THE OLD STORE LOOMS UP

And it really seems like the sunrise all around these four corners.

The in-coming merchandise!

The visits of old friends who helped A. T. Stewart establish the place!

The new New Yorkers who want to see what the old store was like when at its best!

The great hearted, broad minded, public spirited folk with congratulations!

Troops of happy, interested workpeople!

All this going on seems to light up the neighborhood.

We are glad to stand at the gateway of the new business.

Each day will show growth and betterments.

A visit this first week will count as much as two of any other time.

This is getting-acquainted week.
