Wanamaker's

Store Closes at Noon To-day.

ANOTHER PIECE OF BICYCLE NEWS

We had over fifteen hundred of the Falcon Bicycles, and they are sold, though a few are yet to come. We could still gather up old patterns in agents' hands, but that we will not do. Our customers shall have through our hands the best or none. The Yost Company that makes the Falcons has just reorganized, and we may have something interesting to say concerning them hereafter.

THE GREATEST BREAK YET KNOWN TO US

Two weeks ago we closed negotiations at an important Bicycle Factory, for all the unassembled parts of a lot of the finest Wheels yet produced in any country. Item by item we investigated everything that went into the machines, inspected the methods of workmanship, and tested to the last degree everything about the materials and construction. The Wheel satisfies our experts in every particular.

A FEW HUNDRED BICYCLES ARE READY THIS MORNING

A condition of purchase was that the trade name must be protected for higher prices hereafter, and therefore we offer these machines under another name. An indication of our pride and confidence in this Bicycle appears in the choice of a part of the name of one of our partners, and the new Bicycle will be known as

THE RODMAN

The tubings, forgings, fittings, hubs, spokes, cones, sprockets, cranks, valve stems, decorating polish, saddles, tires, threading and "truing," are the best known to skilled mechanics. If any other Wheel has any real merit that is not in this machine, we do not know it. They cost considerably more to manufacture than the price we sell them at. None of this make of Wheel of the qualities offered were sold at less than $80, and a large part of them are of the $100 quality, though you cannot tell them apart, so much Bicycle cost being hidden in the unseen qualities of materials and workmanship.

Day and night during the last fortnight, the works have been busy stocking us up for this event, and we have now accumulated enough to start the sale without disappointing the many who are sure to come. Please notice—

1.—No orders will be booked—so that each can have a fair chance for any Wheel on its arrival.

2.—Neither saddles, handle-bars, tires or gear will be changed.

PRICE FOR MEN'S RODMAN WHEELS, $26.50
PRICE FOR WOMEN'S RODMAN WHEELS, $27.50

We have all the standard sizes and colors for both men and women.
An extra space and service is provided at the foot of Fourth avenue and Tenth street stairs, basement.

Here are a few Saturday items pertaining to personal belongings.
