Public Notices.

SUPREME COURT, SECOND JUDICIAL DISTRICT, WESTCHESTER COUNTY.
In the matter of the application of John Newton, Commissioner of Public Works of the City of New York, to acquire certain real estate in the town of North Salem, Westchester county, under chapter 490 of the Laws of 1883, for a storage reservoir known as Reservoir "M," for the purpose of maintaining, preserving, and increasing the supply of pure and wholesome water for the use of said city.
Public notice is hereby given that the second separate report of James Thomson, John Berry, and George Kaufeld, who were appointed commissioners of appraisal in the above entitled matter by an order of the Supreme Court, bearing date Jan. 18, 1890, which said report bears date July 28, 1893, and was filed in the Westchester county clerk's office July 29, 1893, and that the parcels covered by said report are parcels Nos. 8, 13, 14, and 16.
Notice is further given that an application will be made to confirm the said report at a special Term of the Supreme Court, to be held at the court in the city of Poughkeepsie, Dutchess county, on the 28th day of October, 1893, at the opening of the court on that day, or as soon thereafter as counsel can be heard.
Dated Sept. 12, 1893.
WILLIAM H. CLARK,
Counsel to the Corporation,
2 Tryon row,
New York.

NEW YORK WATER SUPPLY.
Public notice is hereby given to all persons who own or have or who claim to own or have estates or interests in or liens upon any lands or real estate bordering on the Croton River, in the counties of Westchester, Putnam, and Dutchess, and any of the tributaries of such river, or bordering on or being adjacent to any reservoir, lake, pond, or stream, the waters of which are owned, used, or controlled by the city of New York for its water supply, that public notice is so given to any and all persons who own or have or who claim to own or have estates or interests in or liens upon any real estate bordering on the Croton River, or the Croton River, Kensico Reservoir, Byram Pond, or Rye Pond, Bear Gutter Creek, or either of their tributaries, or bordering on the storage reservoir known as Williams Bridge Reservoir, in the city of New York, that the State Board of Health of the State of New York, for the purpose of protecting the water supply of the city of New York from contamination, and acting under and in pursuance to the authority conferred upon them by the provisions of the Laws of 1893, did hold a meeting at the city of New York on the 25th day of August, 1893, at which meeting certain amendments to the rules and regulations for the sanitary protection of the Croton River and its tributaries were adopted; and public notice is further given that the following is a copy of the minutes of the meeting of the said State Board of Health held as aforesaid and a copy of the amendments to such rules and regulations:
Amendments to the rules and regulations for the sanitary protection of the Croton River and its tributaries in the counties of Westchester, Putnam, and Dutchess, and of so much of the Bronx and Byram rivers and their tributaries as are now used for the supply of water for the city of New York.
The State Board of Health, at a meeting held in the city of New York on the 25th day of August, 1893, a quorum being present, did then and there, after having heard the report of a committee of the board, duly appointed for the purpose of examination into the subject, which committee was appointed at a meeting of the Board held in the city of Albany, the 27th day of July, 1893, at which meeting a quorum was present, amend and alter the rules made by it for the sanitary protection of the Croton River and its tributaries in the counties of Westchester, Putnam, and Dutchess, and of so much of the Bronx and Byram rivers, and their tributaries as are now used for the supply of water for the city of New York, in accordance with and under the powers conferred by chapter 490 of the laws of 1883, in the following particulars, to wit:
That taking into consideration the character of the soil and of the substrata of the soil and the angle of the slope, the distance and the soil, privy vaults, slaughter houses, hog pens, barnyards, or any and all places or things which tend to pollute and render impure and dangerous water taken from the several sources enumerated and set forth in said rules, shall be maintained, is increased to three hundred feet horizontal measurement, of the high-water mark in any lake, pond, or reservoir in said watershed and to two hundred and fifty feet, measured from the top of the high-water mark or precipitous bank of any spring, stream, or watercourse tributary to said lakes, ponds, or reservoirs. FLORENCE O'DONOHUE, M. D., President.
LEWIS RALCH, M. D., Secretary and Executive Officer.
[L. S.] Dated New York city, Sept. 12, 1893.
MICHAEL T. DALY, Commissioner of Public Works, 31 Chambers st., New York.
