Reference is made to the following extracts from a letter addressed to us by MR. THOMAS DOLAN, PRESIDENT OF THE UNITED GAS IMPROVEMENT CO., PHILADELPHIA, WHICH CONTROLS THE WESTCHESTER LIGHTING CO.:

"THE TERRITORY COVERED by the Westchester Lighting Company includes all that portion of Westchester County north of the northern limits of the City of New York as far as North Tarrytown and Mount Kisco including Yonkers, Mamaroneck, New Rochelle, Mount Vernon, Port Chester, Harrison, Rye, North Pelham, Pelham Manor, Pelham Heights, Town of Pelham, Village of Pelham Manor, Village of North Pelham, Village of Pelham and other lesser municipalities, and includes the old Town of Kingsbridge. The population at present is estimated at 172,000, and was shown by the United States Census of 1890 to have then been about 114,000, a growth of over fifty per cent.

"THE WESTCHESTER LIGHTING COMPANY POSSESSES FRANCHISES extending beyond the date of the maturity of the bonds, and most of the Company's franchises are perpetual.

"THE TOTAL NET EARNINGS of the merged companies amounted during the year 1899, before consolidation, and under separate management, to $238,103.33, and it is expected that the economies of consolidation as well as increased business due to the extensions and rapidly increasing population in the territory served will result in largely increased net earnings.

"SINCE THE CLOSE OF THE YEAR 1899 THE GAS OUTPUT of the merged companies has increased over 1899 at the rate of twenty per cent. and the electric output at the rate of eleven per cent.

"THE ANNUAL FIXED CHARGES of the Westchester Lighting Company, including interest on the bonds sold to you, amount to $173,710."

$500,000

First Mortgage Five Per Cent. Gold Bonds OF THE Sherman, Shreveport & Southern Railway Company.

Dated June 1, 1893. Due June 1, 1943.

Interest Payable June 1 and December 1 in New York.
Unconditionally Guaranteed
BY THE MISSOURI, KANSAS AND TEXAS RAILWAY COMPANY

The bonds offered are part of $589,000 authorized and issued for the purpose of constructing an extension of about thirty miles, in order to secure an outlet for Western traffic to the East through the QUEEN AND CRESCENT System at Shreveport, and an entrance for Eastern traffic to points reached through the Missouri, Kansas and Texas System.

The interested obligations are $84,450 per annum on $1,689,000 of bonds, or about $9,100 per mile.

Following is a statement of the Sherman, Shreveport and Southern Railway Company for the fiscal year ending June 30, 1900:

Gross Earnings	$398,033 39
Net Earnings	89,396 32
Interest on Bonds	58,047 91
Surplus	$31,348 41
Surplus on June 30, 1899	170,397 53
Total Surplus	$201,745 94

The road earned net largely in excess of interest charges without the important connection recently completed. The following statements show how greatly this event has benefited the property:

Extract from a letter of Henry C. Rouse, President of the M., K. & T. Ry.

"H. W. Poor & Co.: On October 24, 1899, I addressed a letter to you in which I said:

'Our traffic officials give the assurance that the extension to Shreveport and the consequent desirable connection with the East will result in doubling the present earnings of the Sherman, Shreveport and Southern Railway.'

"The current business of the railway justifies the belief that this estimate is to be fully realized, promising gross earnings at the rate of $800,000 per annum, with operating expenses of about seventy per cent. of the gross receipts."

Following is a statement of the earnings of the current fiscal year compared with the same period of last year:
