BRANDRETH'S VEGETABLE PILLS.—This Medicine of enduring efficacy, is justly prized as a corrector of all disorders of the stomach and bowels, the common symptoms of which are costiveness, spasms, loss of appetite, sick headache, giddiness, sense of bloating after meals, dizziness of the eyes, drowsiness, and cramping pains in the stomach and bowels. These symptoms being suffered to remain, a torpid state of the liver supervenes, and all the horrors of dyspepsia are experienced. Every function of the frame is, to a certain extent, prostrated; but a little perseverance and the use of Brandreth's Pills will even restore the system from this state of misery. Two or three doses will convince the afflicted of their salutary influence. The stomach will speedily regain its strength, a healthy action of the liver will soon take place; and instead of listlessness, heat, pain and jaundiced appearance, strength, activity and renewed health will be the blessed result.
They are specially recommended for stomach coughs, colds, fever and ague, (which they surely cure,) asthma, shortness of breath and all obstructions. And if taken after too free an indulgence at table, they at once restore the system to its natural state of healthy repose.
Persons of full habit, who are subject to headache, giddiness, drowsiness, and singing in the ears, arising from too great a flow of blood to the head, should never be without them, as many highly dangerous symptoms will be removed by their immediate use.
FOR FEMALES generally, the Brandreth Pills cannot be too highly spoken of. They remove all obstructions, give energy and strength; cure the distressing headache, unfortunately so prevalent with the sex; depression of the spirits, dullness of sight, nervous affections, blotches, pimples, sallowness of the skin are all removed, and a juvenile bloom and general sprightliness indicate the power and healthfulness of Brandreth's Pills.
Ladies at delicate periods will find them unrivalled; they are the best medicine for mothers, and children, and cure worms and costiveness.
Let it be remembered, that Brandreth's Pills are easy in their operation, and yet unite mildness with efficiency, and require no alteration or attention to diet during their use.

NEW-YORK LAUNDRY.
NO. 15 SPRUCE-ST NEAR NASSAU.

TO SINGLE GENTLEMEN, FAMILIES AND NEW SHIRT DEALERS.—This is one of the most perfect Laundries in this or any other country. It has been erected at an expense of about four thousand dollars, and it combines the following advantages.
1st. Persons leaving the city in haste can have their clothes washed and ironed in a superior manner in two hours' time.
2d. No other material is used in the washing department but pure olive oil soap and Croton water—hence the clothes are not destroyed by patent soaps or other patent humbugs so extensively advertised in the newspapers.
3d. Clothes washed at this establishment are handled with great care—particular pains being taken not to rub or tear them in washing.
4th. Gentlemen's shirts are done up equal to new shirts on sale—gentlemen's collars ironed in Troy style—white vests and white pantaloons elegantly ironed and polished. All this can be done no where except in a well appointed laundry.
5th. Clothes missent or lost (which seldom or never happens) will be promptly paid for.
6th. Clothes wash
