FLINT'S FINE FURNITURE

A SWEET BRIAR ROOM.

A flower so charming in its simplicity, the eglantine of the poets. This is our veritable rose bower for a maiden.

The motif is cool, fresh and dainty; of plain old walls, ceilings slightly decorated; one of our green toned summer rugs, bureau, bed, toilet table and chairs, remarkably simple in line, of rich, creamy toned enamel or bird's-eye maple, a fitting background for the dainty designs of leaves and roses which we decorate to order.

Other designs suggest different schemes; those with violets for a lavender room, or with Sheraton festoons for a modernized Eighteenth Century room.

Only factory prices on these too, as you
