SANDS'S SARSAPARILLA

THE ATTENTION of the reader is called to the following certificate of a remarkable cure effected by using only five bottles of Sands's Sarsaparilla.

SIDNEY, (Maine,) April 15, 1850.

Messrs A. B. & D. Sands: Gentlemen—This is to certify that the subscriber, of Sidney, County of Kennebec, State of Maine, has been afflicted more or less ever since my birth with Scrofula, which continued to increase until last February. In January, my legs were so swollen I could not get on a boot or stocking, and I had several large sores on me all the time. In this situation I was about to give up in despair, when I was advised to try Sands's Sarsaparilla. I had not much faith in it but I sent to your agent in Augusta, Me and procured a bottle which did me so much good, I sent and got another, and continued until I had taken five bottles. I am now perfectly well. If any person who may read this letter is afflicted with any disease of Scrofula, I would most sincerely recommend and advise them to make use of Sands's Sarsaparilla. If any person wishes further information about my case, by calling upon me I can convince them of the healing power of this medicine. Signed, STEPHEN C. HAYWOOD.
