DRUNKENNESS
Or the Liquor Habit Positively Cured by administering Dr. Haines's Golden Specific.
It can be given in a cup of coffee or tea or in food without the knowledge of the patient. It is absolutely harmless and will effect a permanent and speedy cure, whether the patient is a moderate drinker or an alcoholic wreck. It has been given in thousands of cases, and in every instance a perfect cure has followed. It never fails. The system once impregnated with the Specific, it becomes an utter impossibility for the liquor appetite to exist.
