *Oxford Times*, a Taylor paper, says that it was an interesting speech, characterized with clearness and ability. For making such speeches he has been removed from office, while Ely Moore, &c. are retained in place because they uphold a tottering Administration and spout for Cass and Butler, however unpleasant the task may be.

Robert Iredell, editor of the *Norristown* (Pa.) *Herald*, a Taylor and Free Soil paper, perpetrates the following:

"NOT FAIR.—The Loco-Foco orators of this place have commenced their assaults upon Martin Van Buren, and revived the charges made by the Whigs against that distinguished Loco-Foco in 1840. They should remember that these charges were then pronounced by them to be Whig lies, and that they and their party endorsed the character of Van Buren by supporting him for President. But it seems that a few days have given our Loco-Foco friends a remarkable insight into his character."

That many Southern Taylor men would prefer Butler to Fillmore we have conclusive testimony, but for what object the *New-Orleans Bee* keeps the following standing in its columns we cannot imagine. The Abolitionism of Cass has never been discovered at the North:

"*Keep it before the People*—That no man can vote for WM. O. BUTLER for Vice-President without voting for LEWIS CASS, the Northern Abolitionist, for the higher office of President."

Below will be found an extract from a letter by Hugh Graham of Tazewell, Tenn. to the Editor of the *Louisville Presbyterian Herald*:

"Not long since I thought I discovered in the *New-York Observer* Abolitionism too strong for Tennessee. I shall stop their paper, said I, but concluded to wait a little longer, which I saw that one of the Editors was in England battling manfully for the South against the British Abolitionists!"

C. J. Hollis, the Taylor Native candidate for Congress in the 1st District of New-Jersey, has addressed a lengthy letter to Dr. C. F. Clark, from which we make the following extracts:

"Let me at once avow my utter repugnance to the existence of Slavery in *any* Territory of this country; but more especially in that portion where *stands the Capitol* of a nation of men who boast of their enlightened Freedom, and from which floats the Stars and Stripes, recognised by all as the sacred emblem of *Liberty*.

"So long as I have a voice to raise, or energy to employ, it shall be in vindicating the right of our American citizens, *bond or free*, in preference to Foreigners."

Gen. Peter Sken Smith, the great leader of the Philadelphia Nativists, and a brother of Gerrit, the nominee of the Abolitionists, says that Lewis C. Levin has been placed in nomination in utter disregard of precedent among the Natives. He says he intends to vote the Native American Electoral ticket, and for an independent Rough and Ready candidate for Congress, if any be presented. He can't go Levin.

The *Hamburg* (S. C.) *Journal* announces the arrival of Mr. Calhoun in that town, and says that while there he conversed freely on the political topics of the day. He is not disposed at this time to commit himself in favor of Gen. Taylor, but he is thoroughly and uncompromisingly opposed to the election of Cass.

The *Augusta* (Ga.) *Republic*, an influential Taylor paper, in referring to the letter published in the *New-Haven Journal and Courier*, "from an eminent gentleman and friend of Gen. Taylor," stating that he would not veto a bill against the Extension of Slavery, says:

"The Democratic presses at the South are publishing statements like the following. We don't believe a word of them. Let them show who that "friend" is. Let them come out with names. We do not believe that Gen. Taylor told anybody that he would not veto the Wilmot Proviso."

Hon. Mr. Westcott of Florida is out at length for Cass and Butler. He expects to be reelected by his Legislature to the U. S. Senate.

The Cass papers are ciphering out Cass selection from Webster's assertion that every vote for Van Buren is half a vote for Cass. How forlorn must be their prospects to make capital out of such a thoughtless observation as this!

It is worthy of notice that the Cass, Van Buren and Taylor candidates for Governor of Massachusetts were reared in the Whig party. This is like shooting at an eagle with arrows plumed from his own wings.

H. S. Orton, one of the best Whig stumpers in Wisconsin, has come out for Van Buren and Free Soil.

The *Philadelphia Sun* has taken down the Native Electoral ticket for some time.

Hon. J. R. Williams, Delaware to Philadelphia, and Messrs. Metcalf, Bowman, and Tyler, Whig members of the Legislature, have signed a call for a Free Soil Convention in St. Joseph Co. Mich.

The *Rockville Sentinel* states that John Pitcher, Whig Presidential Elector for the 1st District in Indiana, has withdrawn his name, and now goes for Van Buren and Free Territory.

We observe by the Cleveland papers, that George Hoadley, Esq. of Cincinnati, has been addressing Free Soil meetings in his native city, with his accustomed energy and ability.

Ex-Senator Rives is stumping it for Taylor in Virginia. The Cass men expected to catch Rives, but like Tallmadge of Wisconsin, he has committed himself to Old Rough and Ready. Hunkerism don't agree with them this campaign.

Gen. H. A. S. Dearborn, late the Native American candidate for the Vice Presidency, addressed a Taylor meeting at Worcester, Mass. on the 12th inst.

The Whigs of Hudson had a spirited meeting on Saturday evening, which was addressed by Geo. Dawson, of Albany, and Hon. A. K. Hadley, of Troy.

A large Free Soil meeting was held at Lancaster, Pa. last Saturday. Benjamin Conard presided. A. H. Hood, Esq. formerly Editor of a leading Whig paper in that city, presented the resolutions. Speeches were delivered by Messrs. Longshore of Bucks Co. Urquhart of Ohio, and Snodgrass of Md.

The *Pittsburgh American* states that Judge Myers, of Clarion Co. Pa. a gentleman of considerable influence in that section of the State, heretofore a prominent politician in the Hunker ranks, a Folk elector in 1844, has left the party.

The widow of Theobald Wolfe Tone, of '98 glorious memory—the compatriot of Fitzgerald, Emmet, McNevin and others—is at present a resident of Georgetown, D. C. She contributed to the relief fund for the Irish Patriots, when the meeting for that purpose was recently held in Washington.

A complimentary dinner was given to Gen. Worth at Syracuse, on 12th inst.

Rev. F. L. Hawks of New Orleans, is on his way to this City.

We take the following extract from a letter of Bishop Purcell in the *Catholic Telegraph* of 7th inst.: "If the Irish people had some fifty West Point Cadets to discipline and command them, they might expel the oppressor, for they have numbers and courage sufficient for the purpose. And yet, this once done, as they have no navy, the British could reduce all the cities and chief towns—Dublin, Cork Limerick, Belfast, Waterford, &c.—to ashes. The only check, or revenge—for it would not be—would be to issue Letters of Marque—if they had a Government of three months' standing to do so—to Yankee Privateersmen, and sweep the English coast and channel, and seas, with Paul Joneses."

REMARKS.—The month has been remarkable for the small quantity of rain—the aggregate not exceeding one-fourth of an inch. Vegetation suffers by the drouth. In the thickly settled part of this City there have been some showers which did not extend to this place. By consulting the table, it will be perceived that throughout the month there was rain at the time of but one observation. There were a few drops at 5 o'clock P.M. on the 6th; and in the night of the 13th and 14th. On the 16th there was a shower at 7 o'clock A.M.; on the 17th, a shower in the afternoon, and on the 27th a slight shower in the evening.

Green Corn from the field on the 5th. Potato vines are altogether dead. The tubers, though imperfectly grown, are still sound.
