KEEP YOUR BLOOD COOL and You Will Be Cool

In hot weather the first requisite of good health and comfort is pure blood. The prime factors of pure blood are pure food and drink. HIRES Rootbeer, the great temperance drink, contains the very essentials of good health. It is *food for the blood*, reducing the temperature to normal degree, refreshing the system, satisfying the thirst, pleasing the palate; the safest and most delicious of all hot weather drinks.

There are other preparations called "Root Beer," costing, perhaps, a few cents less than the genuine. Unknown combinations of coloring matter, essential oils and chemicals are dangerous in the highest degree. Can you afford to hazard the health of yourself and the children for the sake of a penny or two? HIRES Rootbeer can be made right at home without trouble or expense, one package of extract making five gallons. Be sure you get the genuine

HIRES Rootbeer

HIRES Rootbeer Carbonated, ready to drink, except for the cooling, is put up in pint bottles, two dozen in a case, at $2.00 per case, or $1.00 per dozen; 30 cents allowed for the return of bottles and case. If your store-keeper cannot supply you with the Carbonated, drop a postal to 76 Park Place, and it will be delivered at your home free of charge.
