NOTE.—Bids will be received as follows:

1. Bids for the entire work as specified under their respective headings.

2. One bid including mason work, carpenter work, furniture, iron work, plumbing, and gas-fitting work.

3. One bid including window shades and carpets, and linoleum.

Sealed estimates for the above work, endorsed with the above title, also with the name of the person or persons making the same, and the date of presentation, will be received at the office of the Comptroller, rooms Nos. 14 and 15, Finance Department, Stewart Building, No. 280 Broadway, in the city of New York, until Tuesday, February 27, 1894, at 12 o'clock M., at which place and hour the bids will be publicly opened by and in presence of the Commissioners of the Sinking Fund, and read, and the award of the contract, if awarded, will be made to the most responsible bidder, with adequate security, as soon thereafter as practicable. The person or persons to whom the contract may be awarded will be required to attend at the office of the Commissioner of Public Works, with the sureties offered by him or them, and execute the contract within five days from the date of the notice to them of the award of the contract, in case of failure or neglect so to do he or they will be considered as having abandoned it, and as in default to the Corporation; and thereupon the work will be readvertised and relet, and so on until the contract be accepted and executed. The work to commence at such time as the Commissioner of Public Works may designate.

N. B.—Permission will not be given for the withdrawal of any bid or estimate. No bid will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Bidders are required to state in their estimates, under oath, their names and places of residence, the names of all persons interested with them therein, and, if no other person be so interested, they shall distinctly state the fact; also, that it is made without any connection with any other person making a bid or estimate for the same purpose, and that it is in all respects fair and without collusion or fraud; and also, that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. Where more than one person is interested it is requisite that the verification be made and subscribed by all the parties interested.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the city of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, upon its being notified of the acceptance of the estimate for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which the bid or estimate is entitled upon its completion, and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting, to cover the damages to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be acknowledged by the sureties before a justice, in writing, of each of the persons signing the same that he is a householder or freeholder in the city of New York and is worth the amount of the security required for the completion of the contract, as stated in the proposals, over and above all his debts of every nature, and over and above his liabilities to sureties, if any, otherwise; that he has offered himself as a surety in good faith and with an intention to execute the bond required in law. The adequacy and sufficiency of the security offered is to be determined by the Comptroller after the award is made and prior to the signing of the contract.

For the nature and extent of the work to be done bidders are referred to the plans and specifications. The plans may be seen at the office of the architects, Messrs. Carrère and Hastings, Messrs. Thom, Wilson & Schnaarschmidt, No. 1,267 Broadway.

The entire work to be completed within SIXTY DAYS after the time to commence work has been given by the Commissioner of City Works.

The damages to be paid by the contractor or contractors for each and every day that the contracts may be unfulfilled after the time specified for the completion thereof shall have expired, are, by a clause in the contract, fixed and liquidated at TEN DOLLARS per day.

Bidders will state in writing and also in figures a price for the whole work on which they bid, complete, which price is to cover the furnishing of all necessary materials and labor and the performance of all the work set forth in the plans and specifications and form of agreement.

No estimate will be considered unless accompanied by either a certified check upon one of the State or national banks of the city of New York, payable to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the letting of the contract. The successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the security given by him shall be forfeited to and be retained by the city of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

The amount of security required is $8,000 on bid No. 1; $5,000 on bid No. 2, and $3,000 on bid No. 3.

HAMMERSLOUGH BROS.

Ideal weather this, for sleighing. Get your best girl—and off you go. But don't forget your ulster. You may look pretty in your swell drab driving coat, and we have them, if you want one; but for solid warmth and comfort commend me to an ulster. In one of ours you'll be as snug as a bug in a rug—and stylish, too, for that's the way we make them.

The cost won't keep you from buying. We've marked them down—way down. We're selling them cheap. Suits and trousers at what it cost to make them.

SALE AT OUR WHOLESALE PREMISES ON BLEECKER ST., COR. GREENE—JUST WEST OF BROADWAY.

Open to-night till 9 o'clock.
