If you buy a boy's suit for $4 or $5, some one has to lose money.

On a good suit the merchant loses; on a poor suit you lose. The merchant isn't going to lose right along.

We have some boys' knickerbocker *suits now* at $4 and $5, slow sellers at higher prices, that we'd rather lose money on than have in the way of the quicker ones. But make a profit on 'em at $4 and $5? Ridiculous!

We do make money on our regular stock; so do you.

Bring back what you don't like.

Public notice is hereby given that it is the intention of the Counsel to the Corporation of the city of New York to make application to the Supreme Court for the appointment of Commissioners of Appraisal under chapter 180 of the Laws of 1893.

Such application will be made at a Special Term of said court, to be held in the Second Judicial District, at the Court House in White Plains, Westchester county, on the TENTH DAY OF JUNE, 1893, at 10 o'clock in the forenoon, or as soon thereafter as counsel can be heard. The object of such application is to obtain an order of the Court appointing three disinterested and competent freeholders, one of whom shall reside in the county of New York, and the other two of whom shall reside in the county in which the real estate hereinafter described is situated, or in an adjoining county, as Commissioners of Appraisal to ascertain and appraise the compensation to be made to the owners of and all persons interested in the real estate hereinafter described, as proposed to be taken or affected for the purpose of providing for the sanitary protection of the sources of the water supply of the city of New York.

The real estate sought to be taken or affected as aforesaid is located in the towns of Mount Pleasant and North Castle, county of Westchester and State of New York, and is laid out and indicated on a certain map bearing date April 24, 1893, signed and certified by Michael T.
