FLINT'S FINE FURNITURE

Looking Cosey-Cornerward.

Every furnisher has the cosey-corner craze. No wonder, when the "corner" introduces such grace, beauty and solid comfort.

Here are the groundings:—Odd Oriental conceptions, as inexpensive as you please; from Japanese rugs in Turkish and Persian patterns, very artistic, very low in price, to rich Smyrna rugs and real hand-woven Orientals—the acme of color harmony.

Here are the draperies:—Bagdad and Persian patterns. Originals; domestic jute and tapestry reproductions.

Here are the pillows:—Silk, satin, denim, cretonne—like autumn leaves for color richness and variety.

If economy is an object,
