### AIM TO SEND FIVE HUNDRED DELEGATES

Anderson District of Methodist  
Church Planning for Spar-  
tanburg Meeting.

The Anderson district of the Meth-  
odist church plans to have a regular  
high brigade at the Wesley Bible  
Class Federation in Spartanburg July  
19-21. This is an exceedingly large  
delegation, and it seems likely that  
this number will go, for who the  
things is carefully thought over it  
is seen that the St. John's church with  
the backing of the other churches of  
the district can easily supply this  
number.

The plan to have five hundred dele-  
gates at Spartanburg originated with  
Rev. John W. Speake, when he was  
at the District Sunday school confer-  
ence at Honea Path. The plan was  
heard with some misgiving, but Mr.  
Speake finally had his way about the  
matter and he is now at the head of  
a committee making the full plans  
and arrangements for the delegation  
to go to the Spartan city.

A special train will be run to ac-  
commodate this crowd, and the men  
will arrive in Spartanburg in time to  
march in the grand parade, and will  
remain over that night for the great  
mass meeting.

It is the confident hope and expecta-  
tion of those in charge of the meet-  
ing at Spartanburg to make this gath-  
ering the best and biggest in the south,  
and the very best speakers are be-  
ing secured for the program.

### FIRST DAY OF MRS. HOLLEMAN'S SALE

PROVED SUCH A RUSH BUY-  
ERS HAD TO BE ADMIT-  
TED PIECEMEAL

### CROWDED ALL DAY

Offering Brand New Goods at Ab-  
solute Cost—Hearty Res-  
ponse to Ads.

The power of printers ink was fully  
demonstrated yesterday in Anderson.  
In Saturday afternoon's Daily Mail  
Mrs. J. C. Holleman had a three  
column ad. running down the page  
eight or ten inches announcing that  
she was going to retire from busi-  
ness. In Sunday's Intelligencer  
there appeared a full page ad, with  
descriptions and illustrations, also  
announcing the fact that she was go-  
ing to retire from business, and was  
offering her stock of brand new and  
stylish goods at absolute cost.

And the ladies packed the store  
Monday morning to such an extent  
that the doors had to be locked and  
admittance refused the others until  
some of those inside could be waited  
on and gotten out.

One of the ladies who waited on  
the trade yesterday said last night  
that she had never seen such a quick,  
spontaneous and hearty response to an  
advertisement as this sale of Mrs.  
Holleman's.

Some new goods that arrived yester-  
day will be placed on sale at cost  
price today.

Mrs. Holleman announced in no un-  
certain words that she was going to  
close out her stock at once, and to  
that end she would sell her goods at  
absolute cost. This being true, the  
only thing necessary to sell the goods  
was to let this fact be known.

You will see that she used the  
Daily Intelligencer for a full page—  
and she got results.

The Intelligencer reaches the peo-  
ple who have the money to buy the  
goods which you have to sell—Nuff  
Ced.

### Best Thing for a Bilious Attack.

"On account of my confinement in  
the printing office I have for years  
been a chronic sufferer from indiges-  
tion and liver trouble. A few weeks  
ago I had an attack that was so se-  
vere that I was not able to go to the  
case for two days. Failing to get  
any relief from any other treatment,  
I took three of Chamberlain's Tablets  
and the next day I felt like a new  
man," writes H. C. Bailey, editor Car-  
olina News, Chapin, S. C. Obtainable

### AUSTRIAN PRISONERS ARE WELL TREATED

Russian Captors Carefully Clothe  
and Feed Them—Mostly  
Young Men.

Kiev, Russia, May 2.—Long trains  
of Austrian prisoners are arriving  
daily at Kiev with stories of the des-  
perate fighting in the forests of the  
Carpathian passes.

The appearance of the prisoners is  
by no means as bad as had been  
indicated. Most of them look healthy  
and strong and with the exception of  
their foot gear their clothing is in  
fair condition. The Austrian boot  
reaches only above the ankle and is  
less effective against dirt and the  
wear and tear of campaigning than  
the Russian high boot. The Rus-  
sians have assisted the captives by  
giving them high boots free. Few of  
these Austrian prisoners appear to  
have suffered from hunger. Accord-  
ing to their own accounts to an As-  
sociated Press correspondent, they  
received three meals daily even when  
fighting in the Carpathian passes  
from the base of supplies.

The best of relations exist between  
the Austrian prisoners and their  
Russian captors. During a halt in  
the procession, the friendly Russian  
sentries may be seen trying to con-  
verse by signs with their captives,  
who try to reply in a feeble mixture  
of German and Russian. Whenever  
there is an opportunity sentries and  
prisoners gather together and ex-  
change cigarettes and stories of their  
experiences in the trenches.

Among the Hungarians there is a  
large percentage of very young men,  
from which the inference is drawn  
that the Hungarian male population  
is being heavily drawn upon. Out of  
every thousand prisoners taken in the  
Carpathians, about 50 are Germans,  
which bears out the previous stories  
that there is a sprinkling of German  
regiments along the entire fighting  
line in the Carpathians.

In addition to the prisoners taken  
at Przemyel, the Russians appear to  
have taken some 30,000 Hungarians  
and Germans in the Carpathian bat-  
tles during the third week of March.

### They Are 70 Years Old.

"For some time past my wife and  
myself were troubled with kidney  
trouble," writes T. B. Carpenter, Har-  
risburg, Pa. "We suffered rheumatic  
pains all through the body. The first  
few doses of Foley Kidney Pills re-  
lieved us. After taking five bottles  
between us we are entirely cured. Al-  
though we are both in the seventies  
we are as vigorous as we were 30  
years ago." Foley Kidney Pills stop  
sleep disturbing bladder weakness,  
backache, rheumatism, dizziness,  
swollen joints and sore muscles.

### SEVERE PUNISHMENT

Of Mrs. Chappell, of Five Years  
Standing, Relieved by Cardui.

Mt. Airy, N. C.—Mrs. Sarah M. Chap-  
pell of this town, says: "I suffered for  
five years with womanly troubles, also  
stomach troubles, and my punishment  
was more than any one could tell.

I tried most every kind of medicine,  
but none did me any good.

I read one day about Cardui, the wo-  
man's tonic, and I decided to try it. I  
had not taken but about six bottles until  
I was almost cured. It did me more  
good than all the other medicines I had  
tried, put together.

My friends began asking me why I  
looked so well, and I told them about  
Cardui. Several are now taking it."

Do you, lady reader, suffer from any  
of the ailments due to womanly trouble,  
such as headache, backache, sideache,  
sleeplessness, and that everlastingly tired  
feeling?

If so, let us urge you to give Cardui a  
trial. We feel confident it will help you,  
just as it has a million other women in  
the past half century.

Begin taking Cardui to-day. You  
won't regret it. All druggists.
