FLINT'S FINE FURNITURE
TRADE MARK.

It takes study—years of it—to make a good decorator.

He must know all that has been done in decoration from the days of Pompeii to the present time. He must be able to modify and harmonize styles to suit modern needs.

He must blend colors like an artist. He must be a connoisseur in furniture and fabrics, stained glass, and mural paintings.

—And yet there are people who think that anybody can decorate.

Come in and talk to our decorator.
